The First Female Pharaoh Andrew

Collins, 2023-04-25 The cult magic reign and resurrection of the first female ruler in Egypt Reveals the achievements of Sobekneferu the political and religious issues of her age the temples and ruins associated with her and her continuing impact on ancient Egypt after her reign Discusses Sobekneferu's magical beliefs and practices centered on the crocodile god Sobek the hippo goddess Neith and their representation as constellations Examines the modern day resurrection of Sobekneferu among mystics and occultists of Victorian London including her role in Bram Stoker's shocking gothic novel The Jewel of the Seven Stars Cleopatra Nefertiti Hatshepsut All of them are ancient Egyptian female rulers who rose above their predominantly patriarchal societies to become controllers of a great empire Missing from this list however is Sobekneferu ancient Egypt's first female ruler Why was the reign of this powerful woman all but forgotten Piecing together the lost history of the first female pharaoh Andrew Collins presents the first comprehensive biography of Sobekneferu Using every text and monument that concerns Sobekneferu and her time in power he examines her achievements as ruler the political

and religious issues of her age the temples and ruins associated with her and her continuing impact on ancient Egypt after her reign He explores her relationship with her brother Amenemhat IV her sister Neferuptah and their father Amenemhat III regarded as one of the most beloved pharaohs of the Middle Kingdom He examines Sobekneferu s untimely end the fate of her body and the cult that developed in her name Discussing Sobekneferu s magical beliefs and practices Collins shows how they centered on the crocodile god Sobek the hippopotamus goddess Neith and Sekhmet the goddess presiding over divine power He reveals also how Sobekneferu s suspected pyramid was positioned to align with the setting of Eltanin the brightest star in the constellation of Draco seen in ancient Egypt as the celestial form of Sobek Examining the modern day resurrection of Sobekneferu among the occultists and mystics of Victorian London Collins shows how she is the true inspiration behind every ancient Egyptian female queen who comes back to life after her tomb is found as featured first in Bram Stoker s shocking 1903 novel *The Jewel of Seven Stars* and later in several modern blockbuster movies Revealing how Sobekneferu has left a lasting impact on culture and occulture through the ages despite being nearly erased from history Collins shows how her continuing legacy is perhaps ultimately her true resurrection *The Ancient Egyptian Family* Troy D.

Allen,2008-07-25 Was ancient Egyptian society organized along patrilineal or matrilineal lines This fascinating cultural study attempts to solve one of the most debated questions among Egyptology scholars offering new insight into the curious position of women in both ancient Egyptian society and the ancient Egyptian family structure **Cushites in the Hebrew Bible**

Kevin Burrell,2020-01-13 Cushites in the Hebrew Bible offers a reassessment of Cushite ethnographic representations in the biblical literature as a counterpoint to misconceptions about Africa and people of African descent which are largely a feature of the modern age Whereas current interpretations have tended to emphasize unfavourable portraits of the people biblical writers called Cushites Kevin Burrell illuminates the biblical perspective through a comparative assessment of ancient and modern forms of identity construction Past and present modes of defining difference betray both similarities and differences to ethnic representations in the Hebrew Bible providing important contexts for understanding the biblical view This book contributes to a clearer understanding of the theological historical and ethnic dynamics underpinning representations of Cushites in the Hebrew Bible **Telltale** Carmel Bird,2022-07-01 I was confined locked into my library tracing my

heartbeats from way way back In *Telltale* Carmel Bird seizes on an enforced isolation to re read a rich dispensary of books from her past A rule she sets herself is that she can consult only the books in her house even if some such as the much loved Thornton Wilder s *The Bridge of San Luis Rey* appear to be stubbornly elusive Her library is comprehensive and each book chosen or that cannot be refused enables an opening a connection to people time place myth image and the experience of a writing life From her father s bomb shelter to her mother s raspberry jam from a lost Georgian public library with narrow little streets of books to the memory of crossing by bridge the turbulent waters of the Tamar River to a revelatory picnic at Tasmania s Cataract Gorge in 1945 this is the most intimate of memoirs It is one that never shies from the horrors of world

history the treatment of First Nations People or the literary misrepresentations of the past Original lyrical and hugely enjoyable Telltale with its finely wrought insight and artful storytelling is destined to delight A book about books that dreams you through a library of life Bruce Pascoe I have so loved this book It walks us through the encounters of a lifetime always with a delightful eye for strange connections and elusive memories It is testimony to a life of great intellectual generosity and human compassion It is irresistible Michael McGirr The Lost Pharaohs Leonard Cottrell,1950 A study and history of

