

My Footprints

Two little feet
with ten tiny toes
isn't it a struggle
how quickly time goes?

Footprints so small
but this will not last
I change each and every day
and grow so very fast.

These two little footprints
will help you to recall
how little I was
when my feet were so very small.

the Borders Daphne Lei,2019-07-01 Over many centuries women on the Chinese stage committed suicide in beautiful and
 pathetic ways just before crossing the border for an interracial marriage Uncrossing the Borders asks why this theatrical
 trope has remained so powerful and attractive The book analyzes how national cultural and ethnic borders are inevitably
 gendered and incite violence against women in the name of the nation The book surveys two millennia of historical literary
 dramatic texts and sociopolitical references to reveal that this type of drama was especially popular when China was under
 foreign rule such as in the Yuan Mongol and Qing Manchu dynasties and when Chinese male literati felt desperate about
 their economic and political future due to the dysfunctional imperial examination system Daphne P Lei covers border
 crossing Chinese drama in major theatrical genres such as zaju and chuanqi regional drama such as jingju Beijing opera and
 yueju Cantonese opera and modernized operatic and musical forms of such stories today **British Mysteries - Boxed Set**
