Sharkeys Kid A Memoir:

Sharkey's Kid Leroy Ostransky,1991 Set in the colorful 1920s against the background of his father Sharkey's saloon Ostransky paints a vivid picture of life in a quasi religious family stuck between its Orthodox relatives and its flashy mostly Gentile patrons A gritty remembrance of Manhattan's Lower East Side during Prohibition **Sharkey's Kids** Leroy Ostransky,1993-07-01 *Bootleg* Karen Blumenthal,2011-05-24 It began with the best of intentions Worried about the effects of alcohol on American families mothers and civic leaders started a movement to outlaw drinking in public places Over time their protests petitions and activism paid off when a Constitutional Amendment banning the sale and consumption of alcohol was ratified it was hailed as the end of public drunkenness alcoholism and a host of other social ills related to booze Instead it began a decade of lawlessness when children smuggled and drank illegal alcohol the most upright citizens casually broke the law and a host of notorious gangsters entered the public eye Filled with period art and photographs anecdotes and portraits of unique characters from the era this fascinating book looks at the rise and fall of the disastrous social experiment known as Prohibition *Bootleg* is a 2011 Kirkus Best Teen Books of the Year title One of School Library Journal's Best Nonfiction Books of 2011 YALSA Excellence in Nonfiction Finalist in 2012 **Borrowings in Informal American English** Małgorzata Kowalczyk,2023-09-14 What do bimbo glitch savvy and shtick all have in common They are all expressions used in informal American English that have been taken from other languages This pioneering book provides a comprehensive description of borrowings in informal American English based on a large database of citations from thousands of contemporary sources including the press film and TV It presents the United States as a linguistic melting pot with words from a diverse range of languages now frequently appearing in the lexicon It examines these borrowings from various perspectives including discussions of terms donors types changes functions and themes It also features an alphabetical glossary of 1 200 representative expressions defined and illustrated by 5 500 usage examples providing an insightful and practical resource for readers Combining scholarship with readability this book is a fascinating storehouse of information for students and researchers in linguistics as well as anyone interested in lexical variation in contemporary English **Another Bullshit Night in Suck City: A Memoir** Nick Flynn,2010-11-01 The 20th anniversary edition of a remarkable feat a clear eyed inventive and astonishingly honest guided tour of hell Elissa Schappell Vanity Fair Nick Flynn met his father when he was working as a caseworker in a homeless shelter in Boston *Another Bullshit Night in Suck City* tells the story of the trajectory that led Nick and his father onto the streets into that shelter and finally to each other The 20th anniversary edition which features a foreword by Andre Dubus III will introduce this modern classic to a new generation of readers Jim Kobak's Kirkus Reviews ,1991 **The publishers weekly** ,1991 The Memoirs of an Amnesiac Oscar Levant,1965 A world class pianist composer television and film personality Levant seemed to know everyone who was anyone His career took him from the concert hall to Broadway and Hollywood to radio and television to drug addiction and the psychiatric ward

of Mt Sinai hospital Through a collection of anecdotal vignettes Levant offers the reader a roller coaster ride through the ups and downs of an often troubled often brilliant artist and critic of the human condition let loose on the uneasy ground where art and commerce overlap Autobiography Memoir The New York Times Book Review ,1991-07 The Memoirs of a Young Bastard Tim Burstall,2012 Tim Burstall the celebrated director of Stork Alvin Purple and numerous other definitive ocker comedies is credited with shaking the moribund Australian film industry out of its torpor But long before that in the early 1950s he began keeping a diary to record the world of the group of arties and intellectuals he was living among in Eltham then a rural area outside Melbourne where cheap land was available for mudbrick houses and studios and where suburban rigidities could be mercilessly flouted Burstall was in his mid twenties with two young sons and an open marriage with his wife Betty Eager to become a writer to go against the grain he kept a record almost daily of the parties and the talk in pubs and studios about art and politics and sex of Communist Party branch meetings and film societies of political rallies and the first Herald Outdoor Art Show Somehow while holding down a public relations job in the Antarctic Division and juggling his love affairs and obsession with the beautiful brainy Fay he wrote 500 words almost every day Betty according to the diaries kept the show on the road feeding friends after the pub milking goats and working in her pottery making bowls and mugs which Tim sometimes decorated at weekends These Memoirs of a Young Bastard as Burstall dubbed himself and them are among the most evocative Australian diaries of modern times Burstall can write He has an eye for the telling detail an unerring ear for cant and pomposity and most endearingly an ability to mock himself always from the perspective of a bloke of his generation *So Much, So Fast, So Little Time* Michael St. Clair,2011-08-09 This book examines the extraordinary changes that technology brings and how these affect all of us and our families at home at school and at our work places with profound consequences for society Twenty first century technology opens up fabulous opportunities but also changes how we relate to each other and warps our sense of time reality duty and privacy Technologies and time saving devices make everything happen faster with the result that we feel busier than ever before Free time seems in danger of extinction *So Much So Fast So Little Time Coming to Terms with Rapid Change and Its Consequences* provides fascinating insights about how our changing world is changing our families and our personal relationships how we travel behave as consumers and communicate and how we entertain ourselves and deal with our anxieties Written in a popular accessible style this book describes seven areas of significant societal change providing concrete examples and engaging stories to illustrate how drastically our right now mindset has shifted our perception and experience of the world In the last chapter the author makes some practical suggestions on how to take thoughtful action to respond to the onslaught of inevitable change *The Cumulative Book Index* ,1991 A world list of books in the English language **Books in Print** ,1977 *The Sundance Kid* Lawrence J. Quirk,William Schoell,2006 Documents the career and contributions of the popular film actor and director describing his breakout performance in Butch Cassidy and the Sundance Kid his activist role in support of

endangered species conservation and his relationships with Hollywood contemporaries **Pinky** Wesley Hall,2005-02 **Pinky** A Memoir of WWII is the first of four volumes about a young man who couldn't wait to join the U S Navy and go to the Pacific In this volume T J Thiggen is sixteen when Japan bombed Pearl Harbor He agrees with his mother to complete the school year 1942 1943 if she will sign his enlistment papers He goes through boot camp at Farragut Idaho and is transferred to Shoemaker California to await orders to ship overseas On his eighteenth birthday he boards the SS Eugene Skinner for the South Pacific and after 23 days he arrived in New Caledonia There he attends a Fleet Radio School works for a time at the COMSOPAC Service Squadron and after almost a year on this island he finally gets a transfer to a wooden subchaser which is headed north into the War Zone There are five subchasers in Noumea Harbor being converted to LCC's landing craft communications and because they each have a Walt Disney cartoon character painted on their bridges they are nicknamed MacArthur's Donald Duck Navy This part of the story about five wooden subchasers ends just as T J becomes the second radio on the USS SC 995 **The New York Times Index** ,1993 *The Publishers' Trade List Annual* ,1995 **Growing up with God and Empire** Stephanie Vandrick,2018-12-07 This book analyzes the memoirs of 42 missionary kids the children of North American Protestant missionaries in countries all over the world during the 20th century Using a postcolonial lens the book explores ways in which the missionary enterprise was part of or intersected with the Western colonial enterprise and ways in which a colonial mindset is unconsciously manifested in these memoirs The book explores how the memoirists sites and experiences are exoticized the missionary kids likelihood of learning or not learning local languages the missionary families treatment of servants and other local people and gender race and social class aspects of the missionary kids experiences Like other Third Culture Kids the memoirists are migrants travelers border crossers and border dwellers who alternate between insider and outsider statuses and their words shed light on the effects of movement and travel on children's lives and development *Media Warfare* Melvin J. Lasky,2011-12-31 *Media Warfare* is the concluding volume of Melvin Lasky's monumental *The Language of Journalism* a series that has been praised as a brilliant and original study in communications and contemporary language Firmly rooted in the critical tradition of H L Mencken George Orwell and Karl Kraus Lasky's incisive analysis of journalistic usage and misuse gauges both the cultural and political health of contemporary society as well the declining standards of contemporary journalism As in the first two volumes Lasky's scope is cross cultural with special emphasis on the sometimes conflicting sometimes mutually influential styles of American and British journalistic practice His approach to changes in media content and style is closely keyed to changes in society at large *Media Warfare* pays particular attention to the gradual easing and near disappearance of censorship rules in the 1960s and after and the attendant effects on electronic and print media In lively and irreverent prose Lasky anatomizes the dilemmas posed by the entrance of formerly unmentionable subjects into daily journalistic discourse whether for reasons of profit or accurate reporting He details the pervasive and often indirect influence of the worlds of fashion and advertising on

journalism with their imperatives of sensationalism and novelty and by contrast how the freeing of language and subject matter in literature the novels of Joyce and Lawrence the poetry of Philip Larkin have affected permissible expression for good or ill Lasky also relates this interaction of high and low style to the spread of American urban slang often with Yiddish roots and sometimes the occasion of anti Semitic reaction into the common parlance of British no less than American journalists Media Warfare concludes with prescriptive thoughts on how journalism might still be revitalized in a post profane culture Witty timely and deeply learned the three volumes of The Language of Journalism are a crowning achievement to a distinguished career
