

Sharing Parenthood

H Kauffman

Sharing Parenthood:

Sharing Child Care in Early Parenthood Malcolm Hill, 2023-02-13 Originally published in 1987 Malcolm Hill examines the different ways in which parents share responsibility for looking after their pre school children with other people whether members of their social networks formal groups or paid carers He also looks at the reasons parents give for choosing and changing their particular arrangements In this way he provides insights into a range of ideas which ordinary members of the public have about children s needs the rights and responsibilities of mothers and fathers and how children think and feel Marked differences are described in the social relationships of families and in notions about who is acceptable as a substitute carer for children in what circumstances and for what purpose Several of these contrasts are linked to attitudes and life conditions which are affected by social class The book identifies possible consequences for individual children s social adaptability resulting from these patterns of care It suggests that people working with the under fives could profit from adapting their activities and services to children s previous experiences of shared care and families differing expectations about groups for children

Sharing Parenthood After Divorce Ciji Ware, 1982

Shared Parenting: Beyond the Great Divide Frank Leek, 2012-06 It is a challenge for parents to raise children in one home even when everyone is getting along After a divorce when all the mediators attorneys evaluators and judges have moved on to other families parents are left with the most difficult task of all moving past their own conflicts and learning to raise their child in two homes Divorced parents often begin with the best of intentions seeking to protect their children from hurt even so they often feel overwhelmed with the seemingly complex array of tasks and decisions that must be made after the dissolution of a marriage Dr Frank Leek is an experienced clinical and forensic psychologist Now retired who relies on his years of experience working with divorcing and divorced parents to offer parents twenty essential co parenting tasks that encourage joint decisions conflict reduction and a focus on the well being of children While guiding parents through a process that often tests emotion and patience Leek shares practical advice that helps parents effectively deal with the initial transition and the often complicated issues that follow The insight offered in *Shared Parenting Beyond the Great Divide* leads divorcing parents on a healing journey where they learn to communicate effectively share parenting responsibilities and find workable systems that encourage a peaceful future for everyone

The Routledge International Handbook of Shared Parenting and Best Interest of the Child José Manuel de Torres Perea, Edward Kruk, Margarita Ortiz-Tallo, 2021-05-26 This multidisciplinary volume offers an essential comprehensive study of perspectives on the scope and application of the best interests of the child and focuses mainly on its application in relation to child custody With expert contributions from psychological sociological and legal perspectives it offers scientific analysis and debate on whether it should be the primary consideration in deciding child custody cases in cases of divorce or separation or whether it should be one of several primary considerations It explores complex dilemmas inherent in shared parenting and whether the advantages it offers children are sufficient when compared

to attributing custody to one parent and limiting visitation rights of the other Offering a comprehensive analysis of this complex topic chapters provide detailed insight into the current state of research in this area as well as expert guidelines aimed at resolving the controversies when parents agree or disagree over their children s living arrangements Cutting edge topics explored include transnational shared parenting alternative dispute resolution breastfeeding parents religious disputes between parents and the psychological social and economic factors that affect shared parenting The Routledge International Handbook of Shared Parenting and Best Interest of the Child will be essential reading for scholars and graduate students in law psychology sociology and economics interested in shared parenting and family law **Lone Parenthood in the Life**

