## **Sharpstown Revisited:**

**Bob Bullock** Dave McNeely, Jim Henderson, 2012-09-21 Renowned for his fierce devotion to the people of Texas as well as his equally fierce rages and unpredictable temper Bob Bullock was the most powerful political figure in Texas at the end of the twentieth century First elected to the Texas House of Representatives in 1956 Bullock held several key statewide posts before capturing the lieutenant governor's office in 1990 Though nominally the state's number two official Bullock in fact became Texas's top power broker wielding tremendous influence over the legislative agenda and state budget through the 1990s while also mentoring and supporting a future president George W Bush In this lively yet thoroughly researched biography award winning journalists Dave McNeely and Jim Henderson craft a well rounded portrait of Bob Bullock underscoring both his political adroitness and his personal demons They trace Bullock's rise through state government as Assistant Attorney General Secretary of State State Comptroller and Lieutenant Governor showing how he increased the power of every office he held The authors spotlight Bullock's substantial achievements which included hiring an unprecedented number of women and minorities instituting a performance review to increase the efficiency of state agencies restructuring the public school funding system and creating the state's first water conservation and management plan

*Sharpstown Revisited* Mickey Herskowitz, 1994-01-01 Describes the life and career of the Houston banker and real estate developer

**Redefining the Immigrant South** Uzma Quraishi, 2020-03-25 In the early years of the Cold War the United States mounted expansive public diplomacy programs in the Global South including initiatives with the recently partitioned states of India and Pakistan U S operations in these two countries became the second and fourth largest in the world creating migration links that resulted in the emergence of American universities such as the University of Houston as immigration hubs for the highly selective student led South Asian migration stream starting in the 1950s By the late twentieth century Houston's South Asian community had become one of the most prosperous in the metropolitan area and one of the largest in the country Mining archives and using new oral histories Uzma Quraishi traces this pioneering community from its midcentury roots to the early twenty first century arguing that South Asian immigrants appealed to class conformity and endorsed the model minority myth to navigate the complexities of a shifting Sunbelt South By examining Indian and Pakistani immigration to a major city transitioning out of Jim Crow Quraishi reframes our understanding of twentieth century migration the changing character of the South and the tangled politics of race class and ethnicity in the United States

**The House Will Come To Order** Patrick L. Cox, Michael Phillips, 2010-02-22 In a state assumed to have a constitutionally weak governor the Speaker of the Texas House wields enormous power with the ability to almost single handedly dictate the legislative agenda The House Will Come to Order charts the evolution of the Speaker's role from a relatively obscure office to one of the most powerful in the state This fascinating account drawn from the Briscoe Center's oral history project on the former Speakers is the story of transition modernization and power struggles Weaving a

compelling story of scandal service and opportunity Patrick Cox and Michael Phillips describe the divisions within the traditional Democratic Party the ascendance of Republicans and how Texas business agriculture and media shaped perceptions of officeholders While the governor and lieutenant governor wielded their power the authors show how the modern Texas House Speaker built an office of equal power as the state became more complex and diverse The authors also explore how race class and gender affected this transition as they explain the importance of the office in Texas and the impact the state s Speakers have had on national politics At the apex of its power the Texas House Speaker s role at last receives the critical consideration it deserves

**Eckhardt** Gary Keith,2007-12-01 Renowned for his brilliant legislative mind and political oratory as well as for bicycling to Congress in a rumpled white linen suit and bow tie U S Congressman Bob Eckhardt was a force to reckon with in Texas and national politics from the 1940s until 1980 A liberal Democrat who successfully championed progressive causes from workers rights to consumer protection to environmental preservation and energy conservation Eckhardt won the respect of opponents as well as allies Columnist Jack Anderson praised him as one of the most effective members of Congress where Eckhardt was a national leader and mentor to younger congressmen such as Al Gore In this biography of Robert Christian Eckhardt 1913 2001 Gary A Keith tells the story of Eckhardt s colorful life and career within the context of the changing political landscape of Texas and the rise of the New Right and the two party state He begins with Eckhardt s German American family heritage and then traces his progression from labor lawyer political organizer and cofounder of the progressive Texas Observer magazine to Texas state legislator and U S congressman Keith describes many of Eckhardt s legislative battles and victories including the passage of the Open Beaches Act and the creation of the Big Thicket National Preserve the struggle to limit presidential war making ability through the War Powers Act and the hard fight to shape President Carter s energy policy as well as Eckhardt s work in Texas to tax the oil and gas industry The only thorough recounting of the life of a memorable important and flamboyant man Eckhardt also recalls the last great era of progressive politics in the twentieth century and the key players who strove to make Texas and the United States a more just inclusive society

