The Legalization of Drugs Doug Husak, Peter de Marneffe, 2005-08-29 In the United States today the use or possession of many drugs is a criminal offense Can these criminal laws be justified What are the best reasons to punish or not to punish drug users These are the fundamental issues debated in this book by two prominent philosophers of law Douglas Husak argues in favor of drug decriminalization by clarifying the meaning of crucial terms such as legalize decriminalize and drugs and by identifying the standards by which alternative drug policies should be assessed He critically examines the reasons typically offered in favor of our current approach and explains why decriminalization is preferable Peter de Marneffe argues against drug legalization demonstrating why drug prohibition especially the prohibition of heroin is

necessary to protect young people from self destructive drug use If the empirical assumptions of this argument are sound he reasons drug prohibition is perfectly compatible with our rights to liberty *Hard Time Blues* Sasha Abramsky,2025-08-22

In September 1996 fifty three year old heroin addict Billy Ochoa was sentenced to 326 years in prison His crime committing 2100 worth of welfare fraud Ochoa was sent to New Folsom supermax prison joining thousands of other men who will spend the rest of their lives in California s teeming correctional facilities as a result of that state s tough Three Strikes law His incarceration will cost over 20 000 a year until he dies *Hard Time Blues* weaves together the story of the growth of the American prison system over the past quarter century primarily through the story of Ochoa a career criminal who grew up in the barrios of post World War II L A Ochoa who had a long history of non violent crimes committed to fund his drug habit who cycled in and out of prison since the late 1960 s is a perfect example of how perennial misfits rather than blood soaked violent criminals make up the majority of America s prisoners This is also the story of the burgeoning careers of politicians such as former California Governor Pete Wilson who rose to power on the crime issue Wilson whose grandfather was a cop murdered by drug runners in early twentieth century Chicago scored a stunning come from behind re election victory in 1994 In so doing he came to epitomize the 1990s tough on crime politician Award winning journalist Sasha Abramsky uses immersion reportage to bring alive the political forces that have led America s prison and jail population to increase more than four fold in the past twenty years Through the stories of Ochoa Wilson and others he explores in devastating detail how the public has been manipulated into supporting mass incarceration during a period when crime rates have been steadily falling *Hard Time Blues* deftly explores the War on Drugs the Rockefeller Laws the growth of the SuperMax Prisons the climate of fear that led to laws such as Truth in Sentencing and how the stunning repercussions of imprisoning two million citizens affect all of America In the tradition of J Anthony Lukas s *Common Ground* and Melissa Fay Greene s *The Temple Bombing* Abramsky explores this new and dangerous fault line in American society in a dramatic and compelling manner From the opening courtroom scene through the final images behind the electrified fences of the nation s toughest meanest prisons Abramsky paints a grimly intimate portrait of the players and personalities behind this societal earthquake *Hard Time Blues* combines a sense of history with a powerful narrative to tell a story about issues and people that leads us to understand how *The Land of the Free* has become the world s largest prison nation **Drugs** Arthur Benavie,2012-08-06

Using the best scientific evidence *Drugs America s Holy War* explores the impact and cost of America s War on Drugs both in tax spending and in human terms Is it possible that US drug policies are helping to proliferate not prevent a multitude of social ills including homicide property crime the spread of AIDS the contamination of drugs the erosion of civil liberties the punishment of thousands of non violent people the corruption of public officials and the spending of billions of tax dollars in an attempt to prevent certain drugs from entering the country In this controversial new book award winning economist Arthur Benavie analyzes the research findings and argues that an end to the war on drugs much as we ended alcohol

prohibition would yield enormous international benefits destroy dangerous and illegal drug cartels and allow the American government to refocus its attention on public well being

The Fellas Charles M. Terry,2003 An engaging writer Chuck Terry presents this powerful study on the tremendous obstacles that drug addicts drifting in and out of prison must overcome in order to get clean and make it in society Thoroughly researched and based on sound theory this text covers how societal reaction to drugs and addiction shape criminal policy and behavior Terry s powerful voice as a writer brings each of the fellas to life as he tells their story on how they became addicts and documents their on going struggle with addiction both in and out of prison Terry follows the story of the fellas as they beat the odds get clean and try to make a better life for themselves And he tells the somber story of those who are not able to overcome the obstacles of drugs and prison

The Social Spirit in America Charles Richmond Henderson,1897 *The Social Spirit in America* C. R. Henderson,2006-05-01 In New York City in a population of 255 033 persons only 306 had access to a bathroom in the houses in which they lived In the old dilapidated filth soaked dark unventilated buildings the death rate among children under five years of age ran up to 254 4 in a thousand while under wholesome conditions it might be reduced to thirty in a thousand Christendom still shudders when it reads of Herod s slaughter of the innocents but that butchery was insignificant in proportions when compared with the murderous effects of city tenement life from Better Houses for the People Before muckrakers like Upton Sinclair came upon the scene C R HENDERSON an associate professor of sociology at the University of Chicago published this assessment of the state of American society for the poorest of the poor the most downtrodden of the neglected First published in 1897 it examines everything from the sorry state of women in the workforce and the terrible conditions of tenement life to the necessity of keeping city roads and sidewalks in fine condition and the vital need for civic sponsored arts and recreation and then offers suggestions and ideas for religious organizations to help enact municipally minded change for the betterment of all This is a fascinating look at the spirited and enthusiastic approach to reform that fired early 20th century social activists OF INTEREST TO students of social history readers of religious activism