Course Laura Bernardi,Dimitri Mortelmans,2017-11-08 Lone parenthood is an increasing reality in the 21st century reinforced by the diffusion of divorce and separation This volume provides a comprehensive portrait of lone parenthood at the beginning of the XXI century from a life course perspective The contributions included in this volume examine the dynamics of lone parenthood in the life course and explore the trajectories of lone parents in terms of income poverty labour market behaviour wellbeing and health Throughout comparative analyses of data from countries as France the United Kingdom Ireland Germany Belgium Sweden Switzerland Hungary and Australia help portray how lone parenthood varies between regions cultures generations and institutional settings The findings show that one parent households are inhabited by a rather heterogeneous world of mothers and fathers facing different challenges Readers will not only discover the demographics and diversity of lone parents but also the variety of social representations and discourses about the changing phenomenon of lone parenthood The book provides a mixture of qualitative and quantitative studies on lone parenthood Using large scale and longitudinal panel and register data the reader will gain insight in complex processes across time More qualitative case studies on the other hand discuss the definition of lone parenthood the public debate around it and the social and subjective representations of lone parents themselves This book aims at sociologists demographers psychologists political scientists family therapists and policy makers who want to gain new insights into one of the most striking changes in family forms over the last 50 years This book is open access under a CC BY License *Equally Shared Parenting* Marc Vachon,Amy Vachon,2010-01-05 This Is Parenting on Your Own Terms Chances are you d rather not forfeit your happy rested life the moment you become a parent As a mom you may want to keep your career but aren t sure how to balance it with housework and childcare As a dad you probably want to witness your child s milestones but a demanding job may get in the way And what about time for yourself never mind your sex life Marc and Amy Vachon were determined to beat this scenario when their first child was born They vowed to sidestep the world s expectations of new parents and create a parenthood model that worked for them Their strategy was to share everything the good and the bad They became peers in each area of parenthood childcare housework and breadwinning They also made time for themselves and for each other They shared the burdens so nobody was overwhelmed and the joys so neither missed out on the fun Drawing on Marc and Amy s experiences

as well as those of dozens of ESP couples Equally Shared Parenting shows you how to create a balanced life that is rarely experienced by today's parents It's not just about who vacuums and who does the dishes or who brings in the paycheck and who tends to the kids You'll learn how to look at every aspect of parenthood money careers and your individual needs so you can build a life that works for you both

Reunification Family Therapy Jan Faust, 2017-12-20 A unique evidence based treatment manual for repairing parent child relationships Childhood problems are often related to and worsened by the disintegration of the family structure whether through parental separation and divorce military service or incarceration Reunification therapy is a therapeutic process incorporating different empirically based methods CBT humanistic and systemic to help repair relationships between parents and children and restore not only physical contact but also meaningful social emotional and interpersonal exchanges between parents and children This unique manual bringing together the vast experience of the author outlines the many situations numerous families currently face and why the need for reunification therapy exists The therapist works firstly with the individual family members and then with all the family in conjoint sessions The manual expertly guides clinicians through pretreatment decisions and processes to enable them to decide where when and in what form reunification therapy is appropriate taking into account ethical legal and special family issues Detailed chapters outline the structure and issues for the individual and conjoint sessions as well as a step by step treatment plan template Additional tools in the Appendix enable clinicians to monitor and effectuate change

Reshaping Fatherhood Anna Dienhart, 1998-05-27 Current research on fatherhood often focuses on minimal changes men have made in their participation in family life Anna Dienhart argues that men have indeed made significant changes to their family roles but those changes are often masked in existing discourses on fatherhood In *Reshaping Fatherhood* Dienhart's qualitative study of 18 shared parenting couples explores both men's and women's resourcefulness and shows how these couples have deliberately co created alternatives to traditional parenting roles Using these narrative accounts Dienhart offers several options for creating a family structure that allows both mothers and fathers to participate actively in parenting Dienhart emphasizes that tag team parenting a common technique that couples use to juggle the responsibilities of a hectic family life relies on both the interchangeability of parental tasks as well as the specialization by preference Dienhart compares shared parenting to a dance that demands continuous revision of the perceptions and activities of fatherhood and motherhood She challenges family researchers to move beyond deficit and comparative model perspectives about the complexities of gendered family life as she offers alternative ideas about division of labor patterns men's relational capabilities in child care the preeminence of men's provider role and traditional notions about gender and politics in families This timely book is ideal for professionals and students in family studies sociology of the family family psychology and gender studies

Family Law Rob George, Joanna Miles, Sharon Thompson, 2023-07-13 An unrivalled collection placing key judgments and expert commentary at your fingertips *Family Law Text Cases and Materials* presents everything the undergraduate student needs in one volume

The e-book offers a mobile experience and convenient access along with functionality, tools, navigation features and links that offer extra learning support. www.oxfordtextbooks.co.uk/ebooks. The online resources that support the book include regular updates on the law, further reading suggestions and questions for students to consider.

