Sheep Will Be Scattered:

Helping Jesus Fulfill Prophecy Robert J Miller, 2017-01-26 It is obvious that Jesus fulfilled prophecies about the promised Messiah or so the gospels make it seem. But the real story is more complex and more compelling. In hindsight we can see that Jesus had help fulfilling prophecy. The gospel writers skillfully manipulated prophecies carefully lifting them out of context creatively reinterpreting them even rewriting them to match what Jesus would do in fulfilling them. The evangelists also used the prophecies themselves to shape the very stories that show their fulfillment. This book describes in detail how Christian authors helped Jesus fulfill prophecy. Studies of Greek oracles, the Dead Sea Scrolls, translations of the Hebrew Scriptures into Greek and Aramaic, and the writings of Josephus explore the interpretive techniques that paved the way for the New Testament's manipulation of prophecy. This book analyzes how the belief that Jesus fulfilled prophecy became an argument to justify a new notion, the view that Christians had replaced Jews as God's chosen people. An aggressive anti-Judaism is analyzed in chapters on patristic theologians such as Justin Martyr and Augustine who embedded it into the argument from prophecy. The book concludes with an ethical argument for why Christians should retire the argument from prophecy. **The**

Anointed One Ramin Pourfarzib PhD, 2022-04-17 Why do people reject Jesus as their Messiah? There are many reasons: a lack of understanding of the Bible, belief that the Messiah has not come yet but will come, the idea that the New Testament was fabricated, or belief that humans do not need salvation. No matter the reasons for rejecting or accepting Jesus, it is vital to know the facts. *The Anointed One* examines ten common objections given in response to the fulfillment of the messianic prophecies through Jesus Christ and then provides biblical and historical evidence to address these issues. Some of these objections include the following: The New Testament was corrupted over time; There is no mention of Jesus in the Old Testament; Jesus did not fulfill the messianic prophecies; Jesus was a false prophet; Jesus, along with His disciples, fabricated the scriptures in the New Testament. In contradicting these points, this study presents intelligent, honest, fair, and direct responses to these belief systems using the Hebrew scriptures and the Christian Bible. It cites a significant amount of scripture and features testimonies from Jewish rabbis and individuals who have accepted Jesus as their Messiah. Offering solid evidence for the case that the messianic prophecies were fulfilled through Jesus, the Anointed One, this study invites you on a journey to pursue and seek the truth. **Passion Narratives and Gospel Theologies** Frank Matera, 2001-06-28

Although the passion narratives of the synoptic gospels can be read as free-standing narrative, each one of them is the goal and climax of the Gospel story that precedes it. In *Passion Narratives and Gospel Theologies*, Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative. Matera's study of the Markan passion narrative in light of the Gospel's theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah, and no one can be Jesus' disciple unless he or she accepts the scandal of the cross. While the Gospel of Matthew continues to develop the great themes of Mark's gospel, Matera argues that its passion

narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology Finally Matera demonstrates how the Lukan passion narrative by presenting Jesus as a model of innocent suffering also contains a distinctive outlook in light of its gospel theology God s righteous suffer afflictions by trial and persecution Comprehensive in scope and clearly written Passion Narratives and Gospel Theologies provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist It will be welcome by students and pastors The Holy Bible ,1876

Jesus and the Missional Movement in Galilee Sun Wook Kim,2019-07-10 In New Testament scholarship the study of space has been underrepresented in comparison with the study of time While Jesus life and ministry have been intensively explored in terms of eschatology i e with time significance space has tended to be treated as simply a given room or inactive backdrop where events took place Interest in the space where Jesus ministered has however gradually increased and space has received greater attention from sociological and literary perspectives In particular spatial investigations into the social circumstances of Galilee the place of origin of Jesus missional movement have begun to attract serious scholarly attention The important functions of space in literature are also becoming better recognized spatial settings serve not only to generate atmosphere but also to disclose the purposes and themes of narratives This book explores Jesus Galilean ministry in Mark 4 35 8 21 through the use of spatial analysis dividing space into three categories social geographical and allusive The study of each space discovers social literary and theological implications of Jesus missional movement in Galilee *The Zechariah Tradition and the Gospel of Matthew* Charlene McAfee Moss,2009-02-26 The Zechariah Tradition and the Gospel of Matthew is a comprehensive study of the ways Matthew utilizes Zechariah texts and traditions Against the background of materials from Qumran and apocryphal and deuterocanonical writings Matthew s explicit citations of Zechariah are examined the influence of Zechariah elsewhere in the First Gospel is identified and the extent to which Matthew alludes to characteristic Zechariah themes alone or in combination with other prophetic traditions is explored Zechariah traditions appear in Matthew s distinctive materials as well as in texts Matthew has transmitted or altered from Mark and Q The impact of Zech 9 14 is not limited to the Passion Narrative but extends through Matthew s Infancy and Galilean healing narratives as well important concepts from Zech 1 8 are also discerned in the Infancy and Passion Narratives Moss works through the canonical order of Matthew this enables readers to appreciate the cumulative effect of Zechariah s influence at each stage of the Gospel story Two appendices one arranged according to Zechariah and the other to Matthew list possible references to Zechariah in Matthew This monograph is useful for Matthean studies and it is an insightful investigation of how one set of Old Testamental traditions are appropriated in one canonical Gospel and in the New Testament **Divine Shepherd Christology in the Gospel of Matthew** Wayne Baxter,2022-08-09 In this book Wayne Baxter explores and unpacks the Shepherd Christology in the Gospel of Matthew By examining Matthew s shepherd motif against the backdrop of the metaphor s appropriation in the biblical tradition in the writings of Second Temple Judaism and in the New Testament Baxter

s analysis reveals important convergences and divergences between Matthew and these three groups of authors One the one hand the Evangelist s shepherd motif closely echoes that of the Jewish Scriptures on the other hand at points Matthew s motif aligns with the trope s usage by Christ believers over and against its deployment by Second Temple Jewish authors Sometimes he agrees with the Second Temple writers over and against Christ believers and at other times he stands alone deviating from both Second Temple Jews and Christ believers Baxter argues that the reason for these convergences and divergences is Matthew s high Shepherd Christology In Jesus the messianic Shepherd YHWH has personally returned in a dramatic way to shepherd his people Israel *Commentaries on the Twelve Prophets* Jerome,2017-06-06 This addition to the Ancient Christian Texts series offers the first complete English translation of Jerome s Commentaries on the Twelve Prophets Edited by Thomas Scheck this second volume give readers access to what scholars consider to be Jerome s greatest achievement

New Testament Development of Old Testament Themes F. F. Bruce,2004-04-20 This is that which was spoken by the prophet As the Apostle Peter spoke these words on the day of Pentecost he began not only the first public proclamation of the gospel but also a controversy which has occupied Christians to the present While many scholars study the Old Testament in light of its fulfillment in the New Testament others deny the possibility of any continuity between the two F F Bruce holds the former view although he is careful to avoid going too far in finding countless New Testament events foretold in the Old Rather it is his purpose here to examine a few of the major themes motifs and images which are used as vehicles of revelation in the Old Testament and consider how the New Testament writers continue to use them to present the perfected revelation of Christ He has selected in particular those which relate to the rule of God the salvation of God the people of God and the servant of God [The Evangelical Parallel New Testament](#) John R.
