Making Of A Black Scholar

Horace A. Porter

Making Of A Black Scholar:

The Making of a Black Scholar Horace A. Porter, 2003 This captivating and illuminating book is a memoir of a young black man moving from rural Georgia to life as a student and teacher in the Ivy League as well as a history of the changes in American education that developed in response to the civil rights movement the war in Vietnam and affirmative action Born in 1950 Horace Porter starts out in rural Georgia in a house that has neither electricity nor running water In 1968 he leaves his home in Columbus Georgia thanks to an academic scholarship to Amherst College and lands in an upper class mainly white world Focusing on such experiences in his American education Porter s story is both unique and representative of his time The Making of a Black Scholar is structured around schools Porter attends Georgia s segregated black schools until he enters the privileged world of Amherst College He graduates spending one semester at Morehouse College and moves on to graduate study at Yale He starts his teaching career at Detroit s Wayne State University and spends the 1980s at Dartmouth College and the 1990s at Stanford University Porter writes about working to establish the first black studies program at Amherst the challenges of graduate study at Yale the infamous Dartmouth Review and his meetings with such writers and scholars as Ralph Ellison Tillie Olsen James Baldwin and Henry Louis Gates Jr He ends by reflecting on an unforeseen move to the University of Iowa which he ties into a return to the values of his childhood on a Georgia farm In his success and the fulfillment of his academic aspirations Porter represents an era a generation of possibility and achievement

Making Black History Jeffrey Aaron Snyder, 2018-02 In the Jim Crow era along with black churches schools and newspapers African Americans also had their own history Making Black History focuses on the engine behind the early black history movement Carter G Woodson and his Association for the Study of Negro Life and History ASNLH Author Jeffrey Aaron Snyder shows how the study and celebration of black history became an increasingly important part of African American life over the course of the early to mid twentieth century It was the glue that held African Americans together as a people a weapon to fight racism and a roadmap to a brighter future Making Black History takes an expansive view of the historical enterprise covering not just the production of black history but also its circulation reception and performance Woodson the only professional historian whose parents had been born into slavery attracted a strong network of devoted members to the ASNLH including professional and lay historians teachers students race leaders journalists and artists They all grappled with a set of interrelated questions Who and what is Negro What is the relationship of black history to American history And what are the purposes of history Tracking the different answers to these questions Snyder recovers a rich public discourse about black history that took shape in journals monographs and textbooks and sprang to life in the pages of the black press the classrooms of black schools and annual celebrations of Negro History Week By lining up the Negro history movement s trajectory with the wider arc of African American history Snyder changes our understanding of such signal aspects of twentieth century black life as segregated schools the Harlem Renaissance and the emerging modern civil rights movement

Building the Black Arts Movement Jonathan Fenderson, 2019-03-30 As both an activist and the dynamic editor of Negro Digest Hoyt W Fuller stood at the nexus of the Black Arts Movement and the broader black cultural politics of his time Jonathan Fenderson uses historical snapshots of Fuller's life and achievements to rethink the period and establish Fuller's important role in laying the foundation for the movement In telling Fuller's story Fenderson provides provocative new insights into the movement's international dimensions the ways the movement took shape at the local level the impact of race and other factors and the challenges corporate political and personal that Fuller and others faced in trying to build black institutions An innovative study that approaches the movement from a historical perspective Building the Black Arts Movement is a much needed reassessment of the trajectory of African American culture over two explosive decades

Black Scholars in White Space Anthony B. Bradley, 2015-01-19 Never before in American history have we seen the number of African Americans teaching at Christian Colleges as we see today Black Scholars in White Space highlights the recent research and scholarly contributions to various academic disciplines by some of America's history making African American scholars working in Christian Higher Education Many are the first African Americans or only African Americans teaching at their respective institutions Moreover never before have this many African American female scholars in Christian Higher Education had their research presented in a single cross disciplinary volume The scholars in this book spanning the humanities and social sciences examine the issues in public policy church state relations health care women's issues in higher education theological anthropology affirmative action and black history that need to be addressed in America as we move forward in the 21st century For these reasons and more Black Scholars in White Space offers timely and historic contributions to the discourse about making the black community a place where men and women thrive and make contributions to the common good