Mothers Across Generations: Examining Evolving Roles in Different Family Dynamics Loren Wagner, Delving into the intricate dynamics of modern families, *Mothers Across Generations* explores the shifting roles and responsibilities of mothers in diverse family structures. From multigenerational households to families with adult children living at home, this thought-provoking book offers insights into the challenges and joys faced by mothers in these differing contexts. Through a combination of real-life stories, expert interviews and comprehensive research, readers will gain a deeper understanding of the complex evolution of motherhood. With a keen focus on the ways in which societal norms and expectations have influenced the role of mothers, the book examines the cultural and historical factors shaping family dynamics. Readers will discover how mothers navigate the delicate balance of traditional and modern expectations and how they find strength in the face of changing family dynamics. The book also delves into the emotional labor involved in caregiving and the ways in which mothers provide support and nurture not only their immediate family but also future generations. As the roles of mothers continue to evolve, *Mothers Across Generations* sheds light on the ways in which mothers adapt and thrive in diverse family structures. The book acknowledges the unique challenges faced by mothers in multigenerational families and families with adult children while also celebrating the resilience and resourcefulness of mothers in these contexts. Through a nuanced exploration of motherhood, this book offers valuable insights for women navigating the complexities of family life.

Resources in Education ,1981 How Qualitative Data Analysis Happens Áine M Humble,M. Elise Radina,2024-08-12 How Qualitative Data Analysis Happens Moving Beyond Themes Emerged offers an in depth look into how qualitative social science researchers studying a wide range of human experiences and dynamics approach their data analyses This expanded

edition consists of 13 new chapters from a broad range of disciplines and an added conclusion that document the stories about how qualitative data analysis occurred. Chapters for this expanded edition represent a diversity of disciplines e.g. criminology, family science, education, health, nutrition, sociology, sport psychology that focus on the human experience and describe a diversity of methodological approaches. These chapters may be used to introduce readers to newer or innovative ways of analysing data. It moves beyond the usual vague statement of themes emerged from the data to show readers how researchers actively and consciously arrive at their themes and conclusions revealing the complexity and time involved in making sense of thousands of pages of interview data, multiple data sources and diverse types of data. The various authors provide detailed narratives into how they analysed their data from previous publications. The methodologies range from arts based research, autoethnography, community based participatory research, ethnography, grounded theory to narrative analysis. The volume allows readers to be seemingly in the room with these international scholars representing Canada, the US, Austria, Germany, the UK and the Philippines and getting their own hands vicariously dirty with the data. This expanded edition also includes a conclusion chapter in which the authors reflect on commonalities across the chapters. Supplemental figures, images and screenshots which are referred to in the chapters are included in an accompanying eResource that can be accessed at www.routledge.com/9781032183213 as well as links to the previously published work on which the chapters are based. This book is an invaluable resource for experienced and novice qualitative researchers throughout the social sciences as well as undergraduate and postgraduate students in the field.

Whether you're a first time dad or adding to your family, Dad 101 is your essential companion for the rewarding adventure of fatherhood.

Family Law and the Indissolubility of Parenthood Patrick Parkinson, 2011-02-21 There are few areas of public policy in the Western world where there is as much turbulence as in family law. Often the disputes are seen in terms of an endless war between the genders. Reviewing developments over the last 30 years in North America, Europe and Australasia, Patrick Parkinson argues that rather than just being about gender, the conflicts in family law derive from the breakdown of the model on which divorce reform was predicated in the late 1960s and early 1970s. Experience has shown that although marriage may be freely dissoluble, parenthood is not. Dealing with the most difficult issues in family law, this book charts a path for law reform that recognizes that the family endures despite the separation of parents while allowing room for people to make a fresh start and prioritizing the safety of all concerned when making decisions about parenting after separation.

