God, You Are Healing for My Soul (Words Straight from the Heart) Carol S. Wright, 2011-12-19 Every day people awake thinking they can do things their way Maybe you were on the right path with God and you turned away Suddenly things that were once going well now are going downhill Those who were your so called friends have turned their backs on you Why Because you lost everything when you placed someone or something ahead of God This includes your family I encourage people to write I have found it to be a form of therapy A way to express myself out loud This book represents a group of poems from my Spiritual Guidance Collection about my life that I experienced during the good and bad times Someone might say the poems are a conversation with God a form of prayer My hope is that everyone who reads this book will find their way back to God the Creator

The Church of All Ages. Four Addresses on the Christian Revelation William Josiah Irons, 1875

I Am Not a Victim, I'm a Ministry Gift Evangelist Linda J. Waiters, 2006-01-03 This book a testimony of the author s life experiences permitted by God is simply God s predestined release of just one of many tools specifically designed to awaken His Church from its state of apostasy As

the author unveils Satan's strategic plan to abort her God-ordained destiny to preach the fundamentals of apostasy which not only worked against her but continue to work against the true Church of today are also revealed. Evangelist Waiters meticulously contrasts the activation of spiritual gifts such as dreams of Hell in her childhood versus satanical attacks like molestation, racial struggles, voodoo, betrayals, addictions, promiscuity, and abortion designed to destroy her even before she received Christ and recognized the call on her life. God delivered her from the jaws of death several times. After receiving Christ and being gloriously baptized in the Holy Ghost, she records experiences in church which promoted Satan's plan of destruction more so than God's plan of redemption. She shares events which ultimately led her back into cycles of destruction including internet dating. Nevertheless, her testimony serves as God's heart cry and warning to clergy worldwide against the mishandling of His children seeking Him as their refuge. Eventually, God's grace brings her to the realization that she is not the vessel of dishonor she resigned herself to be but that she was systematically being trained and qualified to sound an alarm to the Body of Christ. Consequently, this book exposes the workings of the spirit of Jezebel which operates hand in hand with apostasy. Satanic snares and contracts are exposed along with explanations as to why Believers remain bound and ineffective through the discussion of false prophets, greed, tradition, and idolatry. The author concludes by extending hope to readers through the discussion of salvation and why we need Jesus Christ to save us.

Bipolar is a serious illness that requires an integrated approach to solving the enigma. This is an informal guide that pulls no punches and talks about everything from sexual promiscuity to manic spending to delusions of grandeur. Over twenty years I have learned to lessen its power over my existence. It can become less of an illness and over time more of an opportunity. We need to look at bipolar in new ways to get different results. Having a reassuring friend who's been there makes the difference. I teach many basic easy to learn approaches. A recent test reader who was in the mire of illness described the book as a bridge out she returns to *The Bipolar Guide* to review the principles that helped her to live. I strive in this book to take alternative approaches to work through the negative illness traits to plug into the gift side. I have been through the highs and the lows of manic depression and have embraced the advantages and continue to live an enhanced life. I promote responsibility in this book; there are no excuses just
