She Reminds Me Of Vermeer:

Tales for Gail Reynold Spector, 2010-09-02 At that time 1966 1968 we were stressed We required the outrageous and hyperbolic So in a rare interlude I wrote a tale later to be enjoyed at a reading a few stolen moments of laughter and joy Recently I reread these tales I still laughed Through the eyes of maturity I have polished and refined them These are varied stories of unrest and outrage written mainly for medical people doctors nurses and associated personnel But others may find these unsettling tales to their taste occasionally biting and tart often droll but never bitter Open the book and see for yourself
