## **Longman Dictionary Of English Idioms:**

**Longman Dictionary of English Idioms** Thomas Hill Long, 1979-01 A complete and easy to use guide to English idioms With its detailed analysis of over 4500 idioms the Longman Dictionary of English Idioms provides the advanced learner with an indispensable reference tool **Longman Dictionary of English Idioms**, 1989 *Longman Dictionary of English Idioms*, 1984 The Longman Dictionary of English Idioms Thomas Hill Long, 1979 *Longman Idioms Dictionary* Karen Stern, Della Summers, 1998 Tearing your hair out over idioms Feel like you're always in the dark Don't worry you can't go wrong with the Longman Idioms Dictionary *English Dictionaries for Foreign Learners* Anthony Paul Cowie, 2002 This is the first history of dictionaries of English for foreign learners from their origins in Japan and East Asia in the 1920s to the computerized compilations of the present Monolingual dictionaries for foreign speakers were a revolutionary development at their outset and now represent a coming together of intellectual technological and commercial forces almost unequalled in book publishing As the author shows the early history of EFL dictionaries was research driven arising directly from research in linguistic theory and language pedagogy now it is user driven determined by what users require or are thought to require The pioneering dictionaries were the work of individuals Current dictionaries are the products of huge databases manipulated by sophisticated processing as publishers strive to share an immense and ever growing global market The book has both a thematic and a chronological structure Three chapters describe the historical sequence over a period of some sixty years These alternate with chapters dealing with phraseology computers and corpus linguistics and research into dictionary users and uses three subjects central to the development of ELT dictionaries over the last thirty years Anthony Cowie examines the way in which availability of massive computing power has transformed the recording and analysis of current speech and shows how the growth of research into the users and uses of dictionaries has led to developments both in ELT lexicography and method This readable and non technical account is directed at professionals in applied linguistics and English language teaching and at lexicographers but it will fascinate everyone concerned with the analysis of English and faced with the challenge of recording the subtleties of its grammar and meaning **Idioms in English** Jürg Strässler, 1982

**Dictionary of Americanisms, Britishisms, Canadianisms and Australianisms** V.S. Matyushenkov, 2010-01-30 The Dictionary Of Americanisms Canadianisms Britishisms and Australianisms is a complete modern and comprehensive dictionary featuring a large word list of more than 20000 entries The purpose of this book is to provide a generous sampling of words and expressions of the various spheres of life in the USA Great Britain Australia and Canada during the last centuries The dictionary also features a collection of slang and colloquial expressions in these four countries in the twentieth century It has a clear easy to use format and is ideal for students schools libraries tourists and anyone who is interested in varieties of English spoken in major English speaking countries A Dictionary of Confusable Phrases Yuri Dolgoplov, 2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not

show corresponding similarity in their meanings this dictionary presents a unique cross section of the English language Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms cliches and set expressions Most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency

*A Syntactic Study of Idioms* Anna Dąbrowska, 2018-09-30 Since the general tendencies of present day English focus more on idiomatic usage it seems to be worth paying attention to the role phraseological units play in a language In the field of English phraseology linguists have shown a constant interest in idioms Undoubtedly not only are idioms an important part of the language and culture of the society but they also carry more impact than non idiomatic expressions because of their close identification with a particular language and culture It is difficult to speak or write English without using idioms especially while describing one's emotional or mental condition Therefore it is interesting and worthwhile to analyse both the language of phraseological units and emotions In other words this book focuses not only on idioms but also on one's psychological condition However its purpose is neither to discuss the issues of idioms and emotions from the psychological point of view nor provide a conceptual analysis of emotional metaphors Instead the book analyses idioms referring to psychological states in English from the perspective of syntax focusing particularly both on the syntactic structure of this specific set of verbal psych idioms and on the constraints on the way they are built Therefore the most current studies performed within the scope of the Phase Theory and the Idioms as Phases Hypothesis are chosen to address certain syntactic problems that idioms pose

*Bilingual Lexicography from a Communicative Perspective* Heming Yong, Jing Peng, 2007 This stimulating new book as the premier work introducing bilingual lexicography from a communicative perspective is launched to represent original thinking and innovative theorization in the field of bilingual lexicography It treats the bilingual dictionary as a system of intercultural communication and bilingual dictionary making as a dynamic process realized by sets of choices characterizing the overall nature of the dictionary It examines the dictionary and dictionary making by using a model of lexicography which stresses the three way relationship of compiler dictionary context and user and incorporates them into a unified coherent framework Throughout the study special focus is on English and Chinese bilingual lexicography It will serve not only as a valuable guide to those interested in dictionary compilation and theoretical inquiries but also as a textbook for undergraduate and postgraduate courses in bilingual lexicography

**From Words to Fixed Expressions** Ewa Komorowska, Magdalena Lisiecka-Czop, Danuta Stanulewicz, 2025-07-14 The volume examines lexical and idiomatic phenomena in various Indo European languages covering a wide range of linguistic and interdisciplinary studies while addressing both single language issues and contrastive perspectives The key topics include vocabulary and in particular phraseology in Slavic Germanic and Romance languages across different areas of linguistic communication It explores the role of vocabulary in general as well as in therapeutic and specialised communication e g

mathematical or mathematically motivated phraseology and legal terminology and in language acquisition The volume also concentrates on proverbs and idiomatic expressions

