Luke Beacon Bible Expositions:

Peter and Paul in Acts: A Comparison of Their Ministries David Spell, 2006-08-01 Acts is arguably the most exciting book in the New Testament. It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire. Luke tells this story by focusing primarily on two men, Peter and Paul. This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles. Their apostolic ministries are examined in the context of several different components: Leadership, Evangelism, and Church Planting; Miracle Working and Healing; and Mystical or Supernatural Experiences. These categories are shown to detail particular aspects of each man's apostleship work. These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke. Spell also devotes a chapter each to Luke's literary method and the relationship of Peter and Paul as seen in their letters. These two chapters lay important groundwork for examining the apostles. This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry. By looking at how Peter and Paul conducted their ministries in the first century, we can be more effective in the twenty-first.

In the Shadow of the Cross Randal Earl Denny, 2007-02-01 How could things deteriorate so quickly in twenty-four hours? From a banquet to a burial, the dark shadow of the executioner's cross sliced across that unforgettable day. A tragic day yet planned by a sovereign God. Watch anew as Jesus prays his prayer of submission to the Father's will as he passes through the sting of betrayal as he faces undaunted the inhumane and hateful treatment and as he speaks unexpected last words that leave a legacy of love. Walk with Jesus from the garden to the tomb to that first Easter morning, the dawning of hope and joy. For the shadow of the cross is the anguished prelude to the best news you will ever hear: He is risen.

The Kingdom, the Power, the Glory Randal Earl Denny, 1996-12 Randal Denny delves into the mystery of the Lord's Prayer and examines its clues concerning God's omnipotence, His interest in humanity, the location of His kingdom, and His provision for His children.

Living Waters from Difficult Passages Thomas Moore, 2019-11-14 This book is an unforgettable journey that is a must read for every believer. As the days grow darker, it is essential everyone who desires to live for Jesus understand the difference between Churchianity and Christianity. This book clears a path through the religious jungle and clearly identifies the Way of Salvation. This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine. What is this book about? It is about everything that pertains to Godliness and everything that frustrates Godliness. It is about growing in Christ and blossoming in faith as well as dying to pride and rejecting the world. We

are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us This book is a guide to spiritual maturity where we learn to say along with John the Baptist He must increase but I must decrease John 3 30 KJV Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3 8 11 has been taught to them Am I really cursed as a robber of God for failing to pay my tithes Will I really open up new Heavenly windows of blessing by faithfully paying my tithes The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace the plan of salvation and the Priesthood of Christ
