She Also Wrote Plays:

The Columbia Anthology of Modern Japanese Drama J. Thomas Rimer, Mitsuya Mori, M. Cody Poulton, 2014-04-29
This anthology is the first to survey the full range of modern Japanese drama and make available Japan's best and most representative twentieth and early twenty-first century works in one volume. It opens with a comprehensive introduction to Meiji period drama and follows with six chronological sections: The Age of Taisho Drama, The Tsukiji Little Theater and Its Aftermath, Wartime and Postwar Drama, The 1960s and Underground Theater, The 1980s and Beyond, and Popular Theater, providing a complete history of modern Japanese theater for students, scholars, instructors, and dramatists. The collection features a mix of original and previously published translations of works among them plays by such writers as Masamune Hakuchō, The Couple Next Door, Enchi Fumiko, Restless Night in Late Spring, Morimoto Kaoru, A Woman's Life, Abe Kōbō, The Man Who Turned into a Stick, Kara Jūrō, Two Women, Terayama Shuji, Poison Boy, Noda Hideki, Poems for Sale, and Mishima Yukio, The Sardine Seller's Net of Love. Leading translators include Donald Keene, J. Thomas Rimer, M. Cody Poulton, John K. Gillespie, Mari Boyd, and Brian Powell. Each section features an introduction to the developments and character of the period, notes on the plays, productions, and photographs of their stage performances. The volume complements any study of modern Japanese literature and modern drama in China, Korea, or other Asian or contemporary Western nations.

Remembering a Legend: Chinua Achebe N. Emenyonu, E. Nnolim, 2014-12-01
Remembering a Legend: Chinua Achebe recaptures for the literary world the inimitable legacies of Chinua Achebe, 1930-2013, Africa's leading novelist and literary philosopher of the 20th century. It addresses the questions of Achebe's role in establishing the African art of the novel, his theories and standards for the criticism of African writing. The volume articulates unequivocally how Achebe provided the message and pioneered a confident voice to African writers to express the message with audacity, repudiate without equivocation any form of distortions of African past and present realities. The essays remind the reader how Achebe brought to the field of world literature new perspectives and vitality that distinguished the African art of storytelling from imaginative creativities elsewhere. This volume presents Achebe's articulation of the traditional and modern in African narrative techniques, linking the skills of the traditional artist/oral performer to those of the modern writer, how the modern African creative artist can embellish his/her art with oral resources such as folktales, proverbs, sayings, festivals, songs, riddles, and myths. Chinua Achebe's unique distinctions as a novelist lie in the areas of informed vision and artistic integrity. His greatest legacy to 20th-century world literature probably is his pioneer role in the nativization and ingenious use of the English language. The exceptional genius of Achebe touched many traditional and cultural bases in his fiction, essays, and memoirs. The critical responses to Achebe's works in this book address adequately almost every aspect of his creative imagination and craftsmanship. The reader will find in this convenient volume several seminal studies by two eminent scholars of Achebe's intriguing genius that authenticate him as among the best literary craftsmen of the 20th century and undeniably Africa's best.

Today Jane Shuter,2014-01-30 When the Chinese leader Wen Jiabao visited Britain in 2011 he said that Shakespeare was the greatest writer who ever lived People all over the modern world recognize the image of his face and have heard of his plays But why is he really so famous This original book looks at how Shakespeare is interpreted and performed today showing how Shakespeare s influence has stretched much further than the reading and stage performance of his works into films festivals paintings other media and into the English language A History of Chinese Literature Zhang Longxi,2022-11-04 Zhang Longxi an internationally renowned scholar of Chinese and comparative literature is your guide to the three millennia long history of Chinese literature from the remote antiquity of oracle bones to contemporary works Professor Zhang charts the development of the major literary forms in Chinese including poetry prose song lyrics and plays and introduces the most famous poets and writers and their representative texts Taking a period based approach through the major dynasties he places these forms texts and authors within their historical contexts and tells the fascinating story of Chinese literature with copious examples in English translation He writes in a clear and accessible style and assumes no prior knowledge of Chinese history or Chinese literature This book is an ideal introduction for students and the general readers who want to get a broad but thorough overview of Chinese literature in all its richness and diversity **Dictionary of World Biography** Barry Jones,2025-01-06 Jones Barry Owen 1932 Australian politician writer and lawyer born in Geelong Educated at Melbourne High School and Melbourne University he was a public servant high school teacher television and radio performer university lecturer and lawyer before serving as a Labor MP in the Victorian Parliament 1972 77 and the Australian House of Representatives 1977 98 He took a leading role in reviving the Australian film industry and abolishing the death penalty in Australia and was the first politician to raise public awareness of global warming the post industrial society the IT revolution biotechnology the rise of the Third Age and the need to preserve Antarctica as a wilderness In the Hawke Government he was Minister for Science 1983 90 Prices and Consumer Affairs 1987 Small Business 1987 90 and Customs 1988 90 He became a member of the Executive Board of UNESCO Paris 1991 95 and National President of the Australian Labor Party 1992 2000 2005 06 He was Deputy Chairman of the Constitutional Convention 1998 His books include Decades of Decision 1860 1965 Joseph II 1968 Age of Apocalypse 1975 and Knowledge Courage Leadership Insights Reflections 2016 and he edited The Penalty Is Death 1968 revised and expanded 2022 His bestseller Sleepers Wake Technology and the Future of Work 1982 Fourth edition published in 1995 has been translated into Chinese Japanese Korean Swedish and braille The Oxford Companion to Theatre and Performance Dennis Kennedy,2010-08-26 An authoritative reference covering primarily actors playwrights directors styles and movements companies and organizations *Best Plays of the Early American Theatre, 1787-1911* John Gassner,2000-01-01 Sixteen works from American theater 1787 1911 Charles the Second 1824 Fashion 1845 Uncle Tom s Cabin 1852 The Count of Monte Cristo 1883 The Mouse Trap 1889 The Great Divide 1906 more Background essay **Historical Dictionary of British Theatre** Darryll Grantley,2013-10-10 British theatre has a greater

tradition than any other having started all the way back in 1311 and still going strong today But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899 Still this is almost six centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw And they wrote some of the finest plays ever which are known around the world So there is plenty for this book to cover just with the playwrights plays and actors but it also has information on stagecraft and theatres as well as the historical and political background This book has over 1 183 entries in the dictionary section these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres legislative acts and some technical jargon Then there are entries on the different genres from comedy to tragedy and everything in between Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview The Historical Dictionary of Early British Theatre concludes with a pretty massive bibliography That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary theatre goers will also find useful information
