Shapers Of The Great Debate On Conservation A Biographical Dictionary:

Shapers of the Great Debate on Conservation Rachel W. White, 2004-09-30 Through biographical examinations of some of the key figures in the debate on conservation this book seeks to explore a range of subjects such as the evolution of the conservation movement its implications for policy makers and how it impacts the daily lives of people everywhere The varying approaches taken by these individuals will serve to emphasize that there are many definitions of conservation and that many viewpoints are valid Detailed observations of important figures on both sides of the debate including some of the most famous and familiar and some less so provide readers with the knowledge they need to form their own opinions on this topic Major biographies include individuals such as Rachel Carson Dixy Lee Ray John Muir and James Watt An introductory essay an appendix of shorter entries on additional figures and a bibliography are also included

Shapers of the Great Debate at the Constitutional Convention of 1787 Joseph Morton, 2005-12-30 As the oldest still operational written constitution in the world the U S Constitution and the concepts it proclaims have been under almost constant attack since its inception At a convention in 1787 fifty five delegates assembled in Philadelphia to revise and amend the Articles of Confederation only to emerge sixteen weeks later with a new document the U S Constitution The convention was filled with constant debate over how much power should be given to government and how should this power be allocated state rights v nationalists small states v large states political conservatives v political liberals and slave owners v non slave owners Fifty five biographies one for each delegate are presented Biographies include such notable individuals as Benjamin Franklin Alexander Hamilton George Washington Luther Martin and James Madison An introductory essay appendices including the Articles of Confederation and the United States Constitution and an annotated bibliography are also included The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individual s involved in a particular debate through major and minor biographies

Shapers of the Great Debate on the Freedom of Religion Jonathan A. Wright, 2005-08-30 The First Amendment is categorical and concise on religion and the state Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof Nevertheless these few words have caused much confusion and controversy for successive generations The debate over religious freedom has often come to the forefront during American history Since colonial times Americans have debated how to interpret and apply the First Amendment Through biographical histories of individuals involved in the freedom of religion debates readers will discover how individuals thoughts beliefs and actions affected how the religion clauses are viewed today and throughout American history Topics such as prayer in schools religious symbols exemption from military duty and the pledge of allegiance are addressed Individuals such as Anne Hutchinson Jerry Falwell Ralph Waldo Emerson Joseph Franklin Rutherford and Roger Williams are included An introductory essay an appendix of shorter entries on additional figures and a bibliography are also

included **Shapers of the Great Debate on the Civil War** Dan Monroe, Bruce Tap, 2005-07-30 With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included With the conclusion of the Mexican War in 1848 the United States seemed poised to fulfill the manifest destiny that was on the lips of journalists and politicians Yet even before the war was over tensions over the issue of slavery erupted Slavery symbolized the social cultural constitutional and economic differences that were dividing the North and South Through four years of bloody civil war and the loss of over 600 000 lives the American republic decided the fate of slavery asserted the supremacy of the federal government over state authority and began to grapple with the difficult issues of reconstruction This work provides substantial biographical entries of 20 individuals who shaped and defined the debates during the Civil War period Political and military figures such as Abraham Lincoln and Robert E Lee writers such as Harriet Beecher Stowe and abolitionist reformers such as Frederick Douglass and George Fitzhugh are included Each biography provides a concise account of the subject's life followed by an analysis of the figure's role and contribution to the central issues of the day and concludes with a bibliography of secondary and primary sources available to students An appendix of over 180 additional biographies highlights the lives of others who played a role in the debates of the Civil War **Shapers of the Great Debate on Women's Rights** Joyce D.

