Make Your Own Music Video:

Make your own music videos with Adobe Premiere Pete Kennedy, Maura Kennedy, 2000 Music videos are a necessity if you want to take your musical career to the next level But how do you create one without breaking the bank This book delivers the answers Written by two acclaimed recording artists who ve been producing their own award winning music videos for several years it shows you step by step how to get from an idea to an MTV worthy result on a shoestring budget even if you ve never worked with video before Packed with easy to understand instructions hands on exercises and fascinating road diaries that illuminate the inspiration behind video concepts and special effects it s all you need to become a music video star If you are a music lover and have always thought that you could make a music video if only you had the right tools this book is for you If you or someone you know is in a band and you want to make a video for your website a cable TV channel or as a promotional tool this book is all you need If you have great stacks of pre video vinyl and you always wanted to make your own video for your favorite song youve come to the right place If you saw a video on TV and said I could make a much better video than that heres your chance If you want to become a professional music videographer this book is a great place to start *Creating Music Videos* Roy Cooper, 2006-04 *Make Your Own Music Video* Ed Gaskell, 2004 The advent of affordable digital video cameras and desktop editing applications coupled with the fact that everyone knows a struggling musician has blown the music video genre wide open Image and audio quality professional level special effects and easy distribution via DVD or the Web mean that almost any ambitious moviemaker musician or band manager can now have a crack at creating that breakthrough promo video Make Your Own Music Video reveals the entire process with techniques that apply to any hardware software environment from tuning up synching up and wrapping up to laying down cutting down and burning down Readers get straightforward practical advice on how to make cool entertaining professional quality music videos The book tackles everything from choosing and using the right kit through rehearsing a band and dealing with inflated showbiz egos to the nitty gritty of synching edited video and audio tracks and compressing footage for streaming on the Internet Hundreds of color illustrations provide ideas inspiration and practical techniques for moviemakers musicians audio technicians designers and media students Covers the entire process in one volume **Music/Video** Gina Arnold, Daniel Cookney, Kirsty Fairclough, Michael N. Goddard, 2017-08-10 This book is a lively comprehensive and timely reader on the music video capitalising on cross disciplinary research expertise which represents a substantial academic engagement with the music video a mediated form and practice that still remains relatively under explored in a 21st century context The music video has remained suspended between two distinct poles On the one hand the music video as the visual sheen of late capitalism at the intersection of celebrity studies and postmodernism On the other hand the music video as art looking to a prehistory of avant garde film making while perpetually pushing forward the digital frontier with a taste for anarchy controversy and the integration of special effects into a form designed to be disseminated across digital platforms In this way

the music video virally re engenders debates about high art and low culture This collection presents a comprehensive account of the music video from a contemporary 21st century perspective This entails revisiting key moments in the canonical history of the music video exploring its articulations of sexuality and gender examining its functioning as a form of artistic expression between music film and video art and following the music video s dissemination into the digital domain considering how digital media and social media have come to re invent the forms and functions of the music video well beyond the limits of music television *Behind the Scenes at a Music Video* Melissa Firth,2014-08-01 Take an in depth look at how music videos are made Career Building Through Music, Video, and Software Mashups Holly Cefrey,2008-01-15 A mashup is a Web site or application that combines content from multiple sources This book teaches young people how to combine the technologies of Web music video and software to create their own applications and how to use their talents in pursuing a career *The Art of Video Production* Leonard Shyles,2007-02-09 The Art of Video Production by Leonard Shyles is a very thorough presentation of the techniques of professional television production including electronic news gathering electronic film production and multicamer outside broadcast work MEDIA INTERNATIONAL AUSTRALIA Len Shyles The Art of Video Production is a comprehensive text with descriptions of all of the necessary organizational aesthetic and technical elements a student needs to progress from a beginning level to an advanced level in one course This book presents an overarching sensibility that links media production with the processes of communication provides many practical examples and adds industry voices interviews that do a great job of telling about ways knowledge from the text may be applied in the real world In short Shyles s book is a clear and comprehensive text for a complete course in video production Barbara Ruth Burke University of Minnesota Morris Shyles writes with a clarity and simplicity that is often missing in textbooks He is able to take complicated concepts and break them down so that anyone can understand them Shyles adeptly includes not only the ancient history of early television production but the new frontiers of HD and digital technology The book also contains fascinating interviews with industry professionals which students entering the workforce will find helpful The Art of Video Production provides an excellent foundation for the video student both technically and aesthetically Rick Ricioppo Illinois State University School of Communication The Art of Video Production is a veritable compendium of practical advice insights and tips for aspiring videographers Deftly written effectively organized WISCONSIN BOOKWATCH The Art of Video Production emphasizes the enduring principles and essential skills of the communication process AND the new digital technologies that are necessary for creating effective video content In this exciting new book author Len Shyles updates the latest developments in digital video production while preserving the fundamentals In a style that s clear comprehensive and brief The Art of Video Production shows you how to make air quality television programs with emphasis on both content and production values so that you can get your points across This user friendly text explains the methods for writing producing directing and editing successful television programs The Art of Video Production also features six interviews with industry
