

THE SHARED EXPERIENCE OF ILLNESS

STORIES OF PATIENTS,
FAMILIES, AND THEIR THERAPISTS

"This markedly personal book is not just a revelation but an inspiration."
—FRANK PITTMAN, M.D., author of *Man Enough*

Edited by
SUSAN H. McDANIEL, JERI HEPWORTH,
AND WILLIAM J. DOHERTY

Shared Experience Of Illness

John S. Rolland

Shared Experience Of Illness:

The Shared Experience Of Illness Susan H. McDaniel, Jeri Hepworth, William J. Doherty, H McDaniel, 2009-08-05 In the narrative of every human life and family illness is a prominent character Even if we have avoided serious illness ourselves we cannot escape its reach into our circle of family and friends Illness brings us closer to one another through caregiving and separates us through disability and death yet little attention has been paid to personal and family illness in psychotherapy Rather therapists tend to focus on the psychosocial realm leaving the biological realm to other physicians and nurses Susan H McDaniel Jeri Hepworth and William J Doherty invited therapists who work with individuals and families experiencing chronic illness and disability to describe clinical cases that illustrate their approach to medical family therapy Contributors then were asked to share a personal story about their experiences with illness and to explain how those experiences affect the way they work with their clients Vivid case studies dealing with a range of illnesses including cancer infertility schizophrenia AIDS heart disease diabetes asthma and multiple sclerosis show how the therapists own experiences of illness are relevant to their care of others and how these experiences can be used to form a healing bond in therapy Poignant honest and illuminating The Shared Experience of Illness allows us to understand more fully the relationship between the personal and the professional

The Shared Experience of Illness Susan H. McDaniel, Jeri Hepworth, William Joseph Doherty, 1997 This volume shows the powerful benefits that can emerge when therapists acknowledge illness as a vital part of everyone's psychology Susan H McDaniel Jeri Hepworth and William J Doherty invited therapists who work with individuals and families experiencing chronic illness and disability to describe clinical cases that illustrate their approach to medical family therapy Contributors then were asked to share a personal story about their experiences with illness and to explain how those experiences affect the way they work with their clients Vivid case studies dealing with a range of illnesses including cancer infertility schizophrenia AIDS heart disease diabetes asthma and multiple sclerosis show how the therapists own experiences of illness are relevant to their care of others and how these experiences can be used to form a healing bond in therapy

Shared Experience of Illness: stories of Patients, families sw; doherty mcdaniel (wj, (eds)), 1997 **Healing and Humans: Rethinking the Body and the Self** Pasquale De Marco, 2025-03-17 In a world where scientific medicine often dominates our understanding of illness and healing this book invites us on a journey to explore the profound relationship between culture and healing practices Drawing on diverse anthropological research and case studies the book delves into the ways in which cultural beliefs values and practices shape our experiences of illness healing and the body itself Through vivid storytelling and insightful analysis the author reveals the intricate tapestry of cultural influences that shape our perceptions of illness our pathways to healing and our relationships with our bodies From traditional healing rituals to modern medical practices the book explores the diverse ways in which cultures construct meaning around illness and healing The book also examines the role of healers and the patient healer relationship in different cultural contexts It highlights the importance of

cultural sensitivity and understanding in providing effective healthcare emphasizing the need to bridge the gap between scientific medicine and traditional healing practices Furthermore the book explores the impact of illness and healing on individuals families and communities It delves into the social emotional and psychological dimensions of illness shedding light on the ways in which illness can disrupt social relationships strain family dynamics and challenge societal norms Ultimately the book invites readers to reflect on the complex interplay between culture healing and the human experience It challenges us to question our assumptions about illness healing and the body leading us to a deeper understanding of what it means to be human and how we can navigate the challenges of illness and pursue healing in a culturally sensitive and holistic manner If you like this book write a review

A Multi-Perspective Approach to Narratives in Health Communication

Julie E. Volkman, 2025-07-10 This edited volume offers an accessible avenue for improving health and well being by demonstrating the power of narrative in advocating for yourself your family and your community Leading scholars of health communication draw on a variety of perspectives theories and methodologies and incorporate their own personal experiences of narratives to demonstrate the compelling reasons why narratives should be studied and applied in a wide range of health contexts Each chapter contains future directions for advancing research and applying narratives to encourage readers to explore what narratives for health mean for themselves and others

