Sheer Opulence:

Sheer Opulence Nicholas Haslam, 2010 Nicholas Haslam is one of the world's finest interior designers sought by rock stars, royalty and the aristocracy alike. His interiors havechutzpah and a touch of opulence that seduce you the moment you catch a glimpse. Rooms look glamorous and sexy yet liveable in practical and above all flattering to their owner and their surroundings. He makes great use of the completely unexpected and is known for effects such as linen carpets, silver papered ceilings, slashed leather curtains and Picasso inspired fabric footstools. *Sheer Opulence* with specially commissioned photography by David Montgomery reveals Haslam's decorating secrets and instinctive approach to both classic and contemporary interiors in a visual diary with Haslam's own watercolor plans accompanying the stunning photographs of rooms around the world. The first book from the rock stars and royalty's favorite interior designer. Previously published in hardcover by Watson Guptill ISBN 082347970. His autobiography *Redeeming Features* is published by Random House.

Sheer Opulence Nicholas Haslam, 2002 A designer who has been commissioned by famous rock stars, celebrities and businesses reveals his decorating secrets and visual influences as demonstrated in the homes of his top clients. *The Player* Chinedu Nnadi, 2025-06-19 Landon thought he'd found his happily ever after charmed by Sarah Kensington's beauty, wealth and promises of a perfect future. But behind the lavish gifts and glamorous facade lay a chilling truth: he was nothing more than a pawn in a cold, calculated scheme. Betrayed, financially devastated and emotionally shattered, Landon finds himself thrust into a bitter legal battle and a high-stakes custody fight for his beloved daughter Lily. As his world crumbles, Landon embarks on a painful journey of healing. With the help of therapy, the quiet strength of his family and the simple joys of fatherhood, he slowly rebuilds his life brick by fragile brick. Navigating the minefield of co-parenting with Sarah proves equally challenging as every interaction tests his patience and resilience. Yet, through meticulous boundaries, hard-won compromises and an unbreakable bond with his daughter, Landon learns to reclaim his power. This is not a story of revenge; it's a story of redemption. A testament to the human spirit's ability to heal, forgive and find peace after betrayal. In the quiet moments of everyday life, Landon discovers a different kind of wealth: love, authenticity and the enduring strength of a father's devotion. *House of Secrets* Allison Levy, 2019-01-24 A look into the tantalising secrets of Florence's Palazzo Rucellai. When Italian Renaissance professor Allison Levy takes up residency in the palazzo of her dreams, the Palazzo Rucellai in Florence, she finds herself consumed by the space and swept into the vortex of its history. She spends every waking moment in dusty Florentine libraries exploring the palazzo's myriad rooms, seeking to uncover its secrets. As she unearths the stories of those who have lived behind its celebrated facade, she discovers that it has been witness to weddings, suicides, orgies, the dissection of a monster and even a murder. Entwining Levy's own experiences with the ghosts of the Palazzo Rucellai's past, *House of Secrets* paints a scintillating portrait of a family, a palace and one of the most iconic cities in the world. *Painting in Italy, 1500-1600* Sydney Joseph Freedberg, 1993-01-01 Art declared. Vasari in *Lives of the Artists* has been reborn and reached

perfection in our time Indeed the roster of great names in painting of the Cinquecento which only begins with those of Leonardo Michelangelo and Raphael appears to justify this grand claim Professor Freedberg here discusses the individual painters and analyses the hallmarks of their work He traces the classical style of the High Renaissance the Mannerism that succeeded it and the events in North Italy especially that resist stylistic categories He has given order to this diversity but at the same time has preserved the intense individuality of the works of art **Marie de France** Glyn Sheridan Burgess,1986 A listing of the latest publications on Marie de France This is the fourth volume of Marie de France Bibliography following on from the original volume 1977 and the two Supplements 1986 1997 Each volume provides full details of editions and translations of the three works normally attributed to Marie de France the Lais the Fables and the Espurgatoire seint Patriz plus alphabetically arranged lists of books and articles each accompanied by a substantial summary and information on theses and dissertations GLYN S BURGESS is Emeritus Professor of French at the University of Liverpool **The Pioneers of the French Revolution** Marius Roustan,1926 *Stephanie Spicer's Great Sexexpectations: Volume Two* Gemma Stone, Just how much emotional heartache can a single blonde stand when her special lover is taken from her Beautiful creative agency director Stephanie Spicer is set on a collision course with romantic destiny in this second trio of red hot erotic romance stories Love Plus One Soul Tattoo and Dangerous Beauty where passion and sex are just a heartbeat away from the perilous gameplay of corporate business As Stephanie s romantic future is thrown into free fall she finds solace in the arms of those closest to her and meets hot new partners that set passions blazing Flying high she discovers the joys of sex on an airplane the intimacy of a close encounter on a train and the thrill of a public tryst in a voyeur s play tent Yet all the while behind the professional persona she is forced to make impossible relationship decisions when her sole desire is to be with the one true love that seems to be forever beyond her reach Emotions run high as games of love and lust are played out to the backdrop of a business world But can Stephanie s emotional wreckage ever be mended and can the special lover she craves find a way to remain in her heart For this special anthology the second trio of Stephanie Spicer novellas are joined by a special short story Yours Until Tomorrow plus an exclusive interview with the author about her background writing and influences Stephanie Spicer s Great Sexexpectations Volume Two is a 61 000 word bundle **Living Chinese Philosophy** Roger T. Ames,2024-10-01 In Living Chinese Philosophy Roger T Ames uses comparative cultural hermeneutics as a method for contrasting classical Greek ontology the science of being in itself with classical Chinese zoetology the art of living which is made explicit in the Yijing or Book of Changes Parmenides Plato and Aristotle give us a substance ontology grounded in being qua being or being per se to on he on that guarantees a permanent and unchanging subject as the substratum for the human experience This substratum or essence includes its purpose for being telos and defines the what it means to be a thing of this kind eidos of any particular thing thus setting a closed exclusive boundary and the strict identity necessary for a particular thing to be this and not that In the Book of Changes we find a vocabulary that makes explicit cosmological

