## Look Away A Dixie Notebook:

Look Away! James Howell Street, 1977      Annual Report of the Archivist of the United States National Archives (U.S.), 1934      **The Free State of Jones** Victoria E. Bynum, 2003-02-01 Across a century Victoria Bynum reinterprets the cultural social and political meaning of Mississippi's longest civil war waged in the Free State of Jones the southeastern Mississippi county that was home to a Unionist stronghold during the Civil War and home to a large and complex mixed race community in the late nineteenth and twentieth centuries      *The Long Shadow of the Civil War* Victoria E. Bynum, 2010-04-15 The Long Shadow of the Civil War relates uncommon narratives about common Southern folks who fought not with the Confederacy but against it Focusing on regions in three Southern states North Carolina Mississippi and Texas Victoria E Bynum introduces Unionist supporters guerrilla soldiers defiant women socialists populists free blacks and large interracial kin groups that belie stereotypes of Southerners as uniformly supportive of the Confederate cause Centered on the concepts of place family and community Bynum's insightful and carefully documented work effectively counters the idea of a unified South caught in the grip of the Lost Cause      **Arkansas** Writers' Program of the Work Projects Administration in the State of Arkansas, 1941      **Tap Roots** James H. Street, 2014-05-22 In the second novel of the Dabney family saga Sam l Dabney is no longer ol man Dabney's brat but has become a rich and successful aristocrat of such great influence that some call him the Father of Mississippi and Alabama Old and dying he and Tishomingo a prince of the Choctaws are all who are left of the group who fled the Promised Land After Sam's death the Dabney family strong greedy and imbued with raw courage jeers at fate and dares the impossible They secede from Mississippi organize an independent republic called the Free State of Lebanon and wage a no quarter war against the might and millions of the Confederacy at a time when the Union seemed doomed Some die in battle others on the gallows and only a few live to see the tiny spark they kindled blaze into a fire for freedom The family is led by Sam's son Hoab a shouting abolitionist and religious zealot whose secret is still carefully guarded and if ever revealed may rock the South He and wife Shellie and their children Cormac red headed Morna in spirit much like her great aunt Honoria and the twins Aven and Bruce continue Sam's legacy the tap root that pushed through the loam and into the red clay bed of the valley and from which the Dabney legacy continues to flourish They are joined by others neighbor Claiborne MacIvor who loved two Dabney women Keith Alexander the morose and unbelievably handsome Black Knight of Vengeance and Reverend Kirkland the pudgy little preacher who told a great denomination I'll see you in hell before I surrender my rights I am but a feeble ripple but behind me comes the whirlwind Tap Roots begins in 1858 and moves to a thunderous climax in 1865 The book is based on the true story of the free state of Jones in which the farmers and workmen of Jones County in Mississippi decide to succeed from both the United States and the Confederacy In this part of the South there were few if any plantations most people worked their own farms and held no slaves and they strongly resented being required to fight a rich man's war The majority of settlers were also of Scots Irish decent and did not believe

