with the Risen Christ I also loved this commandment of love very much and not content with the creations of the divinely inspired fathers I set out to write down my own tongue tied speeches for if it turns out to be useful even for one brother I will be rewarded from the Lord for my work If I am unworthy of benefiting another then even in this case I will not lose my reward but thinking over and diligently studying what I am writing about I will awaken at least my own wretched soul from great insensibility If anyone understands this scripture this will be reward for work Joseph Hesychast RNJB Study Edition

PAUL CRAWFORD,2025-10-01 Rediscovering the Forgotten Voice of Faith Through these pages we have walked among the echoes of ancient wisdom texts once read by prophets apostles and early believers who longed to understand the mysteries of God The so called Lost Books of the Bible are not lost to time but to tradition They reveal a larger world of devotion prophecy and revelation that deepens our understanding of Scripture s unfolding story Each book whether the Book of Enoch Wisdom of Solomon Sirach Judith or Bel and the Dragon testifies to the same eternal truth that God s Spirit is never bound by the limits of men or the walls of religion His revelation continues through ages through voices humble and holy through those who sought righteousness even when the world turned away The Light That Cannot Be Hidden Though these writings were excluded from some biblical canons they preserve a light that refuses to die Their message stands in harmony with the Law the Prophets and the Gospel reminding us that divine truth transcends human classification In them we find warnings to the proud comfort to the humble and wisdom for every generation We see that the same God who spoke through Moses Isaiah and Paul also stirred the hearts of Enoch Tobit and the Maccabees The Word of God is living and active and every faithful word whether preserved in Hebrew Greek Aramaic or Ethiopian points back to Him who is the Word made flesh A Message for the Modern Believer In an age of confusion and division these forgotten writings call us back to holiness repentance and faith They remind us like Manasseh s prayer that no one is beyond forgiveness They teach through Judith s courage that faith can topple empires They reveal through Wisdom and Sirach that true understanding begins with the fear of the Lord They affirm through the Apocalypses that God s justice will prevail and His kingdom will have no end The world changes but the cry of the righteous remains the same Teach us O Lord to walk in Your ways and to know Your truth The Word That Endures Forever The so called lost books are a mirror of the divine plan though hidden they were never destroyed Though silenced they were never forgotten They remain as

witnesses of God's unbroken communication with mankind proof that His truth endures from generation to generation These writings urge every reader to seek God earnestly to test all things by His Spirit and to treasure the wisdom that leads to eternal life For those who listen they are not lost books at all but found treasures of divine revelation Final Reflection The journey through these ancient texts reminds us that faith is larger than any canon and that God's revelation cannot be contained within the limits of ink and parchment The same God who spoke to Adam in Eden to Enoch in visions to Moses on Sinai and to John on Patmos still speaks today through His Word through His Spirit and through every heart that seeks Him To rediscover these writings is to rediscover a piece of ourselves a reminder that the story of God and humanity is still being written one soul at a time Key Lesson Nothing that belongs to God is ever truly lost Truth may be buried but it cannot die Every hidden word will rise again in the light of the One who said Heaven and earth will pass away but My words will never pass away Matthew 24:35 *Mind*, 1902 Arcana Coelestia Emanuel Swedenborg, 1984
