Making Of Western Jewry 1600 1819:

The Making of Western Jewry, 1600-1819 L. Kochan, 2004-11-19 In a broad sweep from Central Europe to Ireland and from the Sixteenth to the early Nineteenth century this work puts the Jewish community and its rabbinic and lay leaders at the centre of Jewish history Of surpassing value is Kochan s treatment of the community not only as a religious but also as a political unit

Burgenland David Joseph, 2023-05-15 A dazzling multi generational examination exploring Jewishness in Europe the Holocaust and the dark spectres of anti Semitism and populism

[Cerf Berr of Médelshheim 1726?1793](#)

Margaret R. O'Leary, MD, 2014-07-31 On December 7 1793 an old man lay motionless at last surrounded by his family rabbis and members of the society who would prepare his body for Jewish burial Sixteen days after he was sentenced to jail his family would go to extraordinary efforts to bury him in a Jewish cemetery ordered destroyed by the French government just two weeks earlier The old man was Cerf Berr of M delsheim the tenacious eighteenth century Ashkenazi emancipator of the French Jews Margaret R O Leary MD presents Cerf Berr s life story recognizing his profound contributions to the liberation of the Jews of France While chronicling his incredible journey O Leary not only highlights Cerf Berr s scrupulous honesty and reliability that earned him the deep appreciation of the French Crown but also details how he besieged authorities in both Strasbourg and Versailles to grant political social and economic equality for all of his coreligionists in France Cerf Berr achieved that milestone on September 27 1791 only to die two years later after imprisonment by sadistic French revolutionaries Cerf Berr of M delsheim is the biography of a man who was faithful to his people sought the good for the community and cherished justice all while making a momentous contribution to the history of France and the Jews

Jewish Emancipation David Sorkin, 2021-09-14 The first comprehensive history of how Jews became citizens in the modern world For all their unquestionable importance the Holocaust and the founding of the State of Israel now loom so large in modern Jewish history that we have mostly lost sight of the fact that they are only part of and indeed reactions to the central event of that history emancipation In this book David Sorkin seeks to reorient Jewish history by offering the first comprehensive account in any language of the process by which Jews became citizens with civil and political rights in the modern world Ranging from the mid sixteenth century to the beginning of the twenty first Jewish Emancipation tells the ongoing story of how Jews have gained kept lost and recovered rights in Europe North Africa the Middle East the United States and Israel Emancipation Sorkin shows was not a one time or linear event that began with the Enlightenment or French Revolution and culminated with Jews acquisition of rights in Central Europe in 1867 71 or Russia in 1917 Rather emancipation was and is a complex multidirectional and ambiguous process characterized by deflections and reversals defeats and successes triumphs and tragedies For example American Jews mobilized twice for emancipation in the nineteenth century for political rights and in the twentieth for lost civil rights Similarly Israel itself has struggled from the start to institute equality among its heterogeneous citizens By telling the story of this foundational but neglected event

Jewish Emancipation reveals the lost contours of Jewish history over the past half millennium **Forging Freedom**

Margaret R. O'Leary, 2012 Forging Freedom is the first full length biography of Cerf Berr of M delsheim 1726 1793 the formidable eighteenth century emancipator of the French Jews His early business providing forage for thousands of horses of the French military garrisoned in Alsace grew into a huge military supply business that earned him the profound respect of French Kings Louis XV and XVI After receiving his French naturalization papers from Louis XVI as a reward for his service to the French Crown Cerf Berr worked tirelessly on behalf of his Ashkenazi co religionists to win their political emancipation in France on September 27 1791

The Jews and the Reformation Kenneth Austin, 2020-06-11 Judaism has always been of great significance to Christianity but this relationship has also been marked by complexity and ambivalence The emergence of new Protestant confessions in the Reformation had significant consequences for how Jews were viewed and treated In this wide ranging account Kenneth Austin examines Christian attitudes toward Jews the Hebrew language and Jewish learning arguing that they have much to tell us about the Reformation and its priorities and have important implications for how we think about religious pluralism today

The Enlightenment Dorinda Outram, 2019-06-13 An engaging and accessible overview of the Enlightenment as a global phenomenon with updated material and additional online resources [If I Am Not for Myself](#) Mike Marqusee, 2011-08-23 If I Am Not For Myself is a passionate thought provoking exploration of what it means to be Jewish in the twenty first century It traces the author s upbringing in 1960s Jewish American suburbia his anti war and pro Palestinian activism on the British left and life as a Jew among Muslims in Pakistan Morocco and Britain Interwoven with this are the experiences of his grandfather s life in Jewish New York of the 1930s and 40s his struggles with anti Semitism and the twists and turns that led him from anti fascism to militant Zionism In the course of this deeply personal story Marqusee refutes the claims of Israel and Zionism on Jewish loyalty and laments their impact on the Jewish diaspora Rather he argues for a richer more multi dimensional understanding of Jewish history and identity and reclaims vital political and personal space for those castigated as self haters by the Jewish establishment

Transnational Networks and Cross-Religious Exchange in the Seventeenth-Century Mediterranean and Atlantic Worlds Brandon

Marriott, 2016-03-09 In 1644 the news that Antonio de Montezinos claimed to have discovered the Lost Tribes of Israel in the jungles of South America spread across Europe fuelling an already febrile atmosphere of messianic and millenarian expectation By tracing the process in which one set of apocalyptic ideas was transmitted across the Christian and Islamic worlds this book provides fresh insight into the origin and transmission of eschatological constructs and the resulting beliefs that blurred traditional religious boundaries and identities Beginning with an investigation of the impact of Montezinos s narrative the next chapter follows the story to England examining how the Quaker messiah James Nayler was viewed in Europe The third chapter presents the history of the widely reported but wholly fictitious story of the sack of Mecca a rumour that was spread alongside news of Sabbatai Sevi The final chapter looks at Christian responses to the Sabbatian movement

providing a detailed discussion of the cross religious and international representations of the messiah The conclusion brings these case studies together arguing that the evolving beliefs in the messiah and the Lost Tribes between 1648 and 1666 can only be properly understood by taking into account the multitude of narrative threads that moved between networks of Jews Conversos Catholics and Protestants from one side of the Atlantic to the far side of the Mediterranean and back again By situating this transmission in a broader historical context the book reveals the importance of early modern crises diasporas and newsgathering networks in generating the eschatological constructs disseminating them on an international scale and transforming them through this process of intercultural dissemination into complex new hybrid religious conceptions expectations and identities **Torah from Heaven** Norman Solomon, 2018-02-19 An intriguing consideration of the validity of traditional notions of divine revelation and authoritative interpretation in today s world
