Shared Experience The Psychoanalytic Dialogue:

Shared Experience Luciana Nissim Momigliano, Andreina Robutti, 1992 This book presents a way to formulate from several points of view Psychoanalysis as an encounter between two persons and highlights the aspects of symmetry and affective exchange of this encounter where analysis is seen as a relationship between two minds In this shared experience the study of the mind of the Analyst and of his method of work grows in importance as the source of benefits and misdirections which can be exchanged in the encounter with the patient In this context the patient has an active role as an attentive and sensitive observer of the Analyst signaling errors and showing the road to be taken This change in the concept of psychoanalysis has evolved through many years from the Analyst acting to open the patient within himself while at the same time struggling against his own resistance to change to a vision of a Couple at Work Psychoanalysis is now a shared experience in which the listening and creating of internal space to the other within the self is the instrument and the journey

Shared Experience Luciana Nissim Momigliano, Andreina Robutti, 1992 This book presents a way to formulate from several points of view Psychoanalysis as an encounter between two persons and highlights the aspects of symmetry and affective exchange of this encounter where analysis is seen as a relationship between two minds In this shared experience the study of the mind of the Analyst and of his method of work grows in importance as the source of benefits and misdirections which can be exchanged in the encounter with the patient

In the Analyst's Consulting Room Antonino Ferro, 2013-12-16 In *The Bi Personal Field Experiences in Child Analysis* Antonino Ferro devised a new model of the relationship between patient and analyst In the Analyst's Consulting Room complements and develops this model by concentrating on adults From the standpoint of the analytic field Antonino Ferro explores basic psychoanalytic concepts such as criteria for analysability and ending the analysis transformations that occur during the session the impasse and negative therapeutic reactions sexuality and setting The author explores certain themes in greater depth including ways in which characters that appear during sessions can be interpreted continual indications given by the patient during the emotional upheavals of the field the function of narrator which the analyst takes on to mark the boundaries of the possible worlds Through clinical narrative Ferro renders Bion's often complex ideas in a very personal and accessible way making this book invaluable for psychoanalysts psychotherapists psychiatrists and psychologists

The Bi-Personal Field Antonino Ferro, 2003-09-02 First translation into English of work by Ferro very distinguished Italian Analyst His work is very original draws on Bion The Barangers to develop his own conceptual system of clinical child analysis There are similarities between his work and popular US schools of analysis such as self psychology relational analysis social construction and intersubjectivism

Continuity and Change in Psychoanalysis Luciana Nissim Momigliano, 2018-11-09 This book reflects certain continuity dealing with the issue of how to be an analyst through the different stages by which the author's psychoanalytic identity develops from candidate to analyst and sometimes on to training analyst in the continually changing

world of our time *The Analytic Field and its Transformations* Giuseppe Civitarese, Antonino Ferro, 2018-05-08 The Analytic Field and its Transformations presents a collection of articles written jointly by the authors in recent years all revolving around the post Bionian model of the analytic field Bionian Field Theory BFT Going hand in hand with the ever growing interest in Bion in general analytic field theory is emerging as a new paradigm in psychoanalysis Bion mounted a systematic deconstruction of the principles of classical psychoanalysis His aim however was not to destroy it but rather to bring out its untapped potential and to develop ideas that have remained on its margins BFT is a field of inquiry that refuses a priori at least from its own specific perspective to immobilize the facts of the analysis within a rigid historical or intrapsychic framework Its intention is rather to bring out the historicity of the present the way in which the relationship is formed instant by instant from a subtle interplay of identity and differentiation proximity and distance embracing both Bion's rigorous and his radical spirit **Reading Italian Psychoanalysis** Franco Borgogno, Alberto Luchetti, Luisa Marino Coe, 2016-02-22

Winner of the American Board Academy of Psychoanalysis Prize for best Edited book published in 2016 Psychoanalysis in Italy is a particularly diverse and vibrant profession embracing a number of influences and schools of thought connecting together new thinking and producing theorists and clinicians of global renown Reading Italian Psychoanalysis provides a comprehensive guide to the most important Italian psychoanalytic thinking of recent years including work by major names such as Weiss E Gaddini Matte Blanco Nissim Momigliano Canestri Amati Mehler and Ferro It covers the most important theoretical developments and clinical advances with special emphasis on contemporary topics such as transference trauma and primitive states of mind where Italian work has been particularly influential In this volume Franco Borgogno Alberto Luchetti and Luisa Marino Coe of the Italian Psychoanalytical Society provide an overview of how Italian psychoanalysis has developed from the 1920s to the present day tracing its early influences and highlighting contemporary developments Forty six seminal and representative papers of psychoanalysts belonging to the two Italian psychoanalytical societies the Italian Psychoanalytical Society and the Italian Association of Psychoanalysis have been chosen to illuminate what is special about Italian theoretical and clinical thinking and what is demonstrative of the specificity of its psychoanalytic discourse The selected papers are preceded by a first introductory section about the history of psychoanalysis in Italy and followed by a swift glance at Italian psychoanalysis from abroad They are grouped into sections which represent the areas particularly explored by Italian psychoanalysis Each section is accompanied by introductory comments which summarize the main ideas and concepts and also their historical and cultural background so as to offer to the reader either an orientation and stimulus for the debate and to indicate their connections to other papers included in the present volume and to the international psychoanalytic world The book is divided into six parts including History of psychoanalysis in Italy Metapsychology Clinical practice theory of technique therapeutic factors The person of the analyst countertransference and the analytic relationship field Trauma psychic pain mourning and working through Preverbal precocious fusional primitive states of the mind This

