## **Sharing Hanukkah:**

Sharing Hanukkah Janet McDonnell, 1993-07 These beautifully illustrated multicultural books teach children about the holidays and why we celebrate them Each book includes songs poems crafts and recipes      **Beyond Chrismukkah** Samira K. Mehta, 2018-03-13 The rate of interfaith marriage in the United States has risen so radically since the sixties that it is difficult to recall how taboo the practice once was How is this development understood and regarded by Americans generally and what does it tell us about the nation's religious life Drawing on ethnographic and historical sources Samira K Mehta provides a fascinating analysis of wives husbands children and their extended families in interfaith homes religious leaders and the social and cultural milieu surrounding mixed marriages among Jews Catholics and Protestants Mehta's eye opening look at the portrayal of interfaith families across American culture since the mid twentieth century ranges from popular TV shows holiday cards and humorous guides to Chrismukkah to children's books young adult fiction and religious and secular advice manuals Mehta argues that the emergence of multiculturalism helped generate new terms by which interfaith families felt empowered to shape their lived religious practices in ways and degrees previously unknown They began to intertwine their religious identities without compromising their social standing This rich portrait of families living diverse religions together at home advances the understanding of how religion functions in American society today      The Incomplete

Church Sid Roth, 2007-07-28 Christianity today is very different from the original To experience the original the miracles healings power and intimacy with God we have to examine our Jewish roots For 2 000 years there has been a separation between Judaism and Christianity resulting in a lack of miracle power and intimacy with God The Incomplete Church explores what was stolen by the deceiver in both religions and reveals what will happen when the truth in both converges
