Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960's Pastor Sheldon Emery wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His

own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *The Lost Sheep* Su Box,2017-08-01 The Lost Sheep conveys the Christian belief that however lost and insignificant you may feel God loves you It is the story of the shepherd who leaves his flock of sheep of rescue a lone animal It is a tale of redemption which celebrates those who admit their wrongdoing and want to be forgiven over those who feel they have nothing to atone for *Preacher's Outline and Sermon Bible* Leadership Ministries Worldwide,2003-09 What if you could study Matthew with your favorite Bible scholars from across the ages With The Preacher s Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God s Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher s Outline Sermon Bible you ll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There s a volume of The Preacher s Outline Sermon Bible series for nearly any sermon you can imagine Explore the full series on our website at outlinebible.org **Pour Me out a Blessing** Ministries Deborah Wofford,2010-10-13 There is no available information at this time *Stories Jesus Told* , **What Did Jesus Mean?** Anna Wierzbicka,2001 Linguist Anna Wierzbicka casts new light on the words of Jesus by taking her theory of universal human concepts and bringing it to bear on Jesus parables and the Sermon on the Mount Her approach results in strikingly novel interpretations [The Role and Function of Repentance in Luke-Acts](#) Guy D. Nave,2002-01-01 This book explores the central function of the concept repentance in the narrative structure and implied social world of the Gospel of Luke and the Acts of the Apostles and provides an excellent synthesis and analysis of the usage of repent and repentance in Classical Hellenistic Hellenistic Jewish and early Christian literature Paperback edition is available from the Society of Biblical Literature www.sbl-site.org **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All

three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Parables of Jesus* Timothy Maurice Pianzin,2008 Over 2000 years ago Jesus invited his followers to a new life empowered by the saving grace of God Jesus in filled them with spiritual knowledge and asked them to develop certain attitudes and life styles so that they may possess this new life Do you want to be blessed by this new life but unsure of how to achieve it Dr Timothy Maurice Pianzin s spirit filled book entitled *Discovering the Truth of Jesus Parables in the light of its Historical Geographical and Socio cultural Setting* uncovers the hidden meanings contained in Jesus parables and gives you understanding on how to live life that will qualify you to claim your inheritance in heaven Don t hesitate read Dr Timothy Maurice Pianzin s excellent guidebook to the parables of Jesus now If you read *Discovering the Truth of Jesus Parables* with a receptive heart and mind the life saving Words of Jesus will comes alive and transforms your life to live it in the fullness of God s grace Dr Timothy Maurice Pianzin has doctorates in Biblical Theology and Sustainable Development For the last thirty years he has been a devoted Bible scholar and has participated in many Bible courses and seminars He has also traveled extensively in the lands that Jesus once walked and preached and has painstakingly researched on the background to Jesus parables which became the basis for writing of this book In addition he has also contributed in the teaching the Bible for over twenty years covering most books of the Bible and many other biblical topics In his professional life he has written many reports for the United Nation Commonwealth Secretariat and other institutions Since his retirement from consulting works he has devoted his life to make the Word of God better known **The Lost Sheep and Other Stories Jesus Told** Phil Smouse,2004 The award winning author and illustrator paraphrases four fascinating parables of Christ The Lost Sheep Do Not Worry The Seed and the Sower and A Tree and Its Fruit Full color *The Wiersbe Bible Commentary: New Testament* , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe s trustworthy insights on the entire New Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read **The Language of the Kingdom and Jesus** Jacobus Liebenberg,2011-05-02 This study interprets Jesus parables and the sayings tradition regarding the Kingdom of God

from a cognitive linguistic understanding of metaphor It also shows what contribution the theory of metaphor can make when the parables and aphorisms are studied in research on the historical Jesus The metaphoric nature and polyvalency of the parables and aphorisms of the Jesus tradition undermine their value for research on the historical Jesus The author doubts whether the parables and sayings of the Jesus tradition can be employed to reconstruct the historical Jesus **The Journey**

to Happiness: Humanity's Way Back to Eden Douglas W Cho PhD,2016-11 This is an inspirational guide that provides truthful and straightforward answers to life s most fundamental question why are mankind unhappy After over half a decade as a struggling Christian Dr Cho has met Jesus Christ in person and came to have a strong desire to share the awakening and understanding on such fundamental questions of life and God with those who are yet struggling and agonizing to find answers The book is very readable with illustrative pictures and anecdotes both from the Bible and the author s life story The author hopes the readers find answers in the book both enlightening and encouraging so as to want to take the journey going back home to Eden to find true peace and happiness reconciled with the Creator and now having a purpose and mission in life

The Parables Brad H. Young,2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty More Toddlerific! at Scripture Robert Horne,2025-01-03 This work contains a number of homilies I presented at Saint Paul s Episcopal Church in Payson Arizona over the last ten years During that time period I served as a subdeacon and licensed lay preacher Initially Father Tantimonaco recommended that I be licensed to preach and the then presiding bishop the Right Reverend Kirk Smith saw to it that I was licensed to preach in the Episcopal Diocese of Arizona However neither is responsible for any errors of omission or commission committed by me during my time period as a licensed lay preacher Hence any errors appearing in this book belong solely to me period The title of this piece A Sinner Looks at Scripture A Collection of Homilies

reflects the fact that I make no claim to be a theologian nor paragon of virtue This work simply represents my reflections on certain pieces of scripture buttressed by what I believe to have been a careful reading of works authored by numerous scholars in the field It is my hope that this work will serve as a catalyst for individuals and or groups seeking to delve more deeply into Scripture The scriptures examined in this piece are drawn primarily from both testaments In addition a prayer attributed to Francis along with pieces taken from the Episcopal Book of Common Prayer serve as discussion points in this work too If this material proves to be thought provoking then I shall have achieved my goal And no it is not incumbent upon the reader that she he agrees with my analyses It is crucial however that potential readers employ their own intellect in discerning the overall value of the presentations herein as they relate to their understanding of Scripture

Encountering the Parables in Contexts Old and New T. E. Goud,J.R.C. Cousland,John P. Harrison,2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts
