It was cold outside, lonely and hard to find someone who understood a boy who said, "When I grow up I want to be a woman." But he found someone. She was his best friend when she died so it was cold outside again. Robert now has more money than he knows what to do with and enough time to look for the answer to his prayers. Only she needed a Dragon Slayer so it was time to become a new man, whether he liked it or not. Time to go, Robert. You can always wear your shining armour over your tutu.

**Paris and the Cliché of History** Catherine Eleanor Clark, 2018. *Paris and the Cliché of History* traces the changing historical meanings of photographs of this city during a century marked by urban renovation, war, occupation, liberation, and visual documentation. Challenging the idea that photographs merely document the past, it calls for new methods of reading photos as material objects with histories of their own and sheds insight on the capital's reduction to an image in the twentieth century.

**Hidden in Paris** Corine Gantz, 2023-04-18. A socially awkward widow is forced to take boarders into her Paris home in this smart, witty novel of love, loneliness, friendship, and metamorphosis. Living in France among people she hardly understands, Annie has had trouble leaving the house since the death of her husband. And since home happens to be a small place nestled in the heart of Paris, why would she ever want to? But when unexpected events threaten her beloved home, Annie has no choice but to find lodgers quickly. After placing an ad, Annie attracts tenants with the kind of baggage she isn't prepared for: a long-legged, cool-headed ex-model on the run from her abusive husband, a frail young woman harboring a possible death wish, a mysterious artist, and an infuriating blue-blooded Frenchman. And all soon threaten Annie's way of life in ways she never anticipated. But when Annie finds herself reluctantly but actively engaged in the lives of her tenants, she discovers she might just free herself in the process.

*The Paris Hours* Alex George, 2025-06-25. Like *All the Light We Cannot See*, *The Paris Hours* explores the brutality of war and its lingering effects with cinematic intensity. The ending will leave you breathless. Christina Baker Kline, author of *Orphan Train* and *A Piece of the World*. One day in the City of Light. One night in search of lost time. Paris between the wars teems with artists, writers, and musicians, a glittering crucible of genius. But amidst the dazzling creativity of the city's most famous citizens, four regular people are each searching for something they've lost. Camille was the maid of Marcel Proust and she has a secret. When she was asked to burn her employer's notebooks, she saved one for herself. Now she is desperate to find it before her betrayal is revealed. Souren, an Armenian refugee, performs puppet shows for children that are nothing like the fairy tales they expect. Lovesick artist Guillaume is down on his luck and running from a debt he cannot repay. But when Gertrude Stein walks into his studio, he wonders if this is the day everything could change. And Jean Paul is a journalist who tells other people's stories because his own is too painful to tell. When the quartet's paths finally cross in an unforgettable climax, each discovers if they will find what they are looking for. Told over the course of a single day in 1927, *The Paris Hours* takes four ordinary people whose stories told together are as extraordinary as the glorious city they inhabit.