Helping Couples and Families Navigate Illness and Disability

John S. Rolland, 2018-04-23 Couples and families face daunting challenges as they cope with serious illness and disability This book gives clinicians a roadmap for helping affected individuals and their loved ones live well with a wide range of child adult and later life conditions John S Rolland describes ways to intervene with emerging challenges over the course of long term or life threatening disorders Using vivid case examples he illustrates how clinicians can help families harness their strengths for positive adaptation and relational growth Rolland s integrated systemic approach is useful for preventive screening consultations brief counseling more intensive therapy and multifamily groups across health care settings and disciplines This book significantly advances the clinical utility of Rolland s earlier landmark volume Families Illness and Disability

The Therapist's Notebook for Family Health Care

Deanna Linville, Katherine M. Hertlein, 2014-05-01 Effective interventions to help your clients deal with illness disability grief and loss The Therapist s Notebook for Family Health Care presents creative interventions for working with individuals couples and families dealing with illness loss and disability This book offers creative resources like homework handouts and activities and effective field tested interventions to provide counselors with useful information on specific family dynamics and topics It equips mental health clinicians with practical therapeutic activities to use in their work with clients struggling with health care or grief issues The effects of illness disability and loss in everyday life can be profound Besides the individual repercussions these challenges also affect the lives of the family and social networks of those individuals experiencing them The Therapist s Notebook for Family Health Care brings together the knowledge and experience of over 30 experts in the field for a unique collection that therapists and

clients alike will find immediately useful Situated in four unique subject specific sections for quick reference this text covers a broad scope of common problems Also included is a bonus section focusing on thoughtful suggestions for self care and professional development Some of the many topics and techniques presented in The Therapist s Notebook for Family Health Care include conducting interviews using the biopsychosocial spiritual method using the Family System Test FAST to explore clients experiences with their healthcare system and providers increasing social support to manage chronic illness coping and adapting to developmental changes challenges and opportunities using a patient education tool in family therapy helping children and their families to manage pain through knowledge and diaphragmatic breathing creating a personal superhero for a child as a means to empowerment and relief of anxiety facilitating family problems using scatterplots building functional perspective of self and others in clients with Asperger Syndrome quilting as a meaning making intervention for HIV AIDS empowering terminally ill patients to say goodbye to their young children in meaningful ways and many more With a wealth of tables charts handouts and bibliotherapy resources for clients readings and resources for clinicians and case vignettes The Therapist s Notebook for Family Health Care is an excellent resource for a wide variety of practitioners including counselors psychologists social workers grief workers hospice workers health psychologists and medical social workers It is also an ideal text for psychotherapy and counseling students and educators

Gender and the Language of Illness J. Charteris-Black,C. Seale,2010-07-07 An investigation of the influence of gender social class age and illness type in the language of people talking about their experiences of illness It shows evidence of both conformity with and resistance to gender stereotypes

Affectivity and Learning Pablo Fossa,Cristian Cortés-Rivera,2023-07-27 This book presents an interdisciplinary approach to the study of affectivity and human learning by bridging the gap between neuroscience cultural and cognitive psychology It brings together studies that go beyond the focus on cognitive intellectual variables involved in learning processes and incorporate the study of the role played by affectivity and emotions in learning not only at educational settings but in all processes of transformation and human development thus presenting affectivity as a catalyst and mediator of all daily learning processes Chapters brought together in this contributed volume present both theoretical contributions and results of empirical research from different disciplines such as neuroscience cognitive psychology cultural psychology educational psychology developmental psychology and philosophy and are grouped into five thematic sections The first part of the book brings together chapters discussing different aspects of the role played by affectivity in learning processes from the perspectives of cultural educational and developmental psychology The second part is dedicated to the role of affectivity for teachers during their training as educators and during their pedagogical practice in diverse contexts The third part focuses on the relationship between affectivity and learning from a neuroscientific point of view The fourth part discusses affectivity and learning in therapeutic and clinical contexts Finally the fifth part brings together chapters about affectivity and learning in everyday life By bringing together this rich interdisciplinary collection of studies Affectivity and Learning Bridging the Gap

Between Neurosciences Cultural and Cognitive Psychology will be a valuable resource for researchers in the fields of psychology neuroscience and education as well as for educators and teachers interested in knowing more about the relationship between affectivity and human learning *The Aesthetic Experience of Dying* Veronica M. F.