in slavery so they decided to form a Republic of free men Tap Roots was a best seller and later made into a film starring Susan Hayward     **A Place Like Mississippi** W. Ralph Eubanks,2021-03-16 This is the book all of us Mississippi writers dead and alive need to read It is indeed a strange but glorious sensation to see your literary and geographic lineage so beautifully and rigorously explored and valued as it s still being created Kiese Laymon author of Heavy An American Memoir The South has produced some of America s most celebrated authors and no state more so than Mississippi Names as diverse as Faulkner Welty and Ward have created a literary legacy spanning decades and stretching across lines of class gender and race One thing binds together these wide ranging perspectives the land itself In A Place Like Mississippi W Ralph Eubanks explores those ties and the ways in which the Magnolia State has fostered such a bounty of expression The stories haven t always been easy to tell even beautiful landscapes can t obscure a complicated history The state s African American writers have long recounted the fight for equality forming a lineage of powerful Black voices that continue to speak with urgency in our tumultuous times Yet underlying those truths is also a deep affection for Mississippi s places With the love of a native son Eubanks pays tribute to the inspiration that can come from the lay of the land proving that a journey through one state s literary terrain can help us better understand America as a whole     **The Free State of Jones, Movie Edition** Victoria E. Bynum,2016-01-25 Between late 1863 and mid 1864 an armed band of Confederate deserters battled Confederate cavalry in the Piney Woods region of Jones County Mississippi Calling themselves the Knight Company after their captain Newton Knight they set up headquarters in the swamps of the Leaf River where they declared their loyalty to the U S government The story of the Jones County rebellion is well known among Mississippians and debate over whether the county actually seceded from the state during the war has smoldered for more than a century Adding further controversy to the legend is the story of Newt Knight s interracial romance with his wartime accomplice Rachel a slave From their relationship there developed a mixed race community that endured long after the Civil War had ended and the ambiguous racial identity of their descendants confounded the rules of segregated Mississippi well into the twentieth century Victoria Bynum traces the origins and legacy of the Jones County uprising from the American Revolution to the modern civil rights movement In bridging the gap between the legendary and the real Free State of Jones she shows how the legend what was told what was embellished and what was left out reveals a great deal about the South s transition from slavery to segregation the racial gender and class politics of the period and the contingent nature of history and memory In a new afterword Bynum updates readers on recent scholarship current issues of race and Southern heritage and the coming movie that make this Civil War story essential reading The Free State of Jones film starring Matthew McConaughey Gugu Mbatha Raw and Keri Russell will be released in May 2016     **Pride of Possession** James Street,Don Tracy,2015-04-26 A Young Adult Adventure set in the wilds of the Great Smokey Mountains When Braith McCable is attacked by a wild boar his son Kiah watches the father he idolizes go to death a father so huge so last forever that it seems to Kiah that his Pa has simply stepped out of reach and

has not really departed in spite of what the preacher says During the paralyzing moments of the boar s attack Kiah stands by unable to act and later suffers from such great guilt and shame that he vows to avenge his father s death Together with two friends and couple of mutt pups Kiah begins the seemingly hopeless task of organizing and executing a hunt a secret and dangerous undertaking that he must plan against the wishes of his mother Published posthumously this is a story that could very well surpass The Biscuit Eater James Street s most famous book also about boys and hunting dogs Pride of Possession is a sensitive and insightful account that deals equally well with the adolescent struggles of Kiah and his friends as well as the adults with whom they are often in conflict Together with Street s memorable portrait of the Smokey Mountains and a family at odds with the unthinkable this is a book that will linger long after the last page is read **South** James H.

Street,2015-02-24 James Street was born and raised in the South and was one of its most passionate and eloquent voices Through this collection of articles from Holiday and the Saturday Evening Post the people and the cities of the South come to life legends are explored contradictions examined historical milestones noted personal anecdotes retold and quips and quotes of a 1950 s generation recorded Flowing through his stories are the great rivers of the South which although sometimes merry and sometimes gloomy wind and roll and tumble through the collection like liquid poetry To James Street the South was heaven and contained everything good and big and wonderful in life the things that made people human The South was a love he cherished to himself and championed to the nations For him it was the measure of life the temper of men and the crucible of artistic sensibility Writing about Time Cindy Weinstein,2019 Many of the finest critics working in American literature explore the representation of time from colonial times to the present *Arkansas: A Guide to the State* ,

Catalog of Copyright Entries. New Series Library of Congress. Copyright Office,1936 **Water Tossing Boulders** Adrienne Berard,2016-10-18 A generation before Brown v Board of Education struck down America s separate but equal doctrine one Chinese family and an eccentric Mississippi lawyer fought for desegregation in one of the greatest legal battles never told On September 15 1924 Martha Lum and her older sister Berda were barred from attending middle school in Rosedale Mississippi The girls were Chinese American and considered by the school to be colored the school was for whites This event would lead to the first US Supreme Court case to challenge the constitutionality of racial segregation in Southern public schools an astonishing thirty years before the landmark Brown v Board of Education decision Unearthing one of the greatest stories never told journalist Adrienne Berard recounts how three unlikely heroes sought to shape a new South A poor immigrant from southern China Jeu Gong Lum came to America with the hope of a better future for his family Unassuming yet boldly determined his daughter Martha would inhabit that future and become the face of the fight to integrate schools Earl Brewer their lawyer and staunch ally was once a millionaire and governor of Mississippi When he took the family s case Brewer was both bankrupt and a political pariah a man with nothing left to lose By confronting the separate but equal doctrine the Lum family fought for the right to educate Chinese Americans in the white schools of the Jim Crow