assumptions that are a stark alternative to this substance ontology It also provides the interpretive context for the canonical texts by locating them within a holistic organic and ecological worldview To provide a meaningful contrast with this fundamental assumption of on or being we might borrow the Greek notion of zoe or life and create the neologism zoe tology as the art of living shengshenglun This cosmology begins from living sheng itself as the motive force behind change and gives us a world of boundless becomings not things that are but events that are happening a contrast between an ontological conception of human beings and a process conception of what the author calls human becomings Cat Me If You Can Miranda James,2021-02-23 Charlie Harris and his feline companion Diesel take a bookish vacation but discover that murder never takes a holiday in this all new installment of the New York Times bestselling series Charlie and Diesel along with Charlie s fianc e Helen Louise Brady are heading to Asheville North Carolina to spend a week at a boutique hotel and participate in a gathering of a mystery reader s club composed of patrons of the Athena Public Library In addition to seeing the local sights the members will take turns giving talks on their favorite authors The always spry Ducote sisters friends of the hotel s owners are helping underwrite the expenses and they ve insisted that Charlie Helen and Diesel join them Anxious to get Helen Louise away from her bistro for a vacation Charlie readily agrees While Charlie is looking forward to relaxing with Helen Louise and Diesel other members of the group have ulterior motives including a long standing score to settle When an intrusive uninvited guest turns up dead only one mystery club member with a connection to the deceased appears to have a motive to kill But could the answer really be that simple Charlie and Diesel along with the detecting Ducote sisters know that every murder plot has an unexpected twist The Gilded Cage Nithit Saentaweek,2025-07-09 In a smart house of impossible perfection a new companion discovers her luxurious life is a meticulously crafted lie and her greatest enemy might be her own mind Desperate to outrun a troubled past Maya accepts an exorbitant live in companion position for Mrs Seraphina Thorne the frail wife of a reclusive tech mogul The Thornes sprawling isolated smart house is a marvel of minimalist chrome and silent automation a pristine sanctuary that feels too perfect to be real But soon unsettling incidents begin to chip away at Maya s sanity locked doors found ajar personal items mysteriously broken and faint whispers echoing from the walls As her paranoia mounts she uncovers chilling evidence of omnipresent surveillance and a pattern of previous companions who vanished without a trace Trapped within the house s impenetrable security Maya s desperate search for answers leads her to a horrifying truth the Thornes are master manipulators and the perfect life they offered is a cruel psychological experiment Her memory has been wiped her identity erased and the woman she knows as Mrs Thorne is the orchestrator of her living nightmare The Gilded Cage is a pulse pounding psychological thriller that will keep you guessing until the very last page Perfect for fans of Freida McFadden and domestic suspense it s a chilling exploration of deception control and the terrifying battle to reclaim your own reality Will she escape the gilded cage or will her mind become its final prison **Coup D'Etat** Ben Coes,2013-03-26 Wanting only a peaceful obscure life Dewey Andreas has gone to rural

Australia far from turbulent forces that he once fought against But powerful men seeking revenge have been scouring the earth looking for Dewey And now they ve finally found him forcing Dewey to abandon his home and to fight for his life against a very well armed well trained group of assassins Meanwhile a radical cleric has been elected president of Pakistan and upon taking power sets off a rapidly escalating conflict with India As the situation spins quickly out of control it becomes clear that India is only days from resorting to a nuclear response one that will have unimaginably disastrous results for the world at large With only days to head this off the President sends in his best people including Jessica Tanzer to do whatever it takes to restore the fragile peace to the region Tanzer has only one viable option to set up and execute a coup d etat in Pakistan and only one man in mind to lead the team that will try to pull off this almost unimaginable task in the nerve wrackingly short time frame Dewey Andreas If that is Jessica can even get to Dewey and if Dewey can get out of Australia alive
