

A woman with long blonde hair is looking at her reflection in a large mirror. She is wearing a white strapless top. Her hands are raised towards the mirror, and she appears to be adjusting something. The mirror is surrounded by a warm, yellow light from a string of round bulbs. The background is dark and out of focus.

SWEET SHAVEN ANGELS2

Shaven Angels 2:

Sweet Shaven Angels 2 Mikhail Paramonov, 2012-09 Text in English German French In the garden of Heaven there already was a snake As for the little juicy fruit Eve gave to humanity it probably was already the carefully shaven genitals pulpy and plump that the girls display in this book with a smile They offer themselves to be seen self confident without hiding anything of their slit genitalia like a tempting fruit When they spread their thighs they may unveil the little hill of their vulva but their cheeky looks and postures are always playful Here we are in the realm of pretense a world of fantasy where Eves daughters become elusive fairies

Shaven angels Peter Lorenz, 2004 These Shaven Angels are both simultaneously vulnerable and self confident There is nothing artificial or doll like about these angels They really look like the proverbial girl next door It s not the size of their breasts or the length of their legs that matters but solely their personalities Lorenz has a surprising answer to the question of whether the girls had to shave themselves expressly for his photo shoots Nine out of ten were shaven already he says He believes that their hairlessness has to do with a fashion trend and perhaps with the urge to catch up on something that was formerly forbidden because of an old taboo
