Macdiarmid An Illustrated Biography Of Christopher Murray Grieve Hugh Macdiarmid

Alan Bold

Macdiarmid An Illustrated Biography Of Christopher Murray Grieve Hugh Macdiarmid:

MacDiarmid Gordon Wright,1977-01-01 MacDiarmid Alan Bold,1990 A biography of Scottish poet Hugh MacDiarmid 1892 1978 Examines not only his literary career in both Scots and English verse but also his political work as a communist cofounder of the Scottish National Party and frequent candidate for Parliament Annotation copyright Book News Inc Portland

Hugh MacDiarmid Nancy K. Gish,1984-06-18 *Edinburgh Companion to Hugh MacDiarmid* Scott Lyall,2011-05-16 This book explores the principal thematic and aesthetic preoccupations in MacDiarmid s work relating his poetry to key national and international concerns in modern culture and politics MacDiarmid Alan Bold,1988 *Hugh MacDiarmid's Poetry and Politics of Place* Scott Lyall,2006-08-28 By examining at length for the first time those places in Scotland that inspired MacDiarmid to produce his best poetry Scott Lyall shows how the poet s politics evolved from his interaction with the nation exploring how MacDiarmid discovered a hidden tradition of radical Scottish Republicanism through which he sought to imagine a new Scottish future Adapting postcolonial theory this book allows readers a fuller understanding not only of MacDiarmid s poetry and politics but also of international modernism and the social history of Scottish modernism *From Tartan to Tartanry* Ian Brown,2012-09-12 Draws together contributions from the leading researchers to provide a contemporary evaluation of tartan and tartanry *Thistle and Rose* Annie Boutelle,1981 By examining the poems chronologically and sympathetically and by exploring the relationship of language formal dynamics image and theme this study attempts to discover the essence of MacDiarmid s highly individual contribution to the poetry of this century

Modern Scottish Poetry Christopher Whyte,2004 Although Scottish poetry gained an increasingly high profile towards the end of the twentieth century this groundbreaking work is the first book length study of the field Christopher Whyte takes significant collections by 20 poets writing in English Scots and Gaelic as the starting point for an examination of their whole career and of the connections between them Poets featured include Sorley MacLean Edwin Muir George Campbell Hay Sydney Goodsir Smith Edwin Morgan Tom Leonard W S Graham Iain Crichton Smith Liz Lochhead Douglas Dunn Kathleen Jamie Carol Ann Duffy and Aonghas MacNeacail Whyte argues that concerns with nationalism and national identity have so far shaped our reading of Scottish poetry and that the time has come to set these aside in favour of new approaches where Scottishness will no longer be a dominant concern His sobering yet balanced reappraisal of the failures and achievements of the interwar period offers a sound basis for the discussion of more contemporary work which follows *Modern Scottish Poetry* is a refreshing and stimulating reassessment of the cultural scene as the new century gets under way Innovative challenging and frequently controversial the readings demonstrate a consistent theoretical sophistication and highlight the richness and variety of work produced across six decades Features In depth coverage of each of 20 poets women poets and gay material included providing lively material for discussion and debate Sums up the critical tradition so far and suggests how it needs to change Ideas put forward are rooted in close reading of specific poems Basic bibliographical information main edition

secondary literature for each author plus an invitation to further exploration and research *A Dictionary of the Avant-Gardes* ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture
