, 2005-11 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **Rodeo** Susan Nance, 2020-04-23

What would rodeo look like if we took it as a record not of human triumph and resilience but of human imperfection and stubbornness asks animal historian Susan Nance Against the backdrop of the larger histories of ranching cattle horses and the environment in the West this book explores how the evolution of rodeo has reflected rural western beliefs and assumptions about the natural world that have led to environmental crises and served the beef empire By unearthing behind the scenes stories of rodeo animals as diverse individuals this book lays bare contradictions within rodeo and the rural West For almost 150 years westerners have used rodeo to symbolically reenact their struggles with animals and the land as uniformly progressive and triumphant Nance upends that view with accounts of individual animals that reveal how diligently rodeo people have worked to make livestock into surrogates for the trials of rural life in the West and the violence in its history Western horses and cattle were more than just props Rodeo reclaims their lived history through compelling stories of anonymous roping steers and calves who inspired reform of the sport such as the famed but abused buckner Steamboat and the many broncs and bulls famous or not who unknowingly built an industry Rodeo is a dangerous sport that reveals many westerners as people proudly tolerant of risk and violence and ready to impose these values on livestock In Rodeo An Animal History Nance pushes past standard histories and the sport's publicity to show how rodeo was shot through with stubbornness and human failing as much as fortitude and community spirit **American Cowboy**, 2006-11 Published for

devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **The Cowboy Encyclopedia** Richard W. Slatta, 1996 Over 450

entries provide information on cowboy history culture and myth of both North and South America **Cattle Drive**

**(ENHANCED eBook)** Robynne Egan, 2002-03-01 Cowboys riding their horses across the prairie taking huge herds of cattle

to market sleeping under the stars as coyotes howl in the night it s a scene familiar to all and especially beloved by children Almost all boys and many girls at some point in their young lives dream of being cowboys But most don t have any idea how hard those cowboys had to work or what dangers and discomforts they faced along the trail This book will help students put themselves in the place of the cowboy and learn some of the details behind the exciting life style
