A Love for the Pages Joy Penny, 2014-06-14 Kiss Marry Kill Nineteen year old June Eyermann has always known exactly which of her favorite Byronic heroes goes where She d kiss moody and possessive Rochester from Jane Eyre and marry prideful but repentant Darcy from Pride and Prejudice leaving obsessive and spiteful Heathcliff from Wuthering Heights to be chucked off a cliff but no She couldn t leave any of her heroes behind She lives for her favorite fictional worlds But June is about to get a serious wake up call when she returns home for the summer after her college freshman year Stuck somewhere between feeling like a kid again under her parents roof and being forced to start acting like an adult with worries about her future career June looks at the library volunteer position offered to her as a way to keep her sanity for the next few months before she can go back to school What June doesn t expect to find at the library is her favorite romantic heroes brought to life all in the same man Obstinate prideful and even a bit rude Everett Rockford shouldn t exactly be dating material even if June s heart rate accelerates whenever she s near him But after discovering his enigmatic past and witnessing a few fiery moments of tenderness June can t help but see Rochester Darcy and even Heathcliff in Everett If she s going to make it through the summer without becoming a tragic heroine in her own story she has to separate the man from the ideals of fiction in her head Because if there s one thing she knows about Byronic love stories it s that they don t always end happily ever after

*Broken Country* C. L. Rawlins, 2014-09-23 C L Rawlins previous book Sky s Witness was praised by Jim Harrison for the spaciousness of its thought and the antic wit of its style Broken Country takes us back to the source Wyoming s remote Salt River Range where the author s life changed for good in the summer of 1973 Thus with a rift between himself and his family his heritage and a nation at war Rawlins begins a journey to the American interior

He takes to the high country with a team of horses three dogs and a friend named Mitchell Black to watch over a herd of sheep And there he encounters not only a rugged landscape but his own mythic legacy the frontier West To be found he writes you must be lost or lose yourself And to be whole you must know that you are or can be or will be broken Here is fresh air ferocious mirth and a hint of silent terror as Rawlins tackles the questions we long to ask of ourselves and our tangled world As our reach extends to the vastness of the land it also deepens to touch the mysteries of the heart In Broken Country we find both storm and shelter as the author guides us to the place of understanding Hands-On Science, Level 4 Jennifer Lawson,1999 This teacher resource offers a detailed introduction to the Hands On Science program which includes its guiding principles implementation guidelines an overview of the science skills that grade 4 students use and develop and a classroom assessment plan complete with record keeping templates This resource has four instructional units Unit 1 Habitats and Communities Unit 2 Light Unit 3 Sound Unit 4 Rocks Minerals and Erosion Each unit is divided into lessons that focus on specific curricular outcomes Each lesson has materials lists activity descriptions questioning techniques activity centre and extension ideas assessment suggestions activity sheets and visuals **The Hollow Identity** Duane Wisniewski,2019-10-09 Shayne Tucker lives in a loveless home Constantly bullied by his older brother Doug and the recipient of physical and emotional abuse from his father He carefully navigates through his adolescence in an effort to stay clear of his father's wrath and find some semblance of a normal happy life His grandparents provide him with some balance as they are happy to give him the attention and love he so desperately needs Unfortunately their influence is limited and their efforts to see him are often in vain As time passes Shayne becomes aware that something about his family is not quite right There lies a secret within the core of his family that has existed long before he was born As the secret unfolds it threatens to unravel his entire world and possibly tear his family as he knows it apart **Discourses of Cycling, Road Users and Sustainability** M. Cristina Caimotto,2020-05-07 This book employs a Critical Discourse Studies CDS framework to examine cycling mobility marking a new turn in ecolinguistic discourse analysis The author focuses specifically on environment related arguments concerning the promotion of higher levels of cycling mainly as a means of transport and investigates the US vs THEM narratives present in many discourses about road users Analysing newspaper articles institutional documents and spoken interviews the author searches for a positive new discourse that would inspire and encourage cycling as a habitual means of transport rather than simply exposing ecologically destructive discourse The book will be of interest to scholars of discourse and ecolinguistics as well as contributing to the lively debate about how to increase cycling in fields such as sustainability sociology transport planning and management *Habitats and Communities* Jennifer Lawson,2001 The 12 lessons in this module introduce students to plant and animal habitats and humans environmental responsibilities for these living things Students investigate animal and plant adaptations and relationships within a community They also learn about the herbivores carnivores omnivores predators prey scavengers producers consumers and decomposers that comprise various food chains

Aspiring filmmaker June Masterson has high hopes for her first documentary, the true story of the disappearance of famed mystery author Greer Larkin. June learned about the vanishing at age fourteen, locked down on her family's isolated commune. Now the deeper she digs into the project, the darker the story gets. Everyone has a theory: Greer's mother, Blanche, and her best friend Rachel believe that Greer's fiancé, Jonathan, is the culprit. Greer's agent is convinced that Greer committed suicide after a debilitating bout of writer's block. And Jonathan claims it was either Greer's controlling mother or Rachel, whose attachment to Greer went way beyond friendship. In desperation, Rachel gives June a suitcase full of Greer's most personal writings in hopes of finding proof against Jonathan. Then Rachel turns up dead. As June pores over Greer's writings, she makes a devastating discovery that could finally reveal the truth about the author's fate. But now June finds herself in the sights of a killer who'll stop at nothing to keep their darkest secret. Wrap It Up! Bonnie Hardy, 2024-10-08. Who killed Baubles the Clown? Plus, there's the secret she's kept from her daughter Sage that keeps threatening her peace of mind. If that isn't enough, Sage is overwhelmed with her concerns. On winter break from the Lily Rock Academy, she's keeping her eye on Elf One and Elf Two at the town's wrapping station. But when her old friend Brad drops by, wearing an unfamiliar fancy ring, she suspects he knows more than he's saying about Baubles's demise. The Christmas pageant booths at the fair. Cinnamon Rolls.
