Loose Cannons:

Managing Business Ethics Linda K. Trevino, Katherine A. Nelson, 2010-08-23 While most business ethics texts focus exclusively on individual decision making what should an individual do this resource presents the whole business ethics story Highly realistic readable and down to earth it moves from the individual to the managerial to the organizational level focusing on business ethics in an organizational context to promote an understanding of complex influences on behavior The new Fifth Edition is the perfect text for students entering the workplace those seeking to become professionals in training communications compliance in addition to chief ethics officers corporate counsel heads of human resources and senior executives

The Military In New Times James Burk, Robert J Waldman, David R Segal, Charles C Moskos, 2019-06-26 What role will armed forces play in a world that is turbulent yet no longer organized by the bipolar conflict of East and West In this volume leading experts from several disciplines assess the rapidly changing global strategic and cultural landscape examining how it will affect the responsibilities and social standing of the modern military There are provocative disagreements among the contributors especially over whether we should expect and prepare for another global war However the contributors generally agree on several broad themes that guide their analysis Arguing that the Cold War has masked basic trends that have been reshaping the international system for a long time they suggest that the sovereign states dominance of the international system is rapidly coming to an end as multinational ethnic regional and religious groups to name a few increasingly affect the course of global affairs In the absence of a clear enemy the military faces an identity crisis In the postmodern atmosphere of this multicentric global order authority is fragmented and the exercise of any one authority is

subject to greater scrutiny and challenge The military has become more accepting of a variety of values life styles and attitudes toward its tasks At the same time support for the military s mission is difficult to win requiring endless justification The authors believe that the principal missions for the military in these new times are peacekeeping peacemaking and humanitarian assistance They examine the prospects for successful operations in these areas taking into account the cultural lag between world structures that favor increased multinational peacekeeping forces and individual nations that supply token resources to support such efforts This volume provides a sophisticated and thought provoking perspective on the future role of the military in the coming decades It is sure to enrich the vigorous debate surrounding these issues Streetbike

Extreme Mike Seate,2002 Traces the history of extreme street biking from its earliest years with outlaws like Evel Knieval attempting dangerous antics through the rise of today s most daring performers and the arrival of stunt riding as a true sport

Endtimes and Sex , *Advances in Organizational Justice* Jerald Greenberg,2002-03-01 This is a state of the science book about organizational justice which is the study of people s perception of fairness in organizations The volume s contributors all acknowledged leaders in this burgeoning field present new theoretical positions clarify existing paradigms and identify future areas of application The first chapter provides a comprehensive framework that integrates and synthesizes key concepts in the field distributive justice procedural justice and retributive justice The second chapter is a full theoretical analysis of how people use fairness judgments as means

of guiding their reactions to organizations and their authorities The subsequent two chapters examine the conceptual interrelationships between various forms of organizational justice First we are given a definitive review and analysis of interactional justice that critically assesses the evidence bearing on its validity The next chapter argues that previous research has underemphasized important similarities between distributive and procedural justice and suggests new research directions for establishing these similarities The three following chapters focus on the social and interpersonal antecedents of justice judgments the influence that expectations of justice and injustice can have on work related attitudes and behavior the construction of a model of the determinants and consequences of normative beliefs about justice in organizations that emphasizes the role of cross cultural norms and the potential impact of diversity and multiculturalism on the viability of organizations The book s final chapter identifies seven canons of organizational justice and warns that in the absence of additional conceptual refinement these canons may operate as loose cannons that threaten the existence of justice as a viable construct in the organizational sciences

The (Phantasmagorical) Astrarium Compendium Mark Roland Langdale, 2015-05-28 There is no doubt you will have to suspend your doubts and disbeliefs and be open to your wildest imaginings for it is true very little will prepare you for the journey you are about to embark upon Gulliver has never travelled outside Devon He only knows his antique emporium filled with dusty old grandfather clocks brass telescopes and antique globes from the 17th century among other things Dreaming of maps that lead to national treasures he longs to go on an adventure Then one day in an attempt to save Beagle his pet Labrador Gulliver finds himself swept away into the sea On waking up he discovers he has fallen back in time into the miniature world of one of his antique globes Suddenly his life is turned upside down and he is mixed up in a land where giant ships in bottles are scattered across the sea and land nothing makes sense and time no longer exists On a quest to find The Last Bookshop in the World his only hope of returning home Gulliver meets a cast of colourful and charismatic characters including Old Father Time Hans Christian Andersen Queen Elizabeth I and Sir Francis Drake and his Golden Hind But will he ever find this elusive shop and does he in fact want to go back to his old life The Phantasmagorical Astrarium Compendium is a fantastical tale set in the parallel world of Old Devon Combining poetic prose with humour action and a good helping of nonsense Mark Roland Langdale's new novel will appeal to fans of science fiction and fantasy stories like Doctor Who and Alice in Wonderland

Nature X Nature of Everything Albert Michelutti, 2014-02-13 As Albert Einstein lay on his death bed he asked for his glasses his writing implements and his latest equations He knew he was dying yet he continued to work In those final hours of his life while fading in and out of consciousness he was working on what he hoped would be the greatest work of all It was a project of monumental complexity It was a project that he hoped would unlock the mind of God

School without Scandal Adrian Liley, 2012-03-21 The fifth book in the Marketeer series starts with Percy Gabbitt escaping from a Chinese prison following an impossibly ludicrous prison break thanks to an unlikely collection of friends from England What follows is a desperate dash across China to the Vietnamese border Back in London Nero Handsworth creates the Boxhill School as a lure to finally get his hands on Gabbitt And in fantasy land Roger the Norse Fighter continues his battle to escape from the warlock's tower It's constant breathtaking action from start to finish