Duncan, 2008-10-30 The three waves of feminism are explored through the lives of the women who made history in bringing women's issues to the forefront of American society Many early feminists supported not only women's rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves They continued to work towards women's suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage However women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later It was women's fundamental need for independence and an identity of their own separate from that of men which thrust the women's movement forward and continues to propel it today Many notable women such as Susan B Anthony Elizabeth Cady Stanton Billie Jean King Betty Friedan Helen Gurley Brown Jane Fonda and Sandra Day O'Connor are included in this history of the women's movement in America The biographical entries cite works for further reading and the volume closes with a bibliography The Shapers of the Great Debate series takes a biographical approach to history following the premise that

people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies *The Evolution of Social Innovation* Frances Westley, Katharine McGowan, 2017-12-29 In a time where governments and civil society organizations are putting ever greater stock in social innovation as a route to transformation understanding what characterizes social innovation with transformative potential is important Exciting and promising ideas seem to die out as often as they take flight and market mechanisms which go a long way towards contributing to successful technical innovations play an insignificant role in social innovations The cases in this book explore the evolution of successful social innovation through time from the ideas which catalysed social and system entrepreneurs to create new processes platforms projects and programs to fundamental social shifts in culture economics laws and policies which occurred as a result In doing so the authors shed light on how to recognize transformative potential in the early stage innovations we see today **Mark Twain, the World, and Me** Susan K. Harris, 2020-03-10 WINNER OF THE ELIZABETH AGEE PRIZE IN AMERICAN LITERATURE A scholar accompanies Twain on his journey around the world In *Mark Twain the World and Me* Following the Equator Then and Now Susan K Harris follows Twain's last lecture tour as he wound his way through the British Empire in 1895 1896 Deftly blending history biography literary criticism reportage and travel memoir Harris gives readers a unique take on one of America's most widely studied writers Structured as a series of interlocking essays written in the first person this engaging volume draws on Twain's insights into the histories and cultures of Australia India and South Africa and weaves them into timely reflections on the legacies of those countries today Harris offers meditations on what Twain's travels mean for her as a scholar a white woman a Jewish American a wife and a mother By treating topics as varied as colonial rule the clash between indigenous and settler communities racial and sexual inbetweenness and species decimation Harris reveals how the world we know grew out of the colonial world Twain encountered Her essays explore issues of identity that still trouble us today respecting race and gender preserving nature honoring indigenous peoples and respecting religious differences **Interpreting the Environment at Museums and Historic Sites** Debra A. Reid, David D. Vail, 2019-09-19 *Interpreting the Environment at Museums and Historic Sites* is for anyone who wants to better understand the environment that surrounds us and sustains us who wants to become a better steward of that environment and who wants to share lessons learned with others The process starts by focusing attention on the environment the physical space that constitutes the largest three dimensional object in museum collections It involves conceptualizing spaces and places of human influence spaces that contain layer upon layer documenting human struggles to survive and thrive This evidence exists in natural environments as well as city centers The process continues by adopting an environment centric view of the spaces destined to be interpreted This mind set forms the basis for devising research plans that document how humans have changed destroyed conserved and sustained spaces over time and the ways that the environment reacts Interpretation built on this

evidence then becomes the basis for minds on engagement with the places that humans inhabit and the spaces that they have changed and continue to manipulate Interpreting the Environment at Museums and Historic Sites provides a tool kit designed to help you research environmental history document evidence of human influence on land and the environment over time and tailor that knowledge to new public engagement It proposes a multi disciplinary approach that requires expertise in the humanities as well as the sciences and social sciences to best understand space and place over time It incorporates case studies of the theory and method of environmental history to explore how human goals take lasting shape in the environment creating working environments getting water generating and harnessing power growing food traveling and trading building things and preserving natural landscapes Features include the Interpreting the Environment Tool Kit to help you launch the good work of interpreting the environment Raw Materials the evidence landscape ecosystems artifacts and the built environmentPreparation methods thinking like a naturalist scientist thinking like a historian combining approachesPlanning envisioning the goal proactive message stewardship sustainabilityPartnerships sharing work strength in numbers allying across disciplinary divides united in efforts to inform the public about their individual and collective effects on the landscape and the environmentPotential educating the public about people and places is part of a world wide goal with the cumulative effect of saving the planet one story at a time A Timeline and Bibliographic essay round out the book s resources