Egyptian archaeology **Egypt's Making** Michael Rice,2004-03-01 Already a classic and widely used text this second edition has been wholly revised and updated in the light of the many discoveries made since its first publication Michael Rice's bold and original work evokes the fascination and wonder of the most ancient period of Egypt's history Covering a huge range of topics including formative influences in the political and social organization and art of Egypt the origins of kingship the age of pyramids the nature of Egypt's contact with the lands around the Arabian Gulf and the earliest identifiable developments of the historic Egyptian personality Egypt's Making is a scholarly yet readable and imaginative approach to this compelling ancient civilization **Ideology and Social Order** Eric Carlton,2014-08-13 Truly interdisciplinary work

between Sociology and History is here because one discipline usually exploits the concerns or data of the other Eric Carlton however has succeeded in bringing together the distinctive orientations of sociology and ancient history into a clearly written discussion of concerns crucial to both disciplines Based on a comparative analysis of two pre industrial civilisations those of Ancient Egypt and Classical Athens the study is primarily concerned with three issues The first is the relationship between belief and action does belief intellectualised as ideology affect or determine social behaviour Second the author examines the ways in which belief contributes to stability and good order in society and asks to what extent such factors as social status and social change are related to institutionalised mechanisms of social control Finally he indicates possible sociological frameworks or models which are ideological rather than stratificatory whereby complex pre industrial systems might be analysed By analysing the societies of Ancient Egypt and Classical Athens in institutional terms Eric Carlton examines the potency and pervasiveness of the ideological factor and shows that it is a persistent and determinative feature of this type of society **The Michigan Alumnus** ,1970 In volumes 1-8 the final number consists of the Commencement annual

Archaeologists in Print Amara Thornton,2018-06-25 Archaeologists in Print is a history of popular publishing in archaeology in the nineteenth and twentieth centuries a pivotal period of expansion and development in both archaeology and publishing It examines how British archaeologists produced books and popular periodical articles for a non scholarly audience and explores the rise in archaeologists public visibility Notably it analyses women's experiences in archaeology alongside better known male contemporaries as shown in their books and archives In the background of this narrative is the history of Britain's imperial expansion and contraction and the evolution of modern tourism in the Eastern Mediterranean and Middle East Archaeologists exploited these factors to gain public and financial support and interest and build and

maintain a reading public for their work supported by the seasonal nature of excavation and tourism Reinforcing these publishing activities through personal appearances in the lecture hall exhibition space and site tour and in new media film radio and television archaeologists shaped public understanding of archaeology It was spadework scripted The image of the archaeologist as adventurous explorer of foreign lands part spy part foreigner eternally alluring solidified during this period That legacy continues undimmed today Praise for Archaeologists in Print This beautifully written book will be valued by all kinds of readers you don t need to be an archaeologist to enjoy the contents which take you through different publishing histories of archaeological texts and the authors who wrote them From the productive partnership of travel guide with archaeological interest to the women who feature so often in the history of archaeological publishing via closer analysis of the impact of John Murray Macmillan and Co and Penguin this volume excavates layers of fascinating facts that reveal much of the wider culture of the late nineteenth and twentieth centuries The prose is clear and the stories compulsive Thornton brings to life a cast of people whose passion for their profession lives again in these pages Warning the final chapter on Archaeological Fictions will fill your to be read list with stacks of new titles to investigate This is a highly readable accessible exploration into the dynamic relationships between academic authors publishers and readers It is in addition an exemplar of how academic research can attract a wide general readership as well as a more specialised one a stellar combination of rigorous scholarship with lucid pacy prose Highly recommended Samantha Rayner Director of UCL Centre for Publishing Deputy Head of Department and Director of Studies Department of Information Studies UCL