Black Scholars Matter Gay L. Byron, Hugh R. Page, 2022-10-20 Distinctive Powerful Transformational This book collects the presentations of twelve leading African American scholars who participated in the groundbreaking Black Scholars Matter virtual symposium held in August 2020 that was organized by the Society of Biblical Literature's Black Scholars Matter Task Force in coordination with the SBL's Committee on Underrepresented Racial and Ethnic Minorities in the Profession These scholars share their perspectives on biblical studies and their experiences in the discipline on a range of topics including blatant and subtle forms of bias and racism mentoring lessons of struggle sacrifice and lack of support reflections on the obstacles of national tragedies geographical locations and academic disciplines and the challenges of creating a more welcoming environment for the next generation of Black biblical scholars Eight additional contributors and stakeholders that have administrative and decision making responsibilities within theological and other settings address the need for institutional and personal accountability Contributors include Efraim Agosto Cheryl B Anderson Randall C Bailey Gay L Byron Ronald Charles Stephanie Buckhanon Crowder Steed Vernyl Davidson Sharon Watson Fluker John F Kutsko Vanessa Lovelace Madipoane Masenya Ngwan a Mphahlele Raj Nadella Hugh R Page Jr Adele Reinhartz

Kimberly D Russaw Abraham Smith Shively T J Smith Mai Anh Le Tran Renita J Weems and Vincent L Wimbush **The Crisis** ,2003-05 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **Opening the Cage** Ole Skovsmose,Brian Greer,2012-09-05 The picture on the front of this book is an illustration for Totakahini The tale of the parrot by Rabindranath Tagore in which he satirized education as a magnificent golden cage Opening the cage addresses mathematics education as a complex socio political phenomenon exploring the vast terrain that spans critique and politics Opening the cage includes contributions from educators writing critically about mathematics education in diverse contexts They demonstrate that mathematics education is politics they investigate borderland positions they address the nexus of mathematics education and power and they explore educational possibilities Mathematics education is not a free enterprise It is carried on behind bars created by economic political and social demands This cage might not be as magnificent as that in Tagore s fable But it is strong Opening the cage is a critical and political challenge and we may be surprised to see what emerges **Black Power Afterlives** Diane Fujino,Matef Harmachis,2020-08-04 The first book to comprehensively examine how the Black Panther Party has directly shaped the practices and ideas that have animated grassroots activism in the decades since its decline Black Power Afterlives represents a major scholarly achievement as well as an important resource for today s activists Through its focus on the enduring impact of the Black Panther Party this volume expands the historiography of Black Power studies beyond the 1960s 70s and serves as a bridge between studies of the BPP during its organizational existence and studies of present day Black activism allowing today s readers and organizers to situate themselves in a long lineage of liberation movements Jim Crow Wisdom Jonathan Scott Holloway,2013-10-15 How do we balance the desire for tales of exceptional accomplishment with the need for painful doses of reality How hard do we work to remember our past or to forget it These are some of the questions that Jonathan Scott Holloway addresses in this exploration of race memory from the dawn of the modern civil rights era to the present Relying on social science documentary film dance popular literature museums memoir and the tourism trade Holloway explores the stories black Americans have told about their past and why these stories are vital to understanding a modern black identity In the process Holloway asks much larger questions about the value of history and facts when memories do violence to both Making discoveries about his own past while researching this book Holloway weaves first person and family memories into the traditional third person historian s perspective The result is a highly readable rich and deeply personal narrative that will be familiar to some shocking to others and thought provoking to everyone Interpretations of American History, 6th Ed, Vol. Gerald N.
