Looking for Love in Strange Places: A Memoir for My Stepdaughters Diana Page, 2016-02-18 Back in 1968, Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career. She didn't have a boyfriend, so a prospective husband was unlikely to materialize before the semester ended, and a bachelor's in political science wasn't going to make her easily employable. The solution: Join the Peace Corps, where she could help change the world and possibly meet a guy who shared her values. Thus began Diana's adventures. Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century. With excerpts from diaries, letters, and news articles, she weaves together a narrative of war and peace, presidents and peasants, but mostly of ordinary people who teach her about life. She also runs into a few extraordinary people along the way: Fidel Castro, Isabel Peron, Jorge Luis Borges, and Hilary Clinton, among others. *Looking for Love in Strange Places: A Memoir for My Stepdaughters* is a hopeful, humorous account of what happens when you seize the day without too many expectations for the future.

Love on Lexington Avenue Lauren Layne, 2019-09-17. A Goodreads Best Romance. Fans of *The Devil Wears Prada* will flip over *Love on Lexington Avenue*. Karen Hawkins, New York Times bestselling author. From New York Times bestselling author Lauren Layne comes the second delightfully charming installment in the Central Park Pact series, following a young widow whose newfound cynicism about love is challenged by a sexy, rough-around-the-edges contractor. There are no good men left in New York City. At least that's Claire Hayes's conviction after finding out her late husband was not the man she thought he was. Determined to rid her home of anything that reminds her of her cheating husband, Claire sets out to redesign her boring beige Upper East Side brownstone and make it something all her own. But what starts out as a simple renovation becomes a lot more complicated when she meets her bad-tempered contractor, Scott Turner. Scott bluntly makes it known to Claire that he only took on her house for a change of pace from the corporate offices and swanky hotels he's been building lately, and he doesn't hesitate to add that he has no patience for a pampered, damaged princess with a penchant for pink. But when long workdays turn into even longer nights, their mutual wariness morphs into something more complicated: a grudging