Family Man Scott Coltrane, 1996-03-28 The typical American family has changed dramatically since the days of Ozzie and Harriet.

and Father Knows Best Double income families are now the rule and fathers are much more involved in raising the children and cleaning house Reactions to these changes have been diverse ranging from grave misgivings to a sense of liberation and new possibility Groups as diverse as Promise Keepers the Million Man March and Robert Bly's mythopoetic men's movement tell us that fathers are important From the fundamentalist right to the feminist left opinions about the changing nature of the family and the consequent rethinking of gender roles have been vehement if not always very well founded In *Family Man* sociologist Scott Coltrane brings a wealth of compelling evidence to this debate over the American family Drawing on his own extensive research and many fascinating interviews Coltrane explodes many of the common myths about shared parenting provides first hand accounts of men's and women's feelings in two job families and reveals some innovative solutions that couples have developed to balance job and family commitments Readers will find an insightful discussion of precisely how and why family life has changed what forms it may take in the future and what new kinds of fathers may be on the horizon The author firmly places these questions within a broad contextual framework He provides for instance an illuminating history of the family that shows that far from being a fixed structure the family has always adapted to changing economic social and ideological pressures And by examining how families operate in a variety of non industrial societies he demonstrates that our own notions of gender specific work and parenting roles are culturally rather than biologically determined and thus inherently flexible And indeed these roles are changing While contemporary American women still perform the bulk of domestic tasks *Family Man* gives us decisive evidence that men are becoming increasingly involved in both housework and childrearing Coltrane argues convincingly that this trend will continue Given the current economic situation with two job households now the norm and the gradual ideological shift away from restrictive gender roles more and more couples will find it both necessary and desirable to share the workload More important Coltrane suggests that as fathers participate more fully in raising their children and performing traditionally female household tasks men will themselves be transformed by the experience in profoundly positive ways and American society as a whole will move closer to true gender equity *Family Man* succeeds brilliantly in bringing clarity perspective and above all hope to a discussion that is too often shrill chaotic and beset with the rhetoric of nostalgia It shows us not only exactly where the family is today but where it has been and what it may become

This book delves into Sharing Parenthood. Sharing Parenthood is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Sharing Parenthood, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Sharing Parenthood
- Chapter 2: Essential Elements of Sharing Parenthood
- Chapter 3: Sharing Parenthood in Everyday Life
- Chapter 4: Sharing Parenthood in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Sharing Parenthood. This chapter will explore what Sharing Parenthood is, why Sharing Parenthood is vital, and how to effectively learn about Sharing Parenthood.
3. In chapter 2, this book will delve into the foundational concepts of Sharing Parenthood. This chapter will elucidate the essential principles that need to be understood to grasp Sharing Parenthood in its entirety.
4. In chapter 3, this book will examine the practical applications of Sharing Parenthood in daily life. The third chapter will showcase real-world examples of how Sharing Parenthood can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Sharing Parenthood in specific contexts. The fourth chapter will explore how Sharing Parenthood is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Sharing Parenthood. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Sharing Parenthood.

Sharing Parenthood Introduction

In today's digital age, the availability of Sharing Parenthood books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sharing Parenthood books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sharing Parenthood books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sharing Parenthood versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sharing Parenthood books and manuals for download are incredibly convenient. With just a

computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sharing Parenthood books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sharing Parenthood books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sharing Parenthood books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sharing Parenthood books and manuals for download and embark on your journey of knowledge?

FAQs About Sharing Parenthood Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sharing Parenthood is one of the best book in our library for free trial. We provide copy of Sharing Parenthood in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sharing Parenthood. Where to download Sharing Parenthood online for free? Are you looking for Sharing Parenthood PDF? This is definitely going to save you time and cash in something you should think about.
