Lose Weight Now:

Lose Weight Now! Sarah D,2022-12-13 This book adopts a very practical approach The more you read it the more you will feel like using the tips given in it because the ideas in this book are not very hard to follow This book has a nonsense approach it doesn't berate you for being overweight or excessively applaud the efforts of people who managed to lose weight This book will give you a couple of easy tips that worked for the author and for everyone else as well Bear in mind that there are no shortcuts to success in this book and you will actually have to implement the ideas suggested in the book to get the best out of it

6 Tips to Help You Lose Weight Now Gregory Groves, Virtually everything you have been led to believe in regards to losing weight is WRONG The problem with pretty much every so called weight loss program and weight loss book out there is that all the information is just recycled information Information that helps you minimally and only helps you externally not internally This sets you up for future failures So many people struggle daily with identifying with what is healthy and what is not what you should eat and what you should avoid In this article I share with you 6 tips to help you lose weight now If you want to achieve sustainable weight loss while dealing with your FOOD ADDICTION BINGE EATING AND EMOTIONAL EATING ISSUES then drop the cookie cutter magic pill solutions now All they will do is empty your wallet Healthy living starts from the inside NOT the outside Take that first step now and start dealing with your weight loss struggles in a positive sustainable way Learning to live a happy life doesn't come with the new fad diet that makes the false promise of helping you to lose fat fast and you will not find those promises in this article Living a happy life a TRULY happy life comes from developing healthy habits The coaching exercises in this book will help you accomplish this HIT THE BUY NOW BUTTON AND START TAKING CONTROL As I am fond of saying Transform Your Habits Transform Your Mind and Transform Your Life Always remember Action success and change begins with you

Lose Weight Now Allen Carr,2011 Reading this book is all you need to do to take control of what you eat There are no scare tactics and eating less will not feel like deprivation quite the opposite in fact you will feel much happier The Easyway method removes your psychological dependence on comfort eating and junk food setting you free to live as you choose Once learned the principles can never be unlearned ensuring that the benefits in health and well being you experience will be permanent

Fabulous Jelly: Use Your Brain to Lose Weight Susannah Healy, 2013-09-06 We all know what we should be eating and diet gurus abound yet over 40% of the population is still overweight. Why? Because most of us find it so damn difficult to get in the zone long enough to stick to a new eating plan that we really couldn't be bothered. In *Fabulous Jelly*, author and psychologist Susannah Healy describes the triumphs and failures of her own weight loss, including an absolute fortune spent on rejoining weight loss clubs before she learned to use her own professional experience to design a plan that worked for her. Now two stone lighter, Susannah shares her secrets about how to get your brain to work with and not against you in weight loss, using research from neuroscience and cognitive and behavioural psychology. Susannah shares her eating plan that will get you motivated and provide results. This book is not a life-long eating plan, but it will kick start your weight loss, give you the motivation to keep going, and stop all the rubbish clichés about completely new you that are sabotaging your weight loss goals. It's a fact: frozen veg are the new avocado.

Lose It Fast, Lose It Forever Pete Thomas, 2012-09-13 Foreword by Jillian Michaels One of the most successful contestants on NBC's *The Biggest Loser* shares his time-tested fitness program, which has helped hundreds of his students lose weight and keep it off. Pete Thomas weighed more than 400 pounds when he landed on the NBC hit reality show *The Biggest Loser*. Nine months later, he won the 100,000 prize after losing a whopping 185 pounds. Determined to help others, he now teaches a weight loss program that has led to lasting results in hundreds of students from all walks of life. In *Lose It Fast, Lose It Forever*, he makes his phenomenal four-step process available to everyone. Raised in and out of foster care because of his mother's mental illness, Thomas knew the pain of physical and emotional hunger throughout his childhood. This has given him special insight as a weight loss coach, and his turnaround is a remarkable testament to his program. These fundamentals provide lasting results: start with a commitment to lose just one pound at a time, create transformational life changes in your mind, mouth, and muscles, get rid of even those last few pesky extra pounds, and learn how to maintain a lifetime of fitness and health. Easy-to-implement action steps will keep readers motivated. With recent achievements that include completing two triathlons and delivering the keynote address at the National Congress on Obesity, Thomas's inspiring story will help all readers discover the winner within.
