She Is Worthy Encounters With Biblical Women:

She is Worthy Marjorie L. Kimbrough,1994 The Female Prophets of the Bible The Rev. Debra Moody Bass PH.D,2018-01-18 This book highlights five female prophets that have prophesied in both the Old Testament and New Testament The book encourages women to accept their calling from God at whatever level God appoints them Too often the female characters in the Bible have all been lumped together under the category women in the Bible This has diminished the role women like Deborah and Anna have played in Gods plan for salvation God is no respecter of persons God uses whom God chooses no matter the gender **Women of Destiny** Lisa Tait,2008-05 The purpose of this book is to assist you in discovering your true identity and awaken you to the reality that you are a Woman of Destiny You have been endowed with God given talents and gifts that make you unique and rare It is this uniqueness that blesses the world and enriches the lives of those around you Prepare to tap into your potential and birth the promise that God has placed within you This book is a journey that will educate and empower you allowing you to respond and fulfill God s destiny for your life **Women Who Knew Jesus** Rev. Dr. Bonnie Ring,2017-08-31 As you come to know each of the women that Jesus knew you may be surprised to discover how quickly your own stories are evoked by hearing theirs and how similar you are to some of them so they become role models for your own journey of faith and witness In each of these encounters you will meet Jesus and come to know him as they did perhaps for the first time To enrich your experience there are questions to ponder and memories of your own to recover These Bible stories help us see parts of ourselves both the parts we like and the parts we would prefer to deny hide or eliminate As you proceed two attitudes will be helpful a willingness to let these biblical women speak with their own voices and an openness to hearing what you may not have heard before These stories can help us uncover the richness of our own stories and see them for the sacred wonder that they are First century mores barred women from interacting with men outside their family or marriage yet Jesus appears to have been unafraid to approach women to listen to them heal them and affirm God s love and acceptance of them Often without a name these women had convictions about Jesus and a sense of security with him that surpassed that of his male disciples Their stories show us that social equality existed among Jesus male and female followers Each woman who met him went away from him changed The existence of so many Biblical stories about women is a sign that the history of God s salvation cannot be told without women s active participation and the life of Jesus cannot be told accurately without the women who encountered him A Feminist Companion to Luke Amy-Jill Levine,Marianne Blickenstaff,2002-07-15 The third volume in this series deals with Lukan themes in feminist perspectives The fourteen essays from an international authorship cover a range of issues including Imperial Masculinity Mary and Asceticism Martha in the Kitchen and Reading Luke 15 with Arab Chistian Women The list of contributors includes Robert Karris Mary Rose D Angelo Brigitte Kahl Turd Karlsen Seim Barbara Reid Teresa Hornsby Ben Witherington III Esther DeBoer Veronica Koperski Loveday Alexander Warren Carter Pamela Thimmes Carol Schersten Lahurd and Maris Luisa

Schroeder, 2014 Joy A Schroeder offers the first in depth exploration of the biblical story of Deborah an authoritative judge prophet and war leader For centuries Deborah s story has challenged readers traditional assumptions about the place of women in society Schroeder shows how Deborah s story has fueled gender debates throughout history An examination of the prophetess s journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society Numerous women and men who supported women s aspirations to leadership used Deborah s narrative to justify female claims to political and religious authority Opponents to women s public leadership endeavored to define Deborah s role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women Deborah s Daughters provides crucial new insight into the history of women in Judaism and Christianity and into women s past and present roles in the church synagogue and society *Gender and Mission Encounters in Korea* Hyaeweol Choi, 2009-11-15
