Sharr Ray:

Resonance Chris Dolley, 2005-11-05 I have read a lot of science fiction and have gone through tons of plots so when I find one that is unique I certainly take notice Resonance is one of those books that has it all Interesting plot with plenty of mysteries and twists characters you care about and solid writing that strings it all together Jeffrey Miller Graham Smith is a 33 year old office messenger To the outside world he s an obsessive compulsive mute weird but harmless But to Graham Smith it s the world that s weird And far from harmless He sees things other can t or won t He knows that roads can change course people disappear office blocks migrate across town all at night when no one s looking Only by following a rigid routine can he lessen these effects If he walks the same route to work every morning and catches the same train and keeps himself to himself then there s a good chance his house will still be where he left it when he returns home in the evening Then he meets Annalise Mercado Annalise Mercado hears voices Sometimes she thinks they re spirit guides sometimes she thinks she s crazy But then they start telling her about Graham Smith the danger he s in and how only she can save him So begins the story of two people whose lives appear fragmented across alternate realities And how together they hold the key to the future of a billion planets **REVIEWS** Resonance is a tremendously accomplished book and immediately raises Dolley into the ranks of writers to watch It s a head over heels romp through ever changing realities crammed with great set pieces excellent hooks and some nice one liners Keith Brooke Infinity Plus This is one of the most original new science fiction books I have ever read In fact as an inspired new take on a familiar SF idea it s original enough to stand comparison with The Time Traveler s Wife or Memoirs of an Invisible Man If it is as big a hit as it deserves it may well be this book which becomes the standard by which SF stories about are judged Marshall Lord you get carried along thinking the story is going one way and off it veers in another direction I don t know about you but I like being surprised by a story I enjoy having an author keep me interested in the story and caring about the characters Dolley does a great job of pulling all the elements together to keep you reading Highly recommended Gayle Surrette SFRevu An exceptional first novel Robert M Tilendis Rambles **RESONANCE** is outstanding creating unique believable protagonists and compelling readers to follow along in an outstanding adventure Midwest Book Review I loved Resonance the writing is clever the concepts are ingenious and the characterizations are first class Both Graham Smith and Annalise Mercado stick with you as people long after the book is finished And with all the stories I read that is amazing Jerry Wright Bewildering Stories **Social Relations and the Life Course** G. Allan, G. Jones, 2016-01-28 This collection of essays represents some of the most important recent research into changing patterns of family household and community life It brings together some of the leading sociologists in the field to explore how these informal social relationships change over time and the life course It will be essential reading on courses concerned with the family and youth sociology Halo Gary Proietti, 2012-09-28 Father Madsen told him Go to all of the dances kiss a girl And then if God wants you He will call you Young Glen Romani was destined and determined to become a much loved and

respected parish priest like Father Madsen The thought of it occupied nearly every waking moment as he strove to live a life worthy of this sacred calling Glen's love for God and his commitment to the holy Catholic Church were far beyond reproach But something happened to Glen on his way to the altar His fast track to the priesthood made an abrupt and unscheduled stop Sadness bitter disappointment and resentment took hold of Wednesday's Child shattered his rock solid religious foundation and finally brought him to his knees Glen lost his faith in God his family and all of mankind except for one Melissa Laurien the love of his life See if true love can in fact save the soul of the man who was said to wear a HALO Carlo, a Modern Day Don Juan Andres Ambriz, 2011-08-04 Carlo quits his job and travels to Spain and Morocco where he falls in love and meets beautiful women in pursuit of his perfect love But as Carlo continues this pursuit he changes and becomes a master of seduction while playing a dangerous game of love which leaves the loser heartbroken while the winner craves for more Carlo learns the gratification of the game of love and is intent on becoming the greatest libertine of all time as he comes to the realization that he has the unique talent to read women's emotional vulnerabilities and the heart required to win this dangerous game Carlo also tells raw and compelling stories that are based on fictional and real life events that range from the Los Angeles juvenile justice system to travel in Spain And Morocco that will leave the reader shocked fascinated and grasping for more Guilty Until Innocent Robert Whitlow, 2025-02-04 Justice has been served unless the accused is innocent In this gripping legal drama Whitlow expertly weaves themes of grace faith and the law with a plot that is sure to keep you guessing until the end Life in prison is often a nightmare but Joe Moore believes he is just where God intends him to be Twenty five years ago while high on meth he makes one terrible mistake after another culminating in the brutal murder of a young influential couple Today Joe is a radically different person thriving in his role as a ministry leader and role model to his fellow inmates After being fired from two previous law firms young lawyer Ryan Clark and his wife Paige have settled into a small North Carolina town Hired by a distant relative Ryan is committed to connecting with the right clients and handling the mundane tasks while his cousin Tom takes on the high profile cases But when critical health issues land Tom in the hospital Ryan is forced to take the helm at the law firm just in time for the town's biggest case in history to be reopened Joe Moore's niece has been doing some digging and convinced that her incarcerated uncle is innocent insists that Ryan relaunch the investigation immediately After Ryan meets with Joe both men receive threats that put their own lives as well as the lives of those around them in danger It appears that together they've pulled back a dark curtain that hides a deeper evil than anyone in town suspects exists Now they must determine if continuing with the case is worth the risk and if the cost of proving one man's innocence is too great when the lives of so many others would be placed in mortal danger Dive into a world where faith meets the law in this heart pounding legal drama that will keep you on the edge of your seat Pick up Guilty Until Innocent and find out if the cost of justice is worth risking everything You won't want to miss out on this thrilling story of grace redemption and the relentless pursuit of truth *Robert Ryan Franklin Jarlett, 1997-11-01* This first in depth Ryan
