The Lost Sons of Omaha Joe Sexton, 2023-05-09 A NEW YORKER BEST BOOK OF 2023 A meticulously researched and briskly written account that deftly weaves the influences of racial injustice economic disparity incendiary social media and guns Associated Press From the award winning journalist Bob Woodward calls one of the truly great reporters working today a searing account of two linked and tragic deaths stemming from the 2020 George Floyd protests that explores the complex political and racial mistrust and division of today's America One of the most superb testaments about the confusion despair and hopefully humility that frames our century that one could ever hope to read Hilton Als On May 30 2020 in Omaha Nebraska amid the protests that rocked our nation after George Floyd's death at the hands of police thirty eight year old white bar owner and Marine veteran Jake Gardner fatally shot James Scurlock a twenty two year old Black protestor and young father What followed were two investigations of Scurlock's death one conducted by the white county attorney Don Kleine who concluded that Gardner had legally acted in self defense and released him without a trial and a second grand jury inquiry conducted by Black special prosecutor Fred Franklin that indicted Gardner for manslaughter Days after the indictment Gardner killed himself with a single bullet to the head The deaths of both Scurlock and Gardner gave rise to a toxic brew of misinformation false claims and competing political agendas The two men each with their own complicated backgrounds were turned into caricatures The twin tragedies amounted to an

ugly and heartbreaking reflection of a painfully divided country Here Joe Sexton elevates a made for social media tragedy into a kaleidoscopic account of race justice and urban politics The New York Times Book Review masterfully unpacking the whole twisted nearly unbelievable chronicle and explaining which claims were true and which distorted or simply false A book of intense moral weight and integrity The Washington Post The Lost Sons of Omaha involves some of the most pressing issues facing America today including our country s broken criminal justice system the failure to care for the men and women who fight our wars the dangerous spread of misinformation particularly on social media and the urgent need to band together in the collective pursuit of truth fairness and healing