South Using their groundbreaking lawsuit as a compass Berard depicts the complicated condition of racial otherness in rural Southern society In a sweeping narrative that is both epic and intimate *Water Tossing Boulders* evokes a time and place previously defined by black and white a time and place that until now has never been viewed through the eyes of a forgotten third race In vivid prose the Mississippi Delta an empire of cotton and a bastion of slavery is reimaged to reveal the experiences of a lost immigrant community Through extensive research in historical documents and family correspondence Berard illuminates a vital forgotten chapter of America's past and uncovers the powerful journey of an oppressed people in their struggle for equality

*Mississippi Forests and Forestry* James E. Fickle, 2001 From prehistory to the present people have harvested Mississippi's trees cultivated and altered the woodlands and hunted forest wildlife Native Americans the first foresters periodically burned the undergrowth to improve hunting and to clear land for farming *Mississippi Forests and Forestry* tells the story of human interaction with Mississippi's woodlands With forty black and white images and extensive documentation this history debunks long held myths such as the notion of the first settlers encountering virgin forests Drawing on primary materials government documents newspapers interviews contemporary accounts and secondary works historian James E Fickle describes an ongoing commerce between people and place from Native American maintenance of the woods to white exploration and settlement to early economic activities in Mississippi's forests to present day conservation and responsible use Viewed over time issues of conservation are rarely one sided *Mississippi Forests and Forestry* describes how the rise of scientific forestry coincided with the efforts of some early lumber companies and industrial foresters to operate responsibly in harvesting trees and providing for reforestation Surprisingly the rise of the pulp and paper industry made reforestation possible in many parts of the state *Mississippi Forests and Forestry* is a history of individuals as well as industries The book looks closely at the ways the lumber industry operated in the woods and mills and at the living and working conditions of people in the industries It argues that the early industrial foresters some lumber companies and pulp and paper manufacturers practiced utilitarian conservation By the late 1950s they accomplished what some considered a miracle Mississippi's forests had been restored With the rise of environmentalism in the 1960s popular ideas concerning the proper management and use of forests changed Practices such as clear cutting single age management and manufacturing by chip mills became highly controversial Looking ahead *Mississippi Forests and Forestry* examines the issues that remain heated topics of conservation and use

*Black Liberation/red Scare* Gerald Horne,1994-07 Black Liberation Red Scare is a study of an African American Communist leader Ben Davis Jr 1904 64 Though it examines the numerous grassroots campaigns that he was involved in it is first and foremost a study of the man and secondarily a study of the Communist party from the 1930s to the 1960s By examining the public life of an important party leader Gerald Horne uniquely approaches the story of how and why the party rose and fell Ben Davis Jr was the son of a prominent Atlanta publisher and businessman who was also the top African American leader of the Republican party until the onset of the Great Depression Davis was trained for the black elite at Morehouse Amherst and Harvard Law School After graduating from Harvard he joined the Communist party where he remained as one of its most visible leaders for thirty years In 1943 after being endorsed by his predecessor Adam Clayton Powell Jr he was elected to the New York City Council from Harlem and subsequently reelected by a larger margin in 1945 Davis received support from such community figures as NAACP leader Roy Wilkins boxer Joe Louis and musician Duke Ellington While on the council Davis fought for rent control and progressive taxation and struggled against transit fare hikes and police brutality With the onset of the Red Scare and the Cold War Davis like the Communist party itself was marginalized The Cold War made it difficult for the U S to compete with Moscow for the hearts and minds of African Americans while they were subjected to third class citizenship at home Yet in return for civil rights concessions African American organizations such as the NAACP were forced to distance themselves from figures such as Ben Davis In 1949 he was ousted unceremoniously and perhaps illegally from the City Council He was put on trial jailed in 1951 and not released until 1956 when the civil rights movement was gathering momentum His friendship with the King family based upon family ties in Atlanta was the ostensible cause for the FBI surveillance of Dr Martin Luther King Jr and COINTELPRO the counterintelligence program of the FBI which was aimed initially at the CP USA made sure to keep a close eye on Davis as

well But when the civil rights movement reached full strength in the 1960s Davis s controversial appearances at college campuses helped to set the stage for a new era of activism at universities Davis died in 1964 According to Horne the time has now come when he along with his good friend Paul Robeson and W E B DuBois should be regarded as a premier leader of African Americans and the U S Left during the twentieth century BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      *Author-title Catalog* University of California, Berkeley.