Adamson,2017-09-07 Structured around a personal account of the illness and death of the author s partner Jane this book explores how something hard to bear became a threshold to a world of insight and discovery Drawing on German Idealism and Jane s own research in the area *The Aesthetic Experience of Dying* looks at the notion of life as a binary synthesis or a return enhanced as a way of coming to understand death Binary synthesis describes the interplay between dynamically opposing pairs of concepts such as life and death resulting in an enhanced version of one of them to move forward in a new cycle of the process Yet what relevance does this elegant word game have to the shocking diagnosis of serious illness Struggling to balance reason with sense thought with feeling this book examines the experience of caring for someone from diagnosis to death and is illustrated with examples of the return enhanced The concluding chapter outlines how the tension of Jane s dying has been resolved as the rhythmic patterns of the lifeworld have been understood through the process of reflecting on the experience This creative and insightful book will appeal to those interested in the medical humanities It will also be an important reference for practising and student health professionals *Living with Chronic Illness and Disability - eBook* Esther Chang,Amanda Johnson,2017-07-26

A reinforced focus on person and family centred care Chapter 2 Partnerships in collaborative care includes new sections on the role of the pharmacist paramedic and exercise physiologist Principles for nursing practice are embedded throughout Section 2 Evolve Resources for students and instructors provide additional multimedia resources and reflective questions to assist learning and promote self inquiry *The Therapist's Notebook for Integrating Spirituality in Counseling II* Karen B. Helmeke,Catherine Ford Sori,2014-05-12 More activities to tap into the strength of your clients spiritual beliefs to achieve therapeutic goals *The Therapist s Notebook for Integrating Spirituality in Counseling II* is the second volume of a comprehensive two volume resource that provides practical interventions from respected experts from a wide range of backgrounds and theoretical perspectives This volume includes several practical strategies and techniques to easily incorporate spirituality into psychotherapy You ll find in session activities homework assignments and client and therapist handouts that utilize a variety of therapeutic models and techniques and address a broad range of topics and problems The chapters of *The Therapist s Notebook for Integrating Spirituality in Counseling II* are grouped into four sections Models of Therapy Used in Integrating Spirituality Integrating Spirituality with Age Specific Populations Children Adolescents and the Elderly Integrating Spirituality with Specific Multicultural Populations and Involving Spirituality when Dealing with Illness Loss and Trauma As in Volume One each clinician friendly chapter also includes sections on resources where the counselor can learn more about the topic or technique used in the chapter as well as suggested books articles chapters videos and Web sites to recommend to clients

Every chapter follows the same easy to follow format objectives rationale for use instructions brief vignette suggestions for follow up contraindications references professional readings and resources and bibliotherapy sources for the client The Therapist's Notebook for Integrating Spirituality in Counseling II adds more useful activities and homework counselors can use in their practice such as using religion or spirituality in solution oriented brief therapy Cast of Character counseling using early memories to explore adolescent and adult spirituality cognitive behavioral treatment of obsessive compulsive disorder age specific clients such as children or the elderly multicultural populations and spirituality dealing with illness loss and trauma recovering from fetal loss creative art techniques with caregivers in group counseling and much more The Therapist's Notebook for Integrating Spirituality in Counseling II provides even more creative and helpful homework and activities that are perfect for pastoral counselors clergy social workers marriage and family therapists counselors psychologists Christian counselors educators who teach professional issues ethics counseling and multicultural issues and students

Cardiac Nursing E-Book Debra K. Moser, Barbara Riegel, 2007-08-08 Cardiac Nursing A Companion to Braunwald's Heart Disease is the only comprehensive text available for cardiac nurses This brand new reference emphasizes both evidence based practice and hands on care in a high tech high touch approach that meets the high stakes needs of cardiac and critical care nurses What's more the book makes the material easily accessible by using clear language straightforward text and plenty of illustrations lists and tables This book is the third in a series of companion texts for Braunwald's Heart Disease and the first specifically for nurses Authored by the widely published well known co editors of The Journal of Cardiovascular Nursing two leaders in cardiac nursing Endorsed by the authors of Braunwald's Heart Disease including Eugene Braunwald the physician considered by many to be the father of modern cardiology Evidence based Practice boxes highlight research supported advances in knowledge and care practices Conundrum boxes helps readers hone their critical thinking skills by tackling tough questions for which there may be no easy answers Technology boxes keeps readers up to date with the latest technological advances Genetics boxes helps readers understand connections between genes and heart disease Pharmacology tables present important drug related information at a glance A guide to cardiac abbreviations and acronyms gives nurses quick access to essential information

