Wood, 2013-06-27 I began to write a book about my mother's life As she descended further and further into a disease called Alzheimers my writing morphed into Why her Why this disease for her for our family It became a search to get to know a woman I had only seen as my mom before Its my story of how I handled with tenacious determination to always approach her with a smile willing to meet her wherever she was in her moment **The Cat Mummy** Jacqueline Wilson, 2008-12-05

Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast *Firebrands* is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women's political power since women gained the right to vote and their influence on the American political scene wouldn't be equaled for decades In Gioia Diliberto's fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman's Christian Temperance Union who campaigned fiercely to

introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In *Firebrands* Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture

The Judas Cat Dorothy Salisbury Davis, 2014-02-04 DIVDIV Praised by the *New Yorker* as excellent this mystery novel that features a cat as a murder suspect launched the acclaimed literary career of Grand Master of crime fiction Dorothy Salisbury Davis div For generations bitter old Andy Mattson terrified the children of Hillside and puzzled his adult neighbors How did the scowling old codger who seemed to spend his life stroking his cat on the front porch support himself How did he pass the days And why did he die such a gruesome death DIV The police find Andy dead on his sofa covered in blood eyes wide with fear The most likely suspect is the dead man's cat a howling beast that resembles a trapped badger But as Chief of Police Waterman digs into the strange death he finds that beneath Hillside's sunny surface runs a river of hate An old man was murdered and it seems many people in town had motives to commit the crime divDIV div div

Haven't Any News Edna Staebler, Marlene Kadar, 2006-01-01 Ruby wrote letters home almost every week She wrote anything that came into her head about her children and Fred her housekeeping food clothes her friends activities schemes for making money her dreams for the future Her letters nave intimate and lively were always optimistic or poignant We d read them to each other on the phone or pass them around Often we saved them So writes Edna Staebler in her introduction to this edited collection of her sister Ruby's letters from the fifties In 1957 when Edna first began to collect and edit these letters she did so simply because she was sure that others would enjoy reading them as much as her own family did Over fifty years later the letters remain a joy to read and reclaim the ordinary voice of a housewife Remarkably these letters echo themes academics want to isolate in order to analyze women's roles in the modern world drifting life just happened to me and contingency women's lives depend on relationships for example as well as the balance between family and work As a fine example of women's life writing they also illustrate the literary patterns of overt and covert stories and of textual and subtextual meaning Haven't Any News Ruby's Letters from the Fifties includes an Afterword by Marlene Kadar Associate Professor of Humanities at York University and a leading expert on women's life writing All those concerned with women's studies and with the social history of twentieth century Canada will find this book of enormous interest and it will

delight Edna Staebler fans everywhere *Forgiven But Not Forgotten!* Andrea Thompson, 2009-09 Forgiven but not forgotten Mabel's Journey Beloved do not avenge yourselves but rather give place to wrath for it is written Vengeance is Mine I will repay says the Lord Romans 12:19 Is it possible to forgive and forget when others intentionally hurt us The author posits that it's possible to forgive and forget if God is at the center of the rebuilding process and the following steps are practiced Praying for the ability to recognize perpetrators motives Acknowledging that perpetrators have issues with jealousy envy sense of entitlement or whatever in your God given wisdom you determined their problem to be Asking God to renew a right spirit within perpetrators as well as ensuring that you do not possess similar characteristic Dialoguing with offenders to increase awareness of the painfulness of their actions In praying through God you are able to forgive realizing that the battle is not yours but the Lord's Accepting apologies and praying with perpetrators immediately thereafter to remove the yoke of unforgiveness Mabel is a young girl whose parents reckless decisions dealt her a cruel blow in life She embarked on a journey trying desperately to escape a dysfunctional and abusive home but the journey took her through ill treatment and neglect It was only through others that she learned to bask in droplets of mercies and at times showers of blessings Mabel practiced the art of forgiving so as to lessen the crippling weight and burden of unforgiveness but just as she thought she would triumph and master the art of forgiving and forgetting disaster struck **Miss Mabel's School for Girls** Katie Cross, 2014-03-27 Never underestimate the power of a determined witch Letum Wood is a forest of fog and deadfall home to the quietly famous Miss Mabel's School for Girls a place where young witches learn the art of magic Sixteen year old Bianca Monroe has inherited a deadly curse Committed to breaking free before it kills her she enrolls in the respected school to confront the cunning witch who cast the curse Miss Mabel Bianca finds herself faced with dark magic she didn't expect and lessons more dangerous than she could have ever imagined Will Bianca have the courage to save herself from the curse or will Miss Mabel's sinister plan be too powerful Miss Mabel's School for Girls is the first novel in The Network Trilogy an exciting new fantasy series A gripping tale about the will to survive it will take you to a new place and time one you'll never want to leave **Murder at Mabel's Motel** G. A. McKeve, 2021-11-30 Stella Granny Reid's youth wasn't the only thing changed by time in tiny nondescript McGill Georgia Except even back in the 1980s the Southern town still had a way of attracting downright dubious characters some with a talent for murder As quirky as McGill's residents can be they usually welcome society's oddballs and outcasts into the community with open arms But the three members of the Lone White Wolf Pack are a different story Townsfolk aren't feeling the least bit neighborly toward the gang widely believed to have orchestrated several hate crimes in the area When the group's leader Billy Ray Sonner is found dead in an abandoned motel most assume it was the result of an accidental overdose An unfortunate yet predictable end for a man who lived the way Billy did Only Stella and the sheriff have witnessed the crime scene in person and suspect something more disturbing happened in that ramshackle room While Stella wades through a flood of potential culprits one thing becomes clear this wasn't an

impulsive act of revenge There s a sophisticated killer on the loose and Stella must expose deep rooted fears and dark pasts if she wants to crack a carefully planned murder and stop McGill from descending into chaos