**Unlocking the English Language** Robert Burchfield, 1992-12 As we grapple with an English language adapting and expanding faster than ever Robert Burchfield offers a sane humanistic and historically illuminating account of how words enter our official vocabulary In this lively collection of essays he shows us that dictionaries far from being static are hotly contested social documents resulting from the interaction of the language the lexicographer and his times Drawing on the author's thirty years experience as the editor of the Supplement to the Oxford English Dictionary this book gives us a firsthand account of the sorts of decisions lexicographers have confronted since Samuel Johnson's great dictionary such as the uses of literary authority the inclusion of ethnic vocabulary the establishment of standard usage as well as more contemporary issues including the implications of compiling dictionaries in the computer age There is also a wealth of insights into the history of our language its rich past and its potential future From publisher description

**Know it All, Find it Fast** Robert John Duckett, Bob Duckett, Peter Walker, Christine Donnelly, 2008 There is a queue the phone is ringing the photocopier has jammed and your enquirer is waiting for a response You are stressed and you can feel the panic rising Where do you go to find the information you need to answer the question promptly and accurately Answering queries from users is one of the most important services undertaken by library and information staff Yet it is also one of the most difficult least understood subjects There are still very few materials available to help frontline staff often paraprofessional develop their reader enquiry skills This award winning sourcebook is an essential guide to where to look to find the answers quickly It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more It is arranged in an easily searchable fully cross referenced A Z list of around 150 of the subject areas most frequently handled at enquiry desks Each subject entry lists the most important information sources and where to locate them including printed and electronic sources relevant websites and useful contacts for referral purposes The authors use their extensive experience in reference work to offer useful tips warn of potential pitfalls and spotlight typical queries and how to tackle them This new edition has been brought right up to date with all sources checked for currency and many new ones added The searchability is enhanced by a comprehensive index to make those essential sources even easier to find saving you valuable minutes Readership Offering quick and easy pointers to a multitude of information sources this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject departments and other information units

**Phraseology in Multilingual Society** Elena Arsenteva, 2014-03-17 This unique volume showcases the best presentations of the international conference Phraseology in Multilingual Society held at Kazan Federal University Russia in August 2013 The twenty seven essays included here represent different research efforts by specialists in phraseology from around the world The book reflects numerous different aspects of phraseological research including those from semantic pragmatic and comparative

fields of study Furthermore the volume also presents an investigation of some practical problems of paremiology and phraseography *Idioms* Cristina Cacciari, Patrizia Tabossi, 2014-02-25 The book draws on a lot of research is friendly to the reader and will be of good value to teachers Paul Nation Victoria University of Wellington Australia This comprehensive up to date and accessible text on idiom use learning and teaching approaches the topic with a balance of sound theory and extensive research in cognitive linguistics psycholinguistics corpus linguistics and sociolinguistics combined with informed teaching practices *Idioms* is organized in three parts Part I includes discussion of idiom definition classification usage patterns and functions Part II investigates the process involved in the comprehension of idioms and the factors that influence individuals understanding and use of idioms in both L1 and L2 Part III explores idiom acquisition and the teaching and learning of idioms focusing especially on the strategies and techniques used to help students learn idioms To assist the reader in grasping the key issues study questions are provided at the end of each chapter The text also includes a glossary of special terms and an annotated list of selective idiom reference books and student textbooks *Idioms* is designed to serve either as a textbook for ESL applied linguistics teacher education courses or as a reference book No matter how the book is used it will equip an ESL applied linguistics students and professionals with a solid understanding of various issues related to idioms and the learning of them

**Aspects of Modern Language Teaching in Europe** Wolf Gewehr, 2002-03-11 From the teaching of grammar to the teaching of literature from classroom teaching to independent learning from role playing to CAL few books on teaching languages cover such a wide field In this book teaching experience and research from practitioners in four European countries throw new light on old problems faced every day while others reveal innovative teaching methods and new insights into how teachers and learners interact Sections include language learning strategies and computer assisted language learning facilitating individual progress through autonomous learning how to bring a foreign country alive in the classroom de mythologising grammar teaching how different types of dictionaries can make valuable contributions to language teaching teaching and using idiomatic phrases

Meaning and Grammar Michel Kefer, Johan van der Auwera, 2013-07-31 No detailed description available for Meaning and Grammar The Cambridge Encyclopedia of the English Language David Crystal, 2018-11-29 Now in its third edition The Cambridge Encyclopedia of the English Language provides the most comprehensive coverage of the history structure and worldwide use of English Fully updated and expanded with a fresh redesigned layout and over sixty audio resources to bring language extracts to life it covers all aspects of the English language including the history of English with new pages on Shakespeare s vocabulary and pronunciation updated statistics on global English use that now cover all countries and the future of English in a post Brexit Europe regional and social variations with fresh insights into the growing cultural identities of new Englishes English in everyday use with new sections on gender identities forensic studies and big data in corpus linguistics and digital developments including the emergence of new online varieties in social media platforms such as Facebook Twitter and WhatsApp Packed with brand

new colour illustrations photographs maps tables and graphs this new edition is an essential tool for a new generation of twenty first century English language enthusiasts      **English monolingual learners' dictionaries** John D.

Battenburg,2017-12-04 Lexicographica Series Maior features monographs and edited volumes on the topics of lexicography and meta lexicography Works from the broader domain of lexicology are also included provided they strengthen the theoretical methodological and empirical basis of lexicography and meta lexicography The almost 150 books published in the series since its founding in 1984 clearly reflect the main themes and developments of the field The publications focus on aspects of lexicography such as micro and macrostructure typology history of the discipline and application oriented lexicographical documentation

### **Longman Dictionary Of English Idioms Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Longman Dictionary Of English Idioms has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Longman Dictionary Of English Idioms has opened up a world of possibilities. Downloading Longman Dictionary Of English Idioms provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Longman Dictionary Of English Idioms has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Longman Dictionary Of English Idioms. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Longman Dictionary Of English Idioms. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Longman Dictionary Of English Idioms, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Longman Dictionary Of English Idioms has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Longman Dictionary Of English Idioms Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