*Texas* Rupert N. Richardson,Cary D. Wintz,Angela Boswell,Adrian Anderson,Ernest Wallace,2021-05-31 Now in its 11th edition *Texas The Lone Star State* offers a balanced scholarly overview of the second largest state in the United States spanning from prehistory to the twenty first century Organized chronologically this comprehensive survey introduces undergraduates to the varied history of Texas with an accessible narrative and over 100 illustrations and maps This new edition broadens the discussion of postwar social and political dynamics within the state including the development of key industries and changing demographics Other new features include New maps reflecting county by county results for the most recent presidential elections Expanded discussions on immigration and border security The effects of the COVID 19 pandemic in Texas and a look to the future Updated bibliographies to reflect the most recent scholarship This textbook is essential reading for students of American history

**Beyond Texas Through Time** Walter Louis Buenger,Arnoldo De

León,2011 In 1991 Walter L Buenger and the late Robert A Calvert compiled a pioneering work in Texas historiography Texas Through Time a seminal survey and critique of the field of Texas history from its inception through the end of the 1980s Now Buenger and Arnolde De León have assembled an important new collection that assesses the current state of Texas historiography building on the many changes in understanding and interpretation that have developed in the nearly twenty years since the publication of the original volume This new work Beyond Texas Through Time departs from the earlier volume's emphasis on the dichotomy between traditionalism and revisionism as they applied to various eras Instead the studies in this book consider the topical and thematic understandings of Texas historiography embraced by a new generation of Texas historians as they reflect analytically on the work of the past two decades The resulting approaches thus offer the potential of informing the study of themes and topics other than those specifically introduced in this volume extending its usefulness well beyond a review of the literature In addition the volume editors introduction proposes the application of cultural constructionism as an important third perspective on the thematic and topical analyses provided by the other contributors Beyond Texas Through Time offers both a vantage point and a benchmark serving as an important reference for scholars and advanced students of history and historiography even beyond the borders of Texas

**The Architecture of Birdsall P. Briscoe** Stephen Fox,2024-06-03 Birdsall P Briscoe 1876 1971 practiced architecture from 1912 to 1956 the span of years during which Houston was transformed from an ambitious town on Buffalo Bayou into an international city its economy powered by cotton trade and oil The country houses Briscoe designed for three generations of affluent clients sited in such Houston neighborhoods as Courtlandt Place Shadyside Broadacres and River Oaks display his exceptional skill in formulating stylistic and social identities for his wealthy clients and their families In The Architecture of Birdsall P Briscoe architectural historian Stephen Fox examines the country houses designed by Briscoe offering a glimpse into the architect's methods as well as analyzing how Briscoe constructed a social architecture to frame his clientele during periods of economic expansion and contraction Fox demonstrates how Briscoe cultivated and managed elements of taste style and fashion to embody assertions of class identity and solidarity in the context of Houston's capitalist economy Additionally Fox shows how Briscoe and his peers interpreted and reflected early twentieth century Progressive Era design ideals in giving shape to the vision of local civic leaders Illustrated throughout with masterful color photography by Paul Hester this original study of one of Texas most distinguished residential architects will enthrall readers with both its detail and its contextual clarity As he did in his book on the architecture of John F Staub Fox delivers a treasure trove of insight into a vital period of Houston's social history and the architect who helped design it

**The History of Texas** ,2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and

instructors including a test bank maps presentation slides and more

### **Rotten Boroughs, Political Thickets, and**

**Legislative Donnybrooks** Gary A. Keith, 2013-07-01 Every ten years the Texas legislature redistricts itself and the state's congressional districts in an attempt to ensure equality in representation. With a richly textured cultural fabric, Texas often experiences redistricting battles that are heated enough to gain national attention. Collecting a variety of voices including legislators themselves in addition to lawyers, community organizers, political historians, and political scientists, *Rotten Boroughs, Political Thickets, and Legislative Donnybrooks* delivers a multidimensional picture of how redistricting works in Texas today and how the process evolved. In addition to editor Gary Keith's historical narrative which emphasizes the aftermath of the Warren Court's redistricting decisions, longtime litigators David Richards and J. D. Pauerstein describe the contentious lines drawn from the 1970s into the 2000s. Former state legislator and congressman Craig Washington provides an insider's view while redistricting attorney and grassroots organizer Jose Garza describes the repercussions for Mexican Americans in Texas. Balancing these essays with a quantitative perspective, political scientists Seth McKee and Mark McKenzie analyze the voting data for the 2000 decade to describe the outcomes of redistricting. The result is a timely tour that provides up-to-date context, particularly on the role of the Voting Rights Act in the twenty-first century. From local community engagement to the halls of the Capitol, this is the definitive portrait of redistricting and its repercussions for all Texans.

