Long Way Round

CHASING SHADOWS ACROSS THE WORLD

Long Way Round Chasing Shadows Across The World

Joyce E. Chaplin

Long Way Round Chasing Shadows Across The World:

Long Way Round Ewan McGregor, Charley Boorman, Robert Uhlig, 2004 It started as a daydream Poring over a map of the world at home one quiet Saturday afternoon Ewan McGregor actor and self confessed bike nut noticed that it was possible to ride all the way round the world with just one short hop across the Bering Strait from Russia to Alaska It was a revelation he couldn't get out of his head So he picked up the phone and called Charley Boorman his best friend fellow actor and bike enthusiast Charley he said I think you ought to come over for dinner From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride over 20 000 miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Long Way Round Ewan McGregor, Charley Boorman, 2013-04-11 A highly readable and spiritually uplifting book about a dream come true Wanderlust Touching and memorable one for armchair travellers and bike freaks Daily Mail From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride more than twenty thousand miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Kazakhstan Paul Brummell, 2008 Kazakhstan is vast the ninth largest country in the world yet there is relatively little information available in English about the attractions of this remarkable country With the Kazakh government seeking to promote the development of tourism publication of the Bradt guide is timely Located between Russia and China the state of Kazakhstan possesses an incredible diversity of natural beauty this guide includes arrangements for visiting natural parks and reserves and special features such as singing sand dunes and the Sharyn Canyon Asia's equivalent of the Grand Canyon Key historical and archaeological sites are also given due

prominence Kazakhstan having been inhabited since the Stone Age Going Places Robert Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives Going Places A Reader's Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing Mobility in the Russian, Central and East European Past Róisín Healy,2019-03-07 The new mobilities paradigm which emerged at the beginning of the twenty first century has identified mobility as a process intrinsic to the human experience and fundamental to the formation of social and political structures This volume breaks new ground by demonstrating the role of the journey as a key motor of human development in Russia central and east Europe in the modern period It does so by means of twelve case studies that examine different types of movement both voluntary and involuntary temporary and permanent short and long distance into out of and around the region **Extreme Frontiers** Charley Boorman,2012-01-05 Charley Boorman is back on his bike exploring the world's second largest country home to some of the most stunning and challenging terrain known to man Canada is a country of extremes and Charley knows all about pushing the limits He goes dirt biking in New Brunswick dives through old shipwrecks in Tobermory and rides along Butch Cassidy's old Outlaw Trail He also meets a fascinating mix of people on his journey As he heads across Canada he plays ice hockey with a legend of the game spends a day as a Mountie cadet and nearly meets a ghost in Winnipeg Written with Charley's trademark enthusiasm and humour **Extreme Frontiers** is fast paced hugely entertaining and packed with adventure and rather a lot of mosquitoes **Round About the Earth** Joyce E. Chaplin,2013-11-19 Originally published in hardcover in 2012 The Readers' Advisory Guide to Nonfiction Neal Wyatt,2007-05-14 Navigating what at she calls the extravagantly rich world of nonfiction renowned readers advisor RA Wyatt builds readers advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library's entire collection She focuses on eight popular categories history true crime true adventure science memoir food cooking travel and sports Within each she explains the scope popularity style major authors and works and the subject's position in readers advisory interviews Wyatt addresses who is reading nonfiction and why while providing RAs with the tools and language to incorporate nonfiction into discussions that point readers to what to read next In easy to follow steps Wyatt Explains the hows and whys of offering fiction and nonfiction suggestions together Illustrates ways to get up to speed fast in

nonfiction Shows how to lead readers to a variety of books using her read around and reading map strategies Provides tools to build nonfiction subject guides for the collection This hands on guide includes nonfiction bibliography key authors benchmark books with annotations and core collections It is destined to become the nonfiction bible for readers advisory and collection development helping librarians library workers and patrons select great reading from the entire library collection

Going On An Adventure Jeff Evans,2025-06-05 This book is about an adventure that God put upon my heart and put me on years ago Years ago I was diagnosed with a malignant melanoma and three months after that my wife was diagnosed with non Hodgkin s lymphoma At that time we had five children from the ages of two to ten It was a life changing and spiritual change for both of us Also this spring I was given a sabbatical A buddy and I drove across the country on our motorcycles This book is about my adventure with God through cancer and what I believe was my and my wife s ultimate healing and it is also about my adventure and experience going across the country on my motorcycle Each chapter will include parallel my experience and adventure in a certain area with God and my adventure on the bike My prayer and hope is that this will lead the reader to begin and or continue on their own adventure with God As God spoke to me There is so much more to Me than what you have learned and experienced Just be open I hope He will also speak to you Let us go deeper and closer in our walk with Jesus