volume offers an excellent and detailed fresco of Italian psychoanalytic debate shining a light on thinking that has evolved differently in France England North and Latin America It is an ideal book for beginners and advanced students of clinical theory as well as experienced psychoanalysts wanting to know more about Italian psychoanalytic theory and technique and how they have developed

Psychoanalysis as Therapy and Storytelling Antonino Ferro,2012-07-26 Is psychoanalysis a type of literature Can telling stories help us to get at the truth Psychoanalysis as Therapy and Storytelling examines psychoanalysis from two perspectives as a cure for psychic suffering and as a series of stories told between patient and analyst Antonino Ferro uses numerous clinical examples to investigate how narration and interpretation are interconnected in the analytic session He draws on and develops Bion s theories to present a novel perspective on subjects such as psychoanalysis as a particular form of literature sexuality as a narrative genre or dialect in the analyst s consulting room delusion and hallucination acting out the countertransference and the transgenerational field play characters narrations and interpretations Psychoanalytic clinicians and theoreticians alike will find the innovative approach to the analytic session described here of great interest Winner of the 2007 Sigourney Award

The Girl who Committed Hara-Kiri and Other Clinical and Historical Essays Franco Borgogno,2018-03-08 This book bears witness to the author s psychoanalytic journey from the years 1994 1995 to the present and as such is a completion and a continuation of his previous Psychoanalysis as a Journey of 1999 The book is divided into two parts one clinical and the other theoretical The two parts are connected to each other since the concepts and authors on whom the second theoretical clinical part are focused make up the tools of the trade that the author utilizes in the first part to describe his work with patients In particular th author describes his work with M who is the protagonist of many of these pages The first clinical part contains the text more or less unmodified of the analytic paper that the author presented fifteen years ago in order to be appointed a training and supervising analyst

The Intimate Room Giuseppe Civitarese,2020-03-24 The Intimate Room provides an original exploration of psychoanalytic thought showing how contemporary psychoanalysis seeks to answer the challenges raised by today s post modern culture Offering a deeply personal and insightful reading of Bion this book acts as a stimulating guide to the development of the theory of the analytic field and both its technical and clinical implications As such topics of discussion include the concept of the internal setting the rhetoric of interpretation the subversive notion of Nachtr glichkeit the role played by characters in analytic discourse the bi personal field as virtual reality new concepts of transference Allowing the reader to engage with the inner space of analysis The Intimate Room will be of interest to psychoanalysts psychotherapists and all those with an interest in the field of psychoanalysis It will also be a useful tool in psychoanalytic and psychotherapeutic work on a day to day basis

Ending Analysis Gilda De Simone,2018-03-26 This book beyond dealing with the theoretical and technical questions concerning the termination of analysis gives a picture of the particular nature of the psychoanalytic cure in relation to the therapies that have come forth from psychoanalytic roots The theoretical work is supported by rich clinical details

Emotion and Narrative Tilmann Habermas, 2019 The way we tell stories influences how others react to our emotions and impacts how we cope with emotions ourselves

Supervision of Dance Movement Psychotherapy Helen Payne, 2008-08-18 Supervision of Dance Movement Psychotherapy explores the supervisory process in the psychotherapeutic practice of movement and dance International contributors discuss how body language plays an important part in the supervisory experience

Psychoanalysis and Dreams Antonino Ferro, 2019-02-07 Psychoanalysis and Dreams explores some of the cornerstones of Antonino Ferro's theoretical model but also attempts to extend the dreamlike boundaries of the model Based on Bion's theory of alpha function and the analytic field Ferro has developed his own original theorization of transformations in dreams and of work in the analytic session as a waking dream Clearly highlighted in the book is Ferro's theory that transformation in dreams is the activity which is constantly carried out in the mind of the analyst who nullifies the reality status of the patient's communication and considers the patient's narrative as a dream which must be constructed in real time in the encounter between the two minds at work At the centre of Ferro's theoretical proposal stands the transition from a psychoanalysis of contents to a psychoanalysis which develops the apparatus for thinking based on the conception of an unconscious in a perennial state of construction and transformation which must be dreamed and which continuously expands as it is dreamed Psychoanalysis and Dreams is written for practicing and training psychoanalysts psychotherapists and psychiatrists and will be helpful in everyday psychoanalytic and psychotherapeutic work

