This bibliography lists more than 400 children's titles, mostly picture books with alphabet and counting books also included that feature text in both Spanish and English in the same volume. Annotations to the entries provide a summary of each book's contents along with information on awards the book has received and a list of reviews gathered from Children's Book Review Index. This bilingual edition includes introduction, table of contents and subject indexing in both English and Spanish. El presente compendio bibliográfico incluye más de 400 títulos bilingües para niños, la mayoría de ellos libros de ilustraciones además de publicaciones relativas a las letras del alfabeto y el aprendizaje de los números. Las notas que se incluyen en esta obra resumen los contenidos de cada libro junto a reseñas y premios relativos a los mismos.
