Studies and Black Popular Music Studies there has been a long standing tendency to almost exclusively associate Black women s music of the mid to late 1960s and 1970s with the Black male dominated Black Power Movement or the White female dominated Women s Liberation Movement However this book reveals that much of the soul funk and disco performed by Black women was most often the very popular music of a very unpopular and unsung movement The Black Women s Liberation Movement Black Women s Liberation Movement Music is an invaluable resource for students teachers and researchers of Popular Music Studies American Studies African American Studies Critical Race Studies Gender Studies and Sexuality Studies
