*Dove How Love Captured My Heart* Diana Smith Cato, 2017-09-07 Dove is a beautiful young woman who lives in rural Ethiopia She has a heart to be married and searches for love every day Each day she leaves the village to get away from her life as a young woman longing for love One day Dove sees a group of young men who visit every year with the crusade in Ethiopia She notices one young man in particular who notices her in return She wonders if he might be the one to win her heart and yet she feels uncertain But when a prophetess tells her that what shes longing for is closer than she thinks Dove reconsiders her reaction to the young man She soon learns that his name is Destiny and she has fallen in love with him and he with her Although there may be obstacles to their love with hope and faith Dove and Destiny will find a way to build happiness and a life together In this novel a young woman searching for love discovers it with a crusader on his annual visit to her Ethiopian village and both of their lives change forever **Because He Loved** Lacey Vasquez, 2011-10 Lacey DeGuzman never asked for the beautiful mess that would change her life indelibly But when she met Stephen Morris the summer before her last semester of college she got more than she could have ever imagined Through lush green valleys and over a well trodden path the two fell in love only months before Stephen went on his second deployment this time to Iraq On Christmas Eve her fairytale came to an abrupt end with one phone call Stephen had been killed by a roadside bomb in Iraq She sifted through photos letters funerals reality fighting the pain of loss and uncertainty If only all the pain would go away Lacey found strength in remembering and then in letting go She learned to let go and embrace the promise of hope that had always been hers Some things she could hold on to but her hope was never taken away from her as she journeyed through her rediscovered path of faith in love Join Lacey on her emotional journey in *Because He Loved* and discover that with God s help you can rise against any circumstance *Pressing On: Hope for the Weary* Kristin Reeg, 2010-02-18 Often when we find ourselves in a season of weariness we will also find that a season of transition is upon us While we may feel as though

nothing is happening nothing is changing or nothing is moving the truth is in the midst of our standstill the Lord is moving and rearranging things on our behalf However when we don't see anything happening in the natural it sometimes becomes too difficult to comprehend that God is truly for us and consequently we need a reason to press on     Proof Paul A. Reahal,2004-06 Retired financial institution executive Reahal has penned his debut book an autobiography centering on an intense flurry of spirit activity over the three year period that followed a life changing car accident     A Wildflower Thrives in Florida Julie Woodley,2019-04-04 Julie Woodley understands trauma From physical and sexual abuse as a child to abortion the murder of a dear friend brain injury a brain tumor and cancer as well as two broken marriages she has experienced more than a lifetime's worth of pain and loss But by the grace of God she's doing more than surviving she's thriving Like a wildflower thrusting itself through a broken sidewalk God has raised Julie's joy and hope through the layers of loss and into the light of his plan for her He has transformed her from a broken receiver of grace into a beautiful blossom who radiates the grace she has received into the lives of other hurting people Trauma victims often feel weighed down by shame anger confusion and pain They may be so accustomed to getting by that having passion and joy seems impossible In *A Wildflower Thrives in Florida* they will encounter a story that will inspire them to imagine a life restored and overflowing with all the good things God intends for them     *The Adventures in Supernatural Discovery* Michael Kaylor,2013-10-15 Experience the adventure of a lifetime Have you ever thought There has got to be more to my Christian life Well there is Normal Christianity has been redefined over the centuries What began as a vibrant encounter with the Living Christ through the power of the Holy Spirit has often become formulaic and stale For many Christians today normal is mundane Normal is average Normal is boring If this is you then it's time for you to get a new normal Author Michael Kaylor shares his personal testimony of redefining normal and stepping out on supernatural adventure that transformed His relationship with God forever God never intended you to live like everybody else In this book you will see that God's vision of normal Christianity includes Prophetic dreams and visions Impartations Uncontainable joy Divine appointments Supernatural healing and miracles Take the journey and discover the supernatural life God has destined you to live     **Swimming on Sunday** Mike D. **Into His Presence** Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close

relationships from those communicated in Scripture

**A Woman in Love** C. Dale Baldwin, 2020-02-18 How can true love win out when outside forces constantly pull at our marriage Living and loving have become a daily routine Then disdain will strike like a chord being played by a moody trumpet It's loud brass and harsh breaking apart what God has put together All I can do is sit in wait as my obsession won't let me leave and I continue to crave him He makes my body sing his lovemaking is superlative My desire for his complete love is so strong I can't control my desire for him even when I hate him His touch thrills me so yet his attitude and disposition elude me All I want is for it to be true honest and devoted Then I ask myself Is this love or addiction
