Derek Mahon: A Retrospective Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941 2020 is widely recognized as one of the most important Irish poets of his generation This collection of new critical essays offers an important retrospective assessment of the nature of his poetic achievement Bringing together many leading scholars of modern and contemporary Irish poetry including a notable number of accomplished poet critics its contributors range widely across Mahon s body of work Their essays offer fresh considerations of the biographical geographical and literary contexts that shaped his poetic voice This includes paying attention not only to more familiar influences but also to previously little considered interlocutors The stylistic and formal achievement of his voice is re evaluated in ways that range from attentive close readings to considerations of his controversial practice of self revision and his engagements with music and experiments in translation

The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon's career As a whole the collection opens up many new ways of reading and understanding Mahon's important body of work

30 Years of Hindsight Robert Paul, 2019-05-08 Robert Paul had a best friend The boy girl with the dangling earring they were truly best friends They used to live walking distance away and would hang out all the time But times change as people do and people move as well geographically Robert did not see his friend as much as he used to but they stayed in touch They considered each other brothers Every time they would meet Robert would have a new story for his Brother One day his Brother yelled at him and told him to just shut up He then went on to tell Robert that he simply had too many stories to hear at one time and that he needed to write them down and then he would read them That is exactly what he did and this is what he came up with there is no word of lie in anything he wrote even though he was extremely intoxicated while writing There is much more to be told
