of serious Western music been better described How many of us have encountered such an experience on first discovering the beauty of classical music Ahn went on to become a great violinist a pioneer in the introduction of music playing and appreciation in Korea He describes his travels his love of chamber music his passionate involvement in the movement to unify Korea north with south At present the names of his pupils are on marquees of concert halls all over the world Now eighty three years old he ruminates on the passing away of time philosophically accepting the loss of members of his veteran music friends He ends his memoirs with a heart warming yet sad commentary on the human predicament My Sorrows My joys is a delightful book to read by anyone who has felt the cleansing power of great music or the passion of dedication to a great enterprise swelling in his or her heart Reviewed by Dr Henry J
