## **Long Range Deserter:**

**Long Range Deserter** Henry Chesham, 1986      **Long Range Deserter** David Bingley, 1997      **Hitler's Deserters** Douglas Carl Peifer, 2025 The Wehrmacht executed thousands of its own in World War II for desertion and undermining the military spirit This study examines who these Wehrmacht deserters were why they deserted what punishment they could expect and how German military justice operated It argues that after the First World War the German military embraced the Dolchstoß legend and determined that if it ever went to war again the military would punish deserters ruthlessly This view arrived at independently accorded fully with that of Adolf Hitler The study analyses the challenges associated with hiding in the Third Reich surrendering to the enemy or crossing over into neutral Switzerland or Sweden After the Second World War Germans began a debate about how these deserters should be remembered Vergangenheitsbewältigung and whether they should be rehabilitated The study analyzes the contested meaning attached to the Wehrmacht deserter in Germany from 1945 to the twenty first century

**Broken Homes: A Study of Family Desertion and its Social Treatment** Joanna C. Colcord, 2022-09-16 Joanna C Colcord's Broken Homes A Study of Family Desertion and its Social Treatment is a seminal work that meticulously examines the multifaceted issue of family desertion Through a blend of case studies statistical analyses and sociological insights Colcord delves into the causes consequences and societal responses to this prevalent yet often overlooked social phenomenon Her narrative is both compassionate and critical offering a window into the lives affected by abandonment and the era's social policy frameworks The book is a vital artifact in the literary continuum of social work reflecting the progressive ambition of early 20th century reforms within its rich historical context As a pioneering social worker and a director at the Russell Sage Foundation Joanna C Colcord's professional experience deeply informs her exploration in Broken Homes Her passion for social justice and her first hand encounters with the plight of disintegrated families lend authenticity and depth to her analysis Colcord's voice echoes the cries for reform and understanding in an age where industrialization and urbanization were transforming the American family landscape Scholars policymakers and anyone interested in the history of social welfare will find Broken Homes both enlightening and thought provoking Colcord's work offers vital lessons about the social constructions of family and the enduring impact of desertion on individuals and communities It stands as a testimony to the complexities of family dynamics and an admonition for continual progress in social support systems This book not only contributes to historical scholarship but also serves as a call to action for current and future generations to address the persistent challenges surrounding family cohesion and societal support mechanisms

*A Study of Family Desertion ...* Earle Edward Eubank, 1916      *The Deserters* Charles Glass, 2014-05-27 An impressive achievement a boot level take on the conflict that is fresh without being cynically revisionist The New Republic A groundbreaking history of ordinary soldiers struggling on the front lines The Deserters offers a completely new perspective on the Second World War Charles Glass renowned journalist and author of the critically acclaimed Americans in Paris Life

and Death Under Nazi Occupation delves deep into army archives personal diaries court martial records and self published memoirs to produce this dramatic and heartbreaking portrait of men overlooked by their commanders and ignored by history Surveying the 150 000 American and British soldiers known to have deserted in the European Theater The Deserters A Hidden History of World War II tells the life stories of three soldiers who abandoned their posts in France Italy and Africa Their deeds form the backbone of Glass s arresting portrait of soldiers pushed to the breaking point a sweeping reexamination of the conditions for ordinary soldiers With the grace and pace of a novel The Deserters moves beyond the false extremes of courage and cowardice to reveal the true experience of the frontline soldier Glass shares the story of men like Private Alfred Whitehead a Tennessee farm boy who earned Silver and Bronze Stars for bravery in Normandy yet became a gangster in liberated Paris robbing Allied supply depots along with ordinary citizens Here also is the story of British men like Private John Bain who deserted three times but never fled from combat and who endured battles in North Africa and northern France before German machine guns cut his legs from under him The heart of The Deserters resides with men like Private Steve Weiss an idealistic teenage volunteer from Brooklyn who forced his father a disillusioned First World War veteran to sign his enlistment papers because he was not yet eighteen On the Anzio beachhead and in the Ardennes forest as an infantryman with the 36th Division and as an accidental partisan in the French Resistance Weiss lost his illusions about the nobility of conflict and the infallibility of American commanders Far from the bright picture found in propaganda and nostalgia the Second World War was a grim and brutal affair a long and lonely effort that has never been fully reported to the detriment of those who served and the danger of those nurtured on false tales today Revealing the true costs of conflict on those forced to fight The Deserters is an elegant and unforgettable story of ordinary men desperately struggling in extraordinary times

