Macbeth Onstage Glen Byam Shaw, 1976-01-01 *Macbeth Onstage* William Shakespeare, 1976 *Macbeth Onstage* Michael Mullin, 1978-01-01 *2000 Lectures and Memoirs* British Academy, 2001 Volume 111 of the Proceedings of the British Academy contains 12 British Academy lectures and 17 obituaries of Fellows of the British Academy *Macbeth* Nick Moschovakis, 2008-03-03 This volume offers a wealth of critical analysis supported with ample historical and bibliographical information about one of Shakespeare's most enduringly popular and globally influential plays Its eighteen new chapters represent a broad spectrum of current scholarly and interpretive approaches from historicist criticism to performance theory to cultural studies A substantial section addresses early modern themes with attention to the protagonists and the discourses of politics class gender the emotions and the economy along with discussions of significant minor characters and less commonly examined textual passages Further chapters scrutinize Macbeth's performance adaptation and transformation across several media stage film text and hypertext in cultural settings ranging from early nineteenth century England to late twentieth century China The editor's extensive introduction surveys critical theatrical and cinematic interpretations from the late seventeenth century to the beginning of the twenty first while advancing a synthetic argument to explain the shifting relationship between two conflicting strains in the tragedy's reception Written to a level that will be both accessible to advanced undergraduates and at the same time useful to post graduates and specialists in the field this book will greatly enhance any study of Macbeth Contributors Rebecca Lemon Jonathan Baldo Rebecca Ann Bach Julie Barmazel Abraham Stoll Lois Feuer Stephen Deng Lisa Tomaszewski Lynne Bruckner Michael David Fox James Wells Laura Engel Stephen Buhler Biqi Beatrice Lei Kim Fedderson and J Michael Richardson Bruno Lessard Pamela Mason **Macbeth** William Shakespeare, 2008-11-27 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations This second edition of Macbeth provides a thorough reconsideration of one of Shakespeare's most popular plays In his introduction A R Braunmuller explores Macbeth's immediate theatrical and political contexts particularly the Gunpowder Plot and addresses such celebrated questions as do the Witches compel Macbeth to murder is Lady Macbeth herself in some sense a witch is Macduff morally culpable A new and well illustrated account of the play in performance examines several cinematic versions such as those by Kurosawa and Roman Polanski as well as other dramatic adaptations Several possible new sources are suggested and the presence of Thomas Middleton's writing in the play is also proposed **Macbeth** Bernice W. Kliman, 1995 In this book the author examines 13 major productions of Macbeth on stage and screen inviting the reader to contemplate and compare directors and actors choices for what is arguably Shakespeare's most compelling play *Shakespeare's Dramatic Transactions* Michael Mooney, 1991-07-31 Shakespeare's Dramatic Transactions uses

conventions of performance criticism staging and theatrical presentation to analyze seven major Shakespearean tragedies Hamlet Othello King Lear Macbeth Antony and Cleopatra Richard II and Richard III As scholars and readers increasingly question the theoretical models used to describe the concepts of mimesis and representation this book describes how the actor's stage presentation affects the actor's representational role and the ways in which viewers experience Shakespearean tragedy Michael Mooney draws on the work of East German critic Robert Weimann and his concept of figureposition the correlation between an actor's stage location and the speech action and stylization associated with that position to understand the actor stage location relationship in Shakespeare's plays In his examination of the original staging of Shakespeare's tragedies Mooney looks at the traditional interplay between a downstage place and upstage location to describe the difference between non illusionistic action often staged near the audience and the illusionistic localized action that characterizes mimetic art The innovative and insightful approach of Shakespeare's Dramatic Transactions brings together the techniques of performance criticism and the traditional literary study of Shakespearean tragedy In showing how the distinctions of stage location illuminate the interaction among language representation Mooney's compelling argument enhances our understanding of Shakespeare and the theater

Shakespeare's Boys K. Knowles, 2014-01-02 Shakespeare's Boys A Cultural History offers the first extensive exploration of boy characters in Shakespeare's plays examining a range of characters from across the Shakespearean canon in their original early modern contexts and surveying their subsequent performance histories on stage and screen from the Restoration until the present day

Focus on Macbeth John Russell Brown, 2013-09-13 First published in 1982 Macbeth exercises a strange influence over readers and theatre audiences the words of the text offer no easy clue to meaning or significance and in dramatic structure the play is very different from other Shakespearean tragedies Many kinds of study are needed in order to understand the tragedy of Macbeth and this book provides a wide range of studies that respect the individuality of the text and examine it from different viewpoints Contents include Themes and Structure Characterization and Narrative Visual Effects Performance in the Eighteenth Nineteenth and Twentieth Centuries Historical and Political Background Role of Witchcraft Game Theory Contributors include John Russell Brown Derek Russell Davis Gareth Lloyd Evans R A Foakes Michael Goldman Robin Grove Peter Hall Michael Hawkins Brian Morris D J Palmer Marvin Rosenberg and Peter Stallybrass
