sensation and have been translated into numerous languages **The Shape of Water** Andrea Camilleri, 2017-07-27 The Shape of Water is the first in Andrea Camilleri's wry brilliantly compelling Sicilian crime series featuring Inspector Montalbano. This edition with a stunning redesigned cover. The goats of Vigata once grazed on the trash strewn site still known as the Pasture. Now local enterprise of a different sort flourishes: drug dealers and prostitutes of every flavour. But their discreet trade is upset when two employees of the Splendour Refuse Collection Company discover the body of engineer Silvio Luparello, one of the local movers and shakers apparently deceased in flagrante at the Pasture. The coroner's verdict is death from natural causes refreshingly unusual for Sicily. But Inspector Salvo Montalbano, as honest as he is streetwise and as scathing to fools and villains as he is compassionate to their victims, is not ready to close the case even though he's being pressured by Vigata's police chief, judge and bishop. Picking his way through a labyrinth of high comedy, corruption, delicious meals, vendetta, firepower and carefully planted false clues, Montalbano can be relied on whatever the cost to get to the heart of the matter. The Shape of Water is followed by the second in this phenomenal series, The Terracotta Dog.
