Shattered Faith:

Shattered Faith Sheila Rauch Kennedy, 2013-05-15 In 1993 Sheila Rauch Kennedy received a letter from the Boston Catholic Archdiocese announcing that her former husband Congressman Joseph Kennedy was seeking an annulment of their marriage. If the Church granted the annulment, the marriage which had lasted twelve years would be rendered nonexistent, not simply ended as was stated in the divorce decree but invalid from the start. And their two sons would be regarded as children of an unsanctified union. Joseph Kennedy needed the annulment to remarry within the Church, and he encouraged his ex-wife to ignore the details. Stunned by the hypocrisy of the process and the betrayal of trust it involved, Sheila Rauch Kennedy was determined to defend the legitimacy of her former marriage. *Shattered Faith* is the fascinating chronicle of that struggle and of what Kennedy uncovered about the uses and frequency of annulments in the United States. Interweaving her own experiences with those of other women whose trust in the Church was shattered by annulment, she tells a story that will surprise, anger, and move readers of every faith.

Our Journey Through Shattered Faith Mike Newton, 2018-03-30 I started writing my feelings early in the morning after my daughter's death, not knowing or imagining what our future would be. I know many families suffer tragedies. I decided to finish this book after 10 220 days from my daughter's death and more future tragedies in order to help families and individuals with sufferings in their lives. They say that after the loss of a child 75 percent of marriages end up in divorce. I hope from this book people will see the root cause and the remedy for their future. I also wrote it to show people that God is the same today, tomorrow, and in the future. We tend to lose track of ourselves after unimaginable losses. This book took rivers of tears and didn't come together without the lessons that were taught to me and remembered from my deceased children. This journey took me through my shattered faith and the road back. I hope people will read and understand that a shattered heart and mind can be healed to a degree that they will not forget the past but are able to find a brighter future.

Days of Shattered Faith Adrian Tchaikovsky, 2024-12-05 Welcome to Alkhalend, Jewel of the Waters, capital of Usmai, greatest of the Successor States, inheritor to the necromantic dominion that was the Moeribandi Empire and tomorrow's frontline in the Pallesen's relentless march to bring Perfection and Correctness to an imperfect world. Loret is fresh off the boat and just in time. As Cohort Invigilator of Correct Appreciation Outreach department, she's here as aide to the Pallesen Resident Sage Invigilator Angilly. And Sage Invigilator Angilly Gil to her friends needs a second in the spectacularly illegal, culturally offensive, and diplomatically inadvisable duel she must fight at midnight. Outreach, that part of the Pal machine that has to work within the imperfection of the rest of the world, has a lot of room for the illegal, the unconventional, the unorthodox. But just how much unorthodoxy can Gil and Loret get away with? As a succession crisis looms as a long forgotten feat of necromantic engineering nears fruition as pirate kings, lizard armies, and demons gather as old gods wane and new gods wax, sooner or later Gil and Loret will have to settle their ledger. Just as well they are both very, very good with a blade. Also in the TYRANT PHILOSOPHERS series: CITY OF LAST CHANCES, HOUSE OF OPEN WOUNDS, LIVES

The Symbiont Protocol Brandi Richards,2024-11-28 The Bloom promised a new era of human resilience Instead it unleashed a nightmare Genetically engineered symbionts designed to enhance humanity now consume their hosts from within twisting the world into a bioluminescent landscape of decay Humanity has fractured into symbiotic hybrids their loyalties divided their identities fragmented From the ashes of this ravaged world rises Underdog a former biotechnologist haunted by her role in the Bloom's creation Driven by guilt and a desperate hope for redemption she embarks on a perilous quest to uncover the truth behind the symbiont's destructive nature and find a cure Her journey takes her through treacherous landscapes teeming with mutated creatures and into the heart of a conspiracy that threatens to extinguish what remains of humanity Gabriel Rasmussen the charismatic leader of a powerful hybrid faction sees the symbiont as a gift a path to human ascension Blinded by this belief he becomes a formidable obstacle to Underdog's mission But within his ranks Carolyn Ramos a skilled healer witnesses the creeping sickness consuming her community Torn between loyalty and a growing unease she becomes a pivotal ally her knowledge of symbiotic physiology proving invaluable to Underdog's research But trust is a dangerous commodity in this transformed world The enigmatic Gerald Gaines architect of the Bloom lurks in the shadows manipulating the symbiont's destructive power for his own twisted vision of the future And then there's Luis Chan a ghost from Underdog's past whose reappearance raises troubling questions Is he a true ally or a double agent tasked with sabotaging her efforts As Underdog unravels the conspiracy she discovers a network of spies and saboteurs operating within the hybrid factions blurring the lines between friend and foe The mutated environment itself becomes a relentless adversary its unpredictable nature a constant threat At the Bloom's pulsating epicenter Underdog confronts the terrifying truth the symbiont is not a flaw but a feature a programmed extinction event designed to pave the way for a new genetically superior species In a final desperate showdown Underdog must choose between saving the flawed but sentient hybrids or unleashing a force that could irrevocably alter the course of evolution The fate of humanity transformed and fragmented hangs in the balance The Symbiont Protocol is a gripping tale of survival betrayal and the enduring power of hope amidst devastation It's a stark warning against the hubris
