Broader Context of the Gospel of Matthew Lindsay D. Arthur, 2022-05-09 Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This problem is tackled herein by demonstrating that Matthew establishes a framework within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command **Making**

Making Disciples Sylvia Wilkey Collinson,2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community

Let the Reader Understand Edwin K. Broadhead, 2018-03-22 This book honors the extraordinary contribution of Elizabeth Struthers Malbon to biblical studies In the opening chapter Werner Kelber places Malbon s work within the larger context of critical reflection from antiquity to the modern era on the role and function of discourse Kelber locates Malbon s approach squarely within the framework of modernity and concludes that her supremely creative achievement has been the employment of modern narrative critical tools with a view toward uncovering the fecundity of the gospel of Mark Drawing from and conversing with Professor Malbon s extensive publications each of the five sections engages a theme from her works focusing particularly on the Gospel of Mark This tribute includes meaning as narrative issues in methodology studies in characterization narrative readings of specific texts and aesthetic and political readings Contributors include Werner H

Kelber R Alan Culpepper Kelly R Iverson Mikeal C Parsons David Barr David J A Clines Robert C Tannehill J Cheryl Exum Heidi Hornik and Richard Walsh **Follow Me** David Platt, 2013-02-05 2014 Christian Retailing's Best award finalist What did Jesus really mean when he said Follow Me In this new book David Platt author of the New York Times bestselling book Radical Taking Back Your Faith from the American Dream contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ Scores of men women and children have been told that becoming a follower of Jesus simply involves believing certain truths or saying certain words As a result churches today are filled with people who believe they are Christians but aren't We want to be disciples as long as doing so does not intrude on our lifestyles our preferences our comforts and even our religion Revealing a biblical picture of what it means to truly be a Christian Follow Me explores the gravity of what we must forsake in this world as well as the indescribable joy and deep satisfaction to be found when we live for Christ The call to follow Jesus is not simply an invitation to pray a prayer it's a summons to lose your life and to find new life in him This book will show you what such life actually looks like Conversion and Discipleship Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow **Disciple Making Is . . .** Dave Earley, Rod Dempsey, 2013-08 Dozens of brief yet powerful chapters about what it really means to live out the Great Commission in practical terms written by two men with more than sixty years of combined discipleship experience **Every Believer a Disciple!** David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to

better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples

Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers
