Collins,2021-07-11 The purpose of this book was to show the reader not to accept less than what they deserve Some people think they need to settle because they have children with someone the sex is too good or they do not want to start over again This book shows that when you make these mistakes the outcome can lead to some alarming results You have to ask yourself is the person leading you on or are you asking so much from a person who is not ready to be in a relationship Sometimes people unknowingly force someone in a relationship by being emotional and the person who will not commit will feel obligated based on your emotions I have also noticed that some people desire one thing initially and later change their minds without the other individual knowing Never try so hard to keep someone who does not want to be maintained I want people to read this so they can see the signs and understand their worth You do not have to be bitter off one person when there are millions to choose from every day Again some people love the attention and someone else can give you the same kindness If you knowingly see that you are second do not stay with that person It will only get worse This book does not have chapters because I am different I want you to feel as if you are there and not just reading the book