Missus on a motorbike Jackie Hartley,2013-12-02 In 2002 just when the kids had finally left home and life was getting a bit easier Jackie s husband came back from a conference and told her that he wanted to learn to ride a motorbike before he got too old Jackie was first shocked and then horrified Having witnessed a tragic bike accident in her early 20 s she was very against the idea and tried to talk him out of it Then slowly she got drawn into the fascinating world of biking and bikers until overcoming her own fears she took to the road on two wheels Full of wry observations about bikers both on and off bikes amusing anecdotes and a self mocking account of Jackie s efforts to learn to handle her machine on her ever widening travels this book shows us that motorbiking is not just about power speed and big macho men in leathers

Two Years in a Gulag Frank Pleszak,2013-02-15 The true story of a Polish peasant exiled to the harsh Gulags of north eastern Siberia during the Second World War

Cultural Heritage of the Great War in Britain Ross J. Wilson,2016-04-22 As the hundredth anniversary approaches it is timely to reflect not only upon the Great War itself and on the memorials which were erected to ensure it did not slip from national consciousness but also to reflect upon its rich and substantial cultural legacy This book examines the heritage of the Great War in contemporary Britain It addresses how the war maintains a place and value within British society through the usage of phrases references metaphors and imagery within popular media heritage and political discourse Whilst the representation of the war within historiography literature art television and film has been examined by scholars seeking to understand the origins of the popular memory of the conflict these analyses have neglected how and why wider popular debate draws upon a war fought nearly a century ago to express ideas about identity place and politics By examining the history usage and meanings of references to the Great War within local and national newspapers

historical societies political publications and manifestos the heritage sector popular expressions blogs and internet chat rooms an analysis of the discourses which structure the remembrance of the war can be created The book acknowledges the diversity within Britain as different regional and national identities draw upon the war as a means of expression Whilst utilising the substantial field of heritage studies this book puts forward a new methodology for assessing cultural heritage and creates an original perspective on the place of the Great War across contemporary British society

Motorcycle
Steven E. Alford, Suzanne Ferriss, 2008-01-03 Easy Rider Motocross Grand Prix James Dean in Rebel Without a Cause The motorcycle is a global icon of untamed freedom symbolizing a daring and reckless lifestyle of adventure Yet there are few books that chronicle how and when this legendary vehicle roared down the open road Motorcycle explores the roots of the rebel's ultimate ride After early incarnations as a nineteenth century steam powered bicycle and multi wheeled vehicles the modern motorcycle came into its own as a cheap mobile military asset during World War I From there it rapidly spread through modern culture as a symbol of rebellion and subversive power and Motorcycle tracks the symbolic role that the bike has played in literature art and film The authors also investigate the international subcultures that revolve around the motorcycle and scooter They chart the emergence of American biker culture in the 1950s when decommissioned fighter pilots sought new ways to satiate their desire for thrill and danger and explore how the motorcycle came to represent the untamed nonconformity of the American West In contrast smaller scooters such as the Vespa and moped became the utilitarian vehicle of choice in space starved metropolises across Europe and Asia Ultimately the authors argue the motorbike is the exemplary Modernist object dependent on the perfect balance of man and machine An unprecedented and wholly engrossing account Motorcycle is an essential reading for the Harley Davidson roadhog bike collector or anyone who's felt the power of the unmistakable king of the road

Tourist Experience Richard Sharpley, Philip Stone, 2010-10-04 To consume tourism is to consume experiences An understanding of the ways in which tourists experience the places and people they visit is therefore fundamental to the study of the consumption of tourism Consequently it is not surprising that attention has long been paid in the tourism literature to particular perspectives on the tourist experience including demand factors tourist motivation typologies of tourists and issues related to authenticity commodification image and perception However as tourism has continued to expand in both scale and scope and as tourists' needs and expectations have become more diverse and complex in response to transformations in the dynamic socio cultural world of tourism so too have tourist experiences Tourist Experience provides a focused analysis into tourist experiences that reflect their ever increasing diversity and complexity and their significance and meaning to tourists themselves Written by leading international scholars it offers new insights into emergent behaviours motivations and sought meanings on the part of tourists based on five contemporary themes determined by current research activity in tourism experience dark tourism experiences experiencing poor places sport tourism experiences writing the tourist experience and researching tourist experiences methodological approaches The

book critically explores these experiences from multidisciplinary perspectives and includes case studies from a wide range of geographical regions By analyzing these contemporary tourist experiences the book will provide further understanding of the consumption of tourism