A Shared Experience Laura

Mccall,Donald Yacovone,1998-08 For decades women s history has been one of the most dynamic fields in all of American history More recently the study of manhood has drawn the attention of scholars students and general readers Despite the obvious intersections of female and male gender roles the nineteenth century doctrine of separate spheres has dominated historical inquiry The shared experiences and complementary lives of men and women have rarely been considered This important new anthology reflecting recent trends in the history of men and women calls for the reintegration of the study of gender Only by focusing on the similarities as well as the differences in the lives of men and women can we achieve a fully representative portrait The essays in this exciting collection most commissioned exclusively for this book cover American history from colonial times to the present representing multicultural and interdisciplinary scholarship at its most persuasive Combining compelling subjects and thorough research the contributors represent an appealing mix of established authors and new scholars A lively blend of experience and innovation A Shared Experiencemarks an important step in the development of American history and the burgeoning field of gender studies Illness in the Academy Kimberly Rena Myers,2007 Illness in the Academy investigates the deep seated widespread belief among academics and medical professionals that lived experiences outside the workplace should not be sacrificed to the ideal of objectivity those academic and medical professions so highly value The 47 selections in this collection illuminate how academics bring their intellectual and creative tools skills and perspectives to bear on experiences of illness The selections cross genres as well as bridge disciplines and cultures *Cultural Narratives of Old Age in the Lives, Work, and Reception of Old Musicians* Joseph Straus,2024-08-23 Operating largely within the world of European American classical music this book discusses the creative work of old musicians composers performers listeners and scholars and how those forms of music making are received and understood Like everything else about old age music making is usually understood as a decline from a former height a deficiency with respect to a youthful standard Against this ageist mythology this book argues that composing oldly performing oldly and listening oldly are distinctive and valuable ways of making music a difference not a deficit to be celebrated not ignored or condemned Instead of the usual biomedical or gerontological understanding of old age with its focus on bodily cognitive and sensory decline this book follows Age Studies in seeing old age through a cultural lens as something created and understood in culture This book seeks to identify the ways that old musicians composers performers listeners and scholars accept resist adapt and transform the cultural scripts for the performance of old age Musicking oldly making music in old age often represents an attempt to rewrite ageist cultural scripts and to find ways of flourishing musically in a largely hostile landscape **Introducing Social Work** Jonathan Parker,2023-04-05 Everything you need to succeed in your social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities

and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice

Genograms Monica McGoldrick,Randy Gerson,Sylvia Shellenberger,1999 Widely used by both family therapists and family physicians the genogram is a graphic way of organizing the mass of information gathered during a family assessment and finding patterns in the family system This popular text now updated and expanded provides a standard method for constructing a genogram doing a genogram interview and interpreting the results Both entertaining and instructive Genograms is an ideal way to introduce all those involved in family treatment family therapists physicians nurses social workers pastoral counselors and trainees in these fields to this essential assessment and intervention tool

Maternal-Child Nursing Care Optimizing Outcomes for Mothers, Children, & Families Susan Ward,Shelton Hisley,2015-06-03 It offers the perfect balance of maternal and child nursing care with the right depth and breadth of coverage for students in today s maternity pediatric courses A unique emphasis on optimizing outcomes evidence based practice and research supports the goal of caring for women families and children not only in traditional hospital settings but also wherever they live work study or play Clear concise and easy to follow the content is organized around four major themes holistic care critical thinking validating practice and tools for care that help students to learn and apply the material

Whispering the Strategies of Language: An Psychological Journey through **Shared Experience Of Illness**

In a digitally-driven world where monitors reign great and instant connection drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within phrases often get unheard. Yet, situated within the pages of **Shared Experience Of Illness** a fascinating literary value sporting with fresh thoughts, lies an exceptional quest waiting to be undertaken. Published by an experienced wordsmith, this marvelous opus attracts visitors on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within the material of each and every word. Within the emotional depths of the emotional review, we shall embark upon a genuine exploration of the book is primary themes, dissect its fascinating publishing design, and fail to the effective resonance it evokes strong within the recesses of readers hearts.