**Interlock** Patricia Goldstone, 2015-10-01 In the fateful month of March 2000, shortly after opening a hugely successful show in New York that unveiled the more nefarious financial connections of Presidential candidate George W. Bush, the hugely ambitious conceptual artist Mark Lombardi was found hanged in his studio, an apparent suicide. With museums lining up to buy his work and the fame he had sought relentlessly at last within his reach, speculation about whether his death was suicide or murder has titillated the art world ever since. Lombardi was an enigma who was at once a compulsive truth teller and a cunning player of the art game, a political operative and a stubborn independent, a serious artist and a Merry Prankster, a metaphysicist if not a scientist. Lombardi's spidery, elusive diagrams describing the evolution of the shadow banking industry from a decades-old alliance between intelligence agencies, banking, government, and organized crime may have made him unique in art history as the only artist whose primary subject the CIA has turned around and studied him and his art work. Exhaustively researched, this is the first comprehensive biography of this immensely contradictory and brilliantly original artist whose pervasive influence in not only the art world but also in the world of computer science and cyber security is only now coming to light.

**Discovering Texas History** Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 The most comprehensive and up-to-date guide to Texas historiography of the past quarter century, this volume of original essays will be an invaluable resource and definitive reference for teachers, students, and researchers of Texas history. Conceived as a follow-up to the award-winning *A Guide to the History of Texas* (1988), *Discovering Texas History* focuses on the major trends in the study of Texas history since 1990. In two sections arranged topically and chronologically,

some of the most prominent authors in the field survey the major works and most significant interpretations in the historical literature Topical essays take up historical themes ranging from Native Americans Mexican Americans African Americans and women in Texas to European immigrant history literature the visual arts and music in the state and urban and military history Chronological essays cover the full span of Texas historiography from the Spanish era through the Civil War to the Progressive Era and World Wars I and II and finally to the early twenty first century Critical commentary on particular books and articles is the unifying purpose of these contributions whose authors focus on analyzing and summarizing the subjects that have captured the attention of professional historians in recent years Together the essays gathered here will constitute the standard reference on Texas historiography for years to come guiding readers and researchers to future ever deeper discoveries in the history of Texas

Southwestern Historical Quarterly ,1995      **The History of Texas** Robert A. Calvert,Arnoldo De Leon,Gregg Cantrell,2020-03-10 The most comprehensive best illustrated survey of the Lone Star State the new updated edition of the classic text The History of Texas offers a sweeping exploration of the Lone Star State covering its history from the pre Columbian period to the era of Spanish control to nineteenth century watershed events through the 1900s and into the new millennium This engaging student friendly textbook looks at how people of diverse politics identity class ethnicity and race shaped the state s past and continue to influence its present Recent knowledge on the political social and cultural history of Texas provides insights on the celebrated figures unsung heroes and ordinary people of the state s past The sixth edition of this classic text has been revised and updated to reflect the latest scholarship in all fields of Texas history among them New Indian History and cultural and gender studies The text offers fresh perspectives on Texas history including discussions of the Progressive Era the Great Depression the Second World War and post war modernization and the state s transition during the 1960s and into the 1980s Revised chapters provide wide ranging coverage of Texas in the late 20th and early 21st centuries including recent statewide and national elections and political debates This textbook Connects events in post World War II Texas to the larger U S historical narrative Offers substantial coverage of events occurring from 1900 to 2018 Uses a chronological approach to divide chapters into easily identifiable eras Includes engaging illustrations maps and tables an appendix and inclusive lists of recommended readings Features online resources for students and instructors including a test bank maps presentation slides and more Effectively organized to better meet the needs of instructors The History of Texas is the ideal resource for undergraduate and graduate courses in Texas history at colleges and universities across both the state and the nation

**Practicing Texas Politics** ,1998      *Government and Politics in the Lone Star State* L. Tucker Gibson,Clay Robison,1999 Reflecting the insights of authors who have written about taught or participated in Texas government and politics for over 20 years this text explores Texas government and its relationship to the people it serves and to the federal and local governments that form the American political system Merging the writing styles of an academic and a professional newsman this treatment of Texas Politics is scholarly and exceedingly readable

**U.S. Government** George C. Edwards,2002      **Practicing Texas Politics** Eugene W. Jones,1996 Recent changes in the Texas court system are described herein There is an account of recent developments in state constitution making in Texas

**American Book Publishing Record** ,1995      **America, History and Life** ,1996 Article abstracts and citations of reviews and dissertations covering the United States and Canada
