Look Back My Love:

Looking Backwards 2000 to 1887 Edward Bellamy, 2019-09-25 Reproduction of the original Looking Backwards 2000 to 1887 by Edward Bellamy **Looking Backward: 2000 - 1887** Edward Bellamy, 2003-01-02 Edward Bellamy's Looking Backward 2000 1887 1888 is one of the most influential utopian novels in English. The narrative follows Julian West who goes to sleep in Boston in 1887 and wakes in the year 2000 to find that the era of competitive capitalism is long over replaced by an era of co-operation. Wealth is produced by an industrial army and every citizen receives the same wage. This edition contains a rich selection of appendices including excerpts from Bellamy's Equality and other writings contemporary responses by William Morris Charlotte Perkins Gilman and others excerpts from utopian works by Morris and William Dean Howells and an excerpt from Henry George's Progress and Poverty **Looking Backward** Edward Bellamy, 2020-12-01 Julian West is an aristocrat in 19th century America. He has all that he would ever need a happy engagement wealth and a pleasant place to live. Because of his comfortable place in society Julian is unsympathetic to the plight of the middle and lower class and even looks to their protests and strikes with disdain and contempt. One day to calm himself he decides to be put in a hypnotic sleep by his doctor in his own underground bunker. This was routine for Julian but when tragedy in the form of a fire strikes Julian is presumed dead and left in the bunker. A century later Julian is found but wakes to a world he could never predict. With the help of the man that found him Doctor Leete and Leete's daughter Edith Julian becomes familiar with the 20th century American reality of equality between the sexes the abolition of poverty free education and fair working conditions. Julian must then accept recognize his unempathetic views of the past now understanding that life is better when people of all genders classes and race can be happy. But when Julian finds himself back in the 19th century he struggles to convince others of his knowledge and starts to wonder if the ideal 20th century was all a dream. Looking Backward was one of the most commercially successful novels of the 19th century and upon its publication inspired mass political movement. With the portrayal of the 20th century Bellamy advocates for equality and rejects war and capitalism. By depicting a happy working environment where citizens had the freedom to choose their occupations receive fair wages and are able to retire at a reasonable time Bellamy raises awareness for the working class. Looking Backward has since inspired the ideology of socialism and proposes solutions to problems that America still struggles with today. This edition of Looking Backward by Edward Bellamy features a striking new cover design and is reprinted in a readable font. With these changes the compelling plot and insight of Looking Backward is accessible and worthy of conversation Living On Purpose Amy Eliza Wong, 2022-05-24 Achieve Profound Discernment and Joy. In the fall of 1959, Norma Beecroft, a twenty-five-year-old composition student, left her home in Toronto and travelled to Rome to study with the eminent Italian composer Goffredo Petrassi. She left behind her lover and mentor, the thirty-four-year-old Harry Somers, by then recognized as one of Canada's leading young composers. For the next six months, they wrote each other almost every day. Their intense and intimate correspondence documents lives lived apart but shared on the page until the relationship came to an abrupt end. Selected from the full extant correspondence, the letters show both composers at pivotal moments in their careers, processing music and culture in their respective environments in ways that would remain influential for themselves and to each other. Beyond illuminating a tempestuous love affair, their wide-ranging letters capture the development of Canadian arts and culture of the period. They record observations about significant figures in their circles, the performances, theatre, and art Somers experienced in Toronto, and Beecroft's attempts to forge a viable compositional approach through contact with important artists and composers abroad. Somers eventually realized that what he wanted most was for Beecroft to give up her studies and return to Toronto to marry him. She turned him down and remained in Italy to

study and write music cementing her commitment to the vocation that would shape the rest of her creative life She would break ground as a woman in her field a producer for the CBC and a composer and early champion of electroacoustic music A window into cultural life in Canada and Rome at the end of the 1950s Between Composers is a striking record of a turning point in the lives and careers of two young artists that would mark them and their music for decades [Whisky And Wishes](#) Donna Grant,2020-12-07 Return to New York Times bestselling author Donna Grant s Dark King world for a special holiday novella Finally free of the dangers surrounding him and the burden of pining after his mate the King of Dragon Kings is ready for some peace time to enjoy the woman he loves without interruption Sure the matter of accessing the clans across the Dragon Bridge still looms as does the ultimate Fate of Con and his brethren But for now Con plans to enjoy the people he loves and celebrate the holidays with those closest to him Why borrow from tomorrow s problems When the time comes to confront what s next they will do it Together *The Female Poets of America* Rufus Wilmot Griswold,1860 **The Female Poets of America** Rufus Wilmot Griswold,1853 **War Within** Michael R.
