whose coded messages are at last deciphered to guide humanity to its future destiny **Nicholas Roerich** John McCannon, 2022-11-15 Russian painter explorer and mystic Nicholas Roerich 1874 1947 ranks as one of the twentieth century's great enigmas. Despite mystery and scandal he left a deep if understudied cultural imprint on Russia, Europe, India and America. As a painter and set designer, Roerich was a key figure in Russian art. He became a major player in Diaghilev's Ballets Russes and with Igor Stravinsky he cocreated *The Rite of Spring*, a landmark work in the emergence of artistic modernity. His art, his adventures and his peace activism earned the friendship and admiration of such diverse luminaries as Albert Einstein, Eleanor Roosevelt, H. G. Wells, Jawaharlal Nehru, Raisa Gorbacheva and H. P. Lovecraft. But the artist also had a darker side. Stravinsky once said of Roerich that he ought to have been a mystic or a spy. He was certainly the former and close enough to the latter to blur any distinction. His travels to Asia, supposedly motivated by artistic interests and archaeological research, were in fact covert attempts to create a pan-Buddhist state encompassing Siberia, Mongolia and Tibet. His activities in America touched Franklin Delano Roosevelt's cabinet with scandal and behind the scenes affected the course of three US presidential elections. In his lifetime, Roerich baffled foreign affairs ministries and intelligence services in half a dozen countries. He persuaded thousands that he was a humanitarian and divinely inspired thinker but convinced just as many that he was a fraud or a madman. His story reads like an epic work of fiction and is all the more remarkable for being true. John McCannon's engaging and scrupulously researched narrative moves beyond traditional perceptions of Roerich as a saint or a villain to show that he was in many ways both in equal measure **The Story of Jesus** William H.

Kautz, 2012-04-10 **THE STORY OF JESUS: AN INTUITIVE ANTHOLOGY** Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition. This book offers a narrative account of Jesus' life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level. They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means. Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus, while some had provided important and detailed technical information which was then verified scientifically. They apply their intuitive skills here to uncover fresh information about the man Jesus, his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents. These new findings offer a much richer view of the man himself than that available from traditional Christian sources. They also provide illuminating insights and a deep spiritual understanding of Jesus' original and hidden teachings. *The Story of Jesus* is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history **Hidden Truth** Kenneth R. Taylor, 2022-09-07 *Hidden Truth* by

Kenneth R. Taylor **One Religion, One Faith in Christ's Crucifixion and the Prophecy of Mohammed** Imad Barake, 2014-10-31 This book explains my simple theory on monotheism and that God revealed only on

religion to entire humanity and its first message of that one religion started with Noah and ended with Mohammed God revealed to each prophet one aspect of that religion as humans evolved and developed over thousands of years until we got into Jesus Christ as a special messenger that has power and authority more than normal and simple prophets I am also arguing as a Muslim writer that the understanding of Quran by Muslim that Jesus was not crucified is simply wrong and the proof that I am offering is in Quran the holy book of Muslims Then in the book I am arguing that the current teaching of Islam as has been widely used and broadcasted through Muslim libraries TV shows etc is all outdated and caused complete departure from the true teaching of Quran In the final part of the book I am demonstrating that there are great areas of common values and teaching between the Bible and Quran and the differences are so little that Muslim should be encouraged to engage with Christians as they both share one religion