**Operation Chaos** Matthew Sweet, 2024-09-04 An untold Cold War story how the CIA tried to infiltrate a radical group of U S military deserters a tale that leads from a bizarre political cult to the heart of the Washington establishment Stockholm 1968 A thousand American deserters and draft resisters are arriving to escape the war in Vietnam They re young they re radical and they want to start a revolution Some of them even want to take the fight to America The Swedes treat them like pop stars but the CIA is determined to stop all that It s a job for the deep cover men of Operation Chaos and their allies agents who know how to infiltrate organizations and destroy them from inside Within months the GIs have turned their fire on one another Then the interrogations begin to discover who among them has been brainwashed Manchurian Candidate style to assassinate their leaders When Matthew Sweet began investigating this story he thought the madness was over He was wrong Instead he became the confidant of an eccentric and traumatized group of survivors each with his own theory about the traitors in their midst All Sweet has to do is find out the truth And stay sane Which may be difficult when one of his interviewees accuses him of being a CIA agent and another suspects that he s part of a secret plot by the British royal family to start World War III By that time he s deep in the labyrinth of truths and half truths wondering

where reality ends and delusion begins      Desertion in the Early Modern World Matthias van Rossum, Jeannette Kamp, 2016-02-25 Early modern globalization was built on a highly labour intensive infrastructure This book looks at the millions of workers who were needed to operate the ships ports store houses forts and factories crucial to local and global exchange These sailors soldiers craftsmen and slaves were crucial to globalization but were also confronted with the process of globalization themselves They were often migrants who worked directly or indirectly for trading companies merchants and producers that tried to discipline and control their labour force The contributors to this volume offer an integrated thematic study of the global history of desertion in European Atlantic and Asian contexts By tracing and comparing acts and patterns of desertion across empires economic systems regions and types of workers *Desertion in the Early Modern World* illuminates the crucial role of practices of desertion among workers in shaping the history of imperial and economic expansion in the early modern period      News Bulletin ,1951      **Murdering Wells** G Mitchell, 2017-04-01 When a military deserter robs a mail contractor and leaves him to the mercy of Apache raiders in a remote corner of Arizona the contractor's brother Luke Adison vows to track down those responsible Soon the tables turn however as Luke is captured by the deserters Will he manage to escape and avenge his brother or will he learn the true secret behind the sinisterly named Murdering Wells      **A Global History of Runaways** Marcus Rediker, Titas Chakraborty, Matthias van Rossum, 2019-07-30 During global capitalism's long ascent from 1600 1850 workers of all kinds slaves indentured servants convicts domestic workers soldiers and sailors repeatedly ran away from their masters and bosses with profound effects *A Global History of Runaways* edited by Marcus Rediker Titas Chakraborty and Matthias van Rossum compares and connects runaways in the British Danish Dutch French Mughal Portuguese and American empires Together these essays show how capitalism required vast numbers of mobile workers who would build the foundations of a new economic order At the same time these laborers challenged that order from the undermining of Danish colonization in the seventeenth century to the igniting of civil war in the United States in the nineteenth      *On the Run* Graeme Kent, 2013-07-30 There have been many books written about valour in battle This is not one of them On the contrary *On the Run* deals entirely with those men and women who have departed from life in the armed forces For as long as there have been wars there have been those who have fled from the cannon's roar In this fascinating and unique history of deserters and desertion Graeme Kent scours the annals of warfare to find those who for a multitude of often complex reasons have gone absent without leave Among their number are poets and pugilists thieves and thugs lovers and lunatics princes and politicians comedians and conspirators film stars and fanatics and even a pope all brought together by the simple fact that at one time or another they went on the run Covering thousands of years and spanning the globe this compelling book presents an extraordinary anecdotal history of perhaps the most controversial and emotive subject in war      **No Soap, No Pay, Diarrhea, Dysentery & Desertion** Jeff Toalson, 2006-08-18 *No Soap No Pay Diarrhea Dysentery* Desertion is a groundbreaking study of life during the final sixteen months of the Confederacy Civil War studies normally