Seeds of Illness, Seeds of Recovery Antonino Ferro, 2005 This captivating book explores Antonino Ferro's conception of the way the mind works his interpretation of the analytic understanding of psychopathology his reconceptualization of the therapeutic process and implications for analytic technique

Bion's Legacy Harry Karnac, 2019-06-24 This book forms a comprehensive bibliography of the works of W R Bion and the other works that made some bearing of his life and thought It discusses Bion's contribution to various disciplines beyond the psychoanalytic and psychotherapeutic

Truth, Reality and the Psychoanalyst Silvia Flechner, 2018-10-08 Psychoanalysis has long thrived in Latin America Like the rest of the psychoanalytic world our Latin American colleagues are diverse in their thinking but there is nevertheless a distinct cultural voice with which they speak Unfortunately language barriers have interfered with the communication of this unique and highly sophisticated way of thinking to colleagues around the world This stimulating new volume goes a long way to fill this void by presenting a collection of essays that present Latin American psychoanalysis at its best An added treat is the cross cultural dialogue provided by commentators for each chapter from other psychoanalytic cultures I highly recommend this exciting new contribution to both candidates and experienced analysts

Contemporary Bionian Theory and Technique in Psychoanalysis Antonino Ferro, 2017-09-20 Psychoanalytic theory has developed very rapidly in recent years across many schools of thought One of the most popular builds on the work of Wilfred Bion Contemporary Bionian Theory and Technique in Psychoanalysis provides a concise and comprehensive introductory overview of the latest thinking in this area with additional contemporary

theoretical influences from Freud Klein and Winnicottian thought Through explorations of the history theory and clinical practice of psychoanalysis Ferro and contributors reveal the changes and developments it has undergone in the research laboratory of the consulting room Contemporary Bionian Theory and Technique in Psychoanalysis brings together the theories clinical practice and techniques that have gradually been developed in a variety of cultural contexts exploring how they are understood clarified and enriched by various analysts in daily practice The book is circular opening many paths of access to the reader It aims to revive an experience of creative dialogue exactly as occurs in analysis when two minds think and dream together to transform each other reciprocally The book sets forth for instance a new model of the mind called the oneiric model taking inspiration from Bion s conceptualizations and field theory Covering central psychoanalytic concepts such as transference dreams and child analysis this book provides an excellent introduction to the most important contemporary features of Bionian theory and practice Contemporary Bionian Theory and Technique in Psychoanalysis will appeal to ppsychoanalysts and psychotherapists in training and practice as well as students of psychiatry and psychology

Metaphor and Fields S. Montana Katz,2013-01-03 Metaphor and Fields is an explanation and demonstration of the value of metaphoric processes and fields in psychoanalysis In this book Montana Katz articulates a future direction for psychoanalysis which is progressively explored taking into account features essential to psychoanalysts of all persuasions clinically and theoretically In this way psychoanalysis is brought into the postmodern future by fashioning an umbrella for the discipline With this umbrella the barriers to mutual understanding may be dismantled and a path permanently forged to the possibility of meaningful international intercultural interdisciplinary and poly perspectival psychoanalytic exchange Metaphor and Fields organically merges work on metaphoric processes with work on fields The use of a framework with metaphoric processes and fields combined exhibits the uniqueness of psychoanalysis and shows how it explores and explains human experience The relational fields of the North American school of relational theory intersubjective matrices self object matrices and the ground breaking work of Madeleine and Willy Baranger are all examples of field concepts that have been successfully employed in theoretical frameworks and clinical technique They show how other schools of thought can be understood as using an implicit field concept The chapters in this book approach the subject from diverse vantage points Taken together they form an intricate web of psychoanalytic thought that moves the scope of psychoanalysis beyond dispute towards the open inclusive discussion of core concepts and technique Metaphor and Fields will be of interest to psychoanalysts psychiatrists mental health clinicians psychologists social workers and a wide academic audience drawn from the fields of philosophy linguistics comparative literature anthropology and sociology **Cradling the Chrysalis** Mary MacCallum Sullivan,Harriett Goldenberg,2018-05-16 This book addresses the ethical and philosophical basis for the teaching learning involved in becoming a psychotherapist How can training prepare prospective psychotherapists counsellors and counselling psychologists for a task whose practitioners cannot even agree as to whether it is an art or a science an

impersonal clinical interaction or a profoundly humane even spiritual encounter The authors believe they share with their students a passion about the possibilities inherent in this particular kind of conversation Such a meeting demands a fully personal engagement and a profoundly ethical attitude towards the relationship with the Other it is also potentially an important beginning in repairing the world The book explores the relative importance and emphasis of the structure content and process of psychotherapy training Its thesis is that the teaching learning takes place in the quality of the reciprocal meeting between the teacher and the learner

The Top Books of the Year Shared Experience The Psychoanalytic Dialogue The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Shared Experience The Psychoanalytic Dialogue : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Shared Experience The Psychoanalytic Dialogue : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