Drive Iain Borden,2013-02-15 The open road it s a phrase that calls to mind a sense of freedom adventure and new possibilities that make driving one of our most liberating activities In Drive Iain Borden explores the way driving allows us to encounter landscapes and cities around the world He takes particular notice of how driving is portrayed in film from America to Europe to Asia and from Hollywood to the avant garde covering over a century of history and referencing hundreds of movies From the dusty landscapes of The Grapes of Wrath to the city streets of The Italian Job from the aesthetic delights of Rain Man and Traffic to the existential musings of Thelma and Louise and Vanishing Point from the freeway pleasures of Radio On and London Orbital to the high speed dangers of Crash Bullitt and C tait un Rendezvous this book shows how driving with different speeds cars roads and cities provides experiences and challenges beyond compare Borden concludes that as an integral part of modern life car driving is something to be celebrated and even encouraged making Drive a timely riposte to anti car attitudes and those blind to the richness of life behind the wheel

Lorraine Pascale - Supermodel Chef: The Unauthorised Biography Sue Blackhall,2013-10-17 LORRAINE PASCALE is a household name with several cookery shows and a number of bestselling cookery books under her belt plus a modelling career to boot But what do we really know about this beautiful celebrity chef and just who is the real Lorraine Pascale Author Sue Blackhall reveals for the first time the truth behind Lorraine Pascale s marriage and the story behind the colourful aristocrat who betrayed her While Lorraine was suffering with the pain of divorce the woman who had taken her husband was in court formally changing her name to his The result was an intriguing clash of the Countesses with both women determined to bear that title However that was not the only legacy of her marriage to a Polish Count whose wealth and its effect on Lorraine s life has never been disclosed before The life of Lorraine Pascale given up at birth suffering abandonment both as a child and a grown woman and fighting prejudice all the way is a true rags to riches tale Despite not having a straightforward upbringing Lorraine has not only had a successful modelling career after being spotted at the tender age of 16 but she has gone on to complete the Leith s Diploma of Food and Wine a foundation degree in International Culinary Arts in Pastry and work in some of the most renowned kitchens of the world Now Lorraine has established herself as a TV personality with her own cookery series Baking Made Easy and is a sought after chef Lorraine Pascale Supermodel Chef encompasses her rise from a housing association latchkey kid to a New York penthouse supermodel and from the insecurity she suffered as an adopted child to stardom as one of our most successful celebrity chefs This is a must read book

Spirituality in Counselling and Psychotherapy Dennis Lines,2006-10-16 Fascinating There is much here that is controversial thought provoking and very useful It is encyclopaedic in its breadth and use of knowledge Like rich food it needs to be taken in slowly savouring every morsel Thresholds Spirituality has been traditionally taboo within the counselling and psychotherapy

profession Denis Lines comes into this controversial scene with a rigorous but gentle mystical but grounded inspiring and thought provoking voice The book is well written and presents the model in the context of other therapeutic modalities which makes it interesting and useful for therapists from different backgrounds and practice settings It could also be of use for those involved in religious education pastoral care or anybody interested in the spiritual development of the self or the existential quest of humankind Therapy Today This gentle mystical empirical and scholarly book is truly inspirational and it deserves the widest possible readership among therapists religious educators and all those who care about the spiritual destiny of humankind Professor Brian Thorne Co founder The Norwich Centre and Emeritus Professor of Counselling University of East Anglia Spirituality in Counselling and Psychotherapy explores the idea that throughout the course of a therapeutic relationship between therapist and client a spiritual level is reached by the two people involved The author shows how this dimension can help clients who are living in an increasingly secular and faithless society to find some resolution with the issues they bring to therapy By exploring different perspectives on religion and spirituality the book provides therapists with the grounding they need to introduce spiritually centred counselling into their practice It describes the characteristics of spiritual counselling and covers practical considerations such as recognising indications from the client to move into a spiritual mode of therapy exploring the self through spiritual work within the therapeutic process and how this can lead to healing and growth how to deal with doubt and scepticism over issues of spirituality The book is illustrated throughout with transcripts and case studies to show how therapists can integrate the spiritual within their own approach to therapeutic work It will be invaluable to all those who wish to explore this dimension in their work with clients *Education World* ,2006 The British National Bibliography Arthur James Wells,2006 **The Publishers Weekly** ,2006