focus on military battles campaigns generals and politicians with the common Confederate soldier and Southern civilians receiving only token mention Using personal accounts from more than two hundred seventy soldiers farmers clerks surgeons sailors chaplains farm girls nurses nuns merchants teachers and wives author Jeff Toalson has created a compilation that is remarkable in its simplicity and stunning in its scope These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals They discussed disease slavery inflation religion desertion blockade running and their never ending hope that the war would be over before their loved ones died As in all wars these are the people who suffer the most and glory is hard to find amid lice dysentery starvation and death A significant contribution to Civil War literature **No Soap No Pay Diarrhea Dysentery Desertion** will open vistas to a side of the war with which most are only mildly familiar The words of these individuals are an honest powerful and poetic portrayal of the war's effect on their lives

**Climate and History** T. M. L. Wigley, M. J. Ingram, G. Farmer, 1985-10-17 This highly successful book is a collection of twenty papers specially written by research workers in the many relevant disciplines First published in 1985 it was the first major survey of both the methodology of climatic reconstruction and the problem of climate history interactions and embodies the results of fruitful cooperation between historians archaeologists and scientists It discusses the climatic information obtainable from the study of chemical isotopes glaciers pollen remains tree rings archaeological materials and documentary sources the theoretical and methodological problems involved in assessing the impact of climate and climatic change on past societies and provides a series of case studies arguing for or against the importance of climatic factors in human affairs in specific economic social and cultural contexts

**On the Trail of Deserters; A Phenomenal Capture** Robert Goldthwaite Carter, 2021-04-25 In *On the Trail of Deserters A Phenomenal Capture* Robert Goldthwaite Carter masterfully intertwines historical narrative and vivid character studies within the context of Civil War America The book presents a gripping account of soldiers who deserted their posts exploring the moral dilemmas and psychological struggles they faced Carter's prose is both evocative and meticulously researched steeped in the nuances of the era as he delves into themes of loyalty honor and the harsh realities of war His analytical approach is complemented by engaging storytelling making the historical context both accessible and compelling for readers Robert Goldthwaite Carter a noted historian and author possesses a deep seated interest in American military history and the personal stories that emerge from larger conflicts His background in historical research and firsthand accounts informs his portrayal of desolation faced by these men revealing the intricacies of their choices Carter's thorough understanding of the societal implications of desertion enriches the narrative providing a lens through which modern readers can examine the complexities of human behavior in times of strife This book is highly recommended for anyone interested in Civil War history military psychology or the personal narratives that shape our understanding of conflict Carter's detailed research and engaging writing style not only educate but also resonate on an emotional level ensuring that readers will reflect on the themes long after the last page is turned

**Military Law Review** ,1967      **Vietnam's Prodigal Heroes** Paul Benedikt Glatz,2021-01-12 Vietnam's Prodigal Heroes examines the critical role of desertion in the international Vietnam War debate Paul Benedikt Glatz traces American deserters' odyssey of exile and activism in Europe, Japan and North America to demonstrate how their speaking out and unprecedented levels of desertion in the US military changed the traditional image of the deserter      *The Ancient War's Impact on the Home Front* Lucia Cecchet,Christopher Degelmann,Maik Patzelt,2019-09-30 This volume presents a first comprehensive contribution to the exploration of the concept of the home front in Greek and Roman Antiquity. It crosses borders between different areas of classical studies by investigating the various forms of impact that war had on the ancient home front. To this end, the book deploys a variety of methodological approaches that shed light on several aspects of the home front. These draw on advances made in the fields of psychology, literature, history, social sciences and religious studies. The volume discusses the impact of war on the civilian communities in terms of its effects, above all on the level of the social and religious sphere      **Religion in Livy** D. S. Levene,1993 A study of how Livy uses religious material and how this fits in with other aspects of his narrative. Livy's work is examined systematically to demonstrate how his approach changes in different sections. This is shown to reflect neither the subject matter nor Livy's personal beliefs but his narrative technique.
