Sharing The Gospel With Iranians:

Sharing the Gospel with Iranians Don M. McCurry,1982 **American Missionaries in Iran during the 1960s and 1970s** Philip O. Hopkins,2020-09-22 This work explores the interaction of American Protestant missionaries with Iranians during the 1960s and 1970s It focuses on the missionary activities of four American Protestant groups Presbyterians Assemblies of God International Missions and Southern Baptists It argues that American missionaries predisposition toward their own culture confused their message of the gospel and added to the negative perception of Christianity among Iranians This bias was seen primarily in the American missionaries desire to modernize Iran through education and healthcare and between the missionaries relationship with Iranian Christians Iranian attitudes towards missionary involvement in these areas are investigated as is the changing American missionary strategy from a traditional method where missionaries had the final say on most matters related to American and Iranian Christian interaction to the beginnings of an indigenous system where a partnership developed between the missionary and the Iranian Christian *Iran's Great Awakening* Hormoz Shariat,2020-09-11 ONE MILLION MUSLIMS TO CHRIST In the mid 1980 s Dr Shariat together with his wife prayed Lord use us to save Iran His passion for Muslims stems in part because of the murder of his brother Hamraz who was arrested in Iran at the age of sixteen on a minor political charge After two years in jail he was executed by firing squad God showed Hormoz the best way to respond to this tragedy was to dedicate his life to bring one million Muslims to salvation in Christ Join Dr Shariat on a journey out of bondage to Islam to freedom in Christ Learn what the Bible says about Iran and why Iran is just the beginning of something big eternal and of historical proportion that is already happening God said I am going to do a great work in Iran and change that nation forever and I am giving you the honor to be a part of it Reaching the World in Our Own Backyard Rajendra Pillai,2010-05-19 Reaching the World in Our Own Backyard is designed as a guidebook for Christians to better understand and engage people from other countries including immigrants foreign exchange students and tourists By both region and religion author Rajendra K Pillai explains cultural considerations and common points of reference to readers eager to share the good news of Jesus Christ with foreign born individuals Between 1990 and 2000 Islam Buddhism and Hinduism along with many other religions grew at a record pace due heavily to immigration and conversion During this same period of time the number of people who call themselves Christians dropped by 9 percent Meanwhile 98 percent of churches experienced non growth or declines in attendance *Iran and Christianity* Mark Bradley,2011-10-27 In this enlightening study Mark Bradley looks at the growing underground church in Iran Given the hostility of the regime it is often assumed that Christianity is withering in Iran but in fact more Iranian Muslims have become Christians in the last 25 years than since the seventh century when Islam first came to Iran Beginning with an in depth look at the historical identity of Iran religiously culturally and politically Bradley shows how this identity makes Iranians inclined towards Christianity He goes on to look at the impact of the 1979 revolution an event which has brought war economic chaos and totalitarianism to

Iran and its implications for Iranian faith The study concludes with an analysis of church growth since 1979 and an examination of the emerging underground church This is a fascinating work guaranteed to improve any reader's knowledge of not only Iranian faith and church growth but of Iranian culture and history as a whole thanks to the thorough treatment given to the country's background

The Mandaean--Baptizers of Iraq and Iran Karen Baker, 2017-09-28 The secrets of a complex belief system that have sustained the Mandaeans in their centuries old native lands in Iraq and Iran have been collapsing before their eyes This little known Gnostic sect has been hidden from global awareness until now With a passion for the obscure Karen Baker has delved into this secret sect exploring the effects of the turmoil they have faced in their homeland and are now facing in Diaspora The Iraqi and Iranian Mandaeans have fled their homes with nothing more than the clothing on their backs being thrust into the status of refugees watching their traditions and cultures crumble as they encounter new lands and new cultures This book discusses the potential receptivity of Mandaeans to Christianity through several perspectives including an evaluation of their relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism Christianity and Islam It will be of interest to those interested in little known cultures from a historical and religious perspective those involved with refugees and immigrants and those who desire to understand the foundational beliefs of Mandaism

Iran's Great Invasion and Why It's Next in Bible Prophecy Mark Davidson, 2017-02-24 What would you do What if you stumbled across a message a simple interpretation of scripture much simpler than scholars had been telling us and it opened your eyes and completely transformed your perspective of the end times What if you knew in your heart and mind it was true because news coming from the Middle East confirmed this message every day What if millions of lives were about to be deeply affected and someone had to say something And what if that someone had to be you What would you do If you want to know the truth regarding present day events in the Middle East and how they will affect you and your family you need to get this book A major fire has been lit and few are paying attention Dr Sonny Payne founder of New Gate Ministries and host of the international television program Jerusalem Chronicles What Mark has done is create a very quick read for those Christians who can feel something coming but can't put their finger on it who know that God is in control but in a world spiraling into chaos don't know where to go scripturally Chris Mantei Northeast Region Community Voice Voice of the Martyrs The

Shapiro,2015-10-12 Christian Zionism has received no small amount of criticism from observers who take issue with the movement s pro Israel politics or

its theology What if we listened seriously to what Christian Zionists and Jewish partners said about Jews Judaism and Israel Christian Zionism is a vibrant contemporary movement that agree or disagree has more than just political implications Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue in houses of worship community centers rallies and of course in Israel As such Christian Zionism is a useful case that allows us to think about contemporary Jewish Christian relations in new ways While some would argue that this is really just about pro Israel alliance building Christian Zionism Navigating the Jewish Christian Border shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity Christian Zionism serves as one chapter in the history of two religious communities and the fraught relationships between them facing together the globalized world of the twenty first century

The Forgotten Manifesto of Jesus Phil Moore, 2024-11-21 Something remarkable is happening across the Middle East A counter cultural gospel movement is growing disciples of Jesus deep within the heartland of Islam Starting in Iran a radical form of evangelism and discipleship predominantly led by brand new believers has begun to spread across Muslim majority nations Author Phil Moore shares the first hand stories of these courageous Middle Eastern Christians and compares them to the words of Jesus to his seventy two disciples in Luke 10 The striking similarities between their experiences show how this spectacular move of God relies on the same instruction and Spirit as the first followers of Jesus And it does not stop there Phil goes on to share how this gospel movement is now spreading across Europe and North America If you long to see new believers coming to faith in the secular post Christian West too then let the testimonies in **The Forgotten Manifesto of Jesus** show you that with God all things are possible
